

ANGEL ENCOUNTERS Pt. 2

Last week as I was giving the sermon the recording stopped after 30 min's for no reason. Our recording equipment was fine and the batteries were fully charged up too. It was a spiritual attack. The kingdom of darkness does not like this kind of sermon. Satan doesn't want this to be exposed.

*Please play this video – Let's hear what a marine had to share about an encounter with Michael the archangel - STOP

This marine says that he used to pray to St. Michael the arch angel every day and he taught others to pray to him. He says in battle that St. Michael the arch angel saved his life.*(about 6.5 min's)

<https://www.youtube.com/watch?v=RIxdxS2ufeo>

This is a total deception. The glaring red flag is that his mother taught him to pray to St. Michael every day. This sounds like the Catholic faith because they do that. They pray to saints and angels. That is not Biblical. No one ever prayed to an angel or a saint in Scripture.

Satan can appear to spare your life if it will keep you deceived and away from Jesus. He can only do this if it is not your time to go because God has the final say. In this instance, this guy's life was spared and it seems that it was so that Satan could use him to lead others away from Jesus. There was no glory given to God or Jesus here. No mention of them at all. When you hear of supernatural experiences, examine them closely and see if God is given the glory or not. That is a huge test to see what spirit someone is speaking by. All the videos we watched last week, none of them mentioned Jesus and none of them gave God glory at all.

When you pray to angels, you are showing reverence and worship to them and not God. You are showing that you believe they can help you and not Jesus. You are showing belief in the power of angels and not in the power of Jesus. Holy angels will not respond to prayers because they know that is a sin against God and they will not take His glory.

Isaiah 42:8 - *I am* the LORD: that *is* My name: and My glory will I not give to another, neither My praise to graven images.

If we prayed to angels and they answered our prayers then where is our need for Jesus?

The holy angels take their orders from God and God alone. Those who pray to angels are not acting in accordance with God's Word, they are showing that they do not know God or His Word. A fallen angel will respond to prayers made to angels or to saints. People who pray to angels will be interacting directly with demons. That includes all those who pray through Mary. That is not Biblical, there is an evil spirit that responds to those praying in that name. We have one Intercessor and Mediator Whose name we pray in and that is Christ alone.

1 Timothy 2:5 – For *there is* one God, and one Mediator between God and men, the man Christ Jesus;

God does not bless sin of any sort.

Hosea 4:6 – My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to Me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

There is a Mandela effect in this verse, it used to say My people perish for lack of knowledge. Meaning they are lost and undone and don't know God because they don't know His Word, they were not being taught by the priestly line and they were not keeping God's Word. The priests were not even keeping Gods Word. Not only would the people perish which is to die and go to hell and then the lake of fire but God also said He would not remember their children, which means He would not bless them.

We have no excuse today. We have God's Word easily accessible at our fingertips, yet so many are deceived by new age teachings. Praying to angels or saints is sin against God. This is one way that people are perishing because of lack of knowledge of God and His Word. They are believing lies and engaging in sin

against God and interacting with fallen angels. Satan capitalizes on spiritual ignorance. He is the great deceiver.

Rumble channel – I am God’s witness - “I met an archangel while out on a run.” I had a true angel encounter with sandalphon.

Ok, seriously? This man’s video started out with him saying that God is real and He sends His angels to help us especially when we pray to them. Right off the bat we know the rest of whatever this guy shares is just more deception. He said he worked at a church where they made long prayers to God, His saints and His angels. That’s not a godly church. So that means they were summoning fallen angels. God expects us to study to show ourselves approved (**2 Tim.2:15**) and to know Him and His Word so that we are not deceived like this.

The Bible gives us two names of angels, Gabriel and Michael. We know God has countless angels but Scripture does not reveal their names to us. Be wary of all these angel names that people use because it is coming from new age. When he saw this supposed angel, he was not scared at all. He said in retrospect he should have stopped and knelt or given some form of reverence. This does not match Biblical encounters at all.

He finished his run and went home and began to doubt that he’d seen an angel. Then he said two beams of light shot out of his hands and that is when he knew he’d been in the presence of a real angel. What non-sense! When these type of supernatural things happen, it helps to reinforce sin against God. So the deceived person will keep interacting with these fallen beings because supernatural things are happening. This guy said he could feel this angel’s presence with him over the

years and he began to pray to him often. There's the reinforcement into sin against God.

The man says he doesn't even know why he was blessed with the appearance of this angel. God does not send His angels to us just to impress us, entertain us, make us feel special or blessed etc. God moves with purpose. His angels, if God chooses for us to see them, they will have a message from God for us or a purpose for us seeing them. The man ended the video encouraging everyone to seek the Kingdom of God and to pray to God's emissaries daily. That is exactly wrong and one good way to draw evil beings into your life.

Youtube channel: Melinda the mystic witch My encounter with archangel Michael on the astral realm.

This story is one of the very first one on one angelic experiences I've been thankful to have, and wanted to share it.

We don't even have to listen to whatever nonsense she's going to share. Her channel title tells us all we need to know to test the spirits. She's calling herself a mystic witch. God hates witches and commanded them to be killed in Old Testament times. **(Exodus 22:18)** She is aligning with mysticism which is witchcraft against God. Meditating and raising your consciousness in order to astral project out of your body is sin against God. So no, she did not meet Michael the archangel. She had an encounter with a fallen angel because she is in a fallen state herself.

Youtube channel: Koinonia Watch TV – How to activate your angels – Apostle Joshua Selman. I don't even have to listen to this man to tell you he is not a godly apostle. We don't activate angels. When we live righteous lives and obey Jesus, then God commands His angels to watch over us and protect us.

Heaven is for Real, got a lot of attention. But once God awakens you to those who are promoted on tv, who write books, who go on all the shows etc. you know that it is just one of satan's schemes. He loves to deceive people and mock God in the process.

This little boy said that he saw his dead grandpa, "pop," in heaven and that he had wings.

God created His angels with wings, not us. We will be like Jesus when He resurrected and appeared to the apostles and other witnesses on this Earth. He had a glorified body. He could go through walls, like He did when He entered the upper room. **(John 20:19)** They recognized Him and the Bible does not say He had wings.

There was an argument in the New Testament about whether we will be married in heaven like we are on this Earth. **(Mark 12:18-27)** Let's see what Jesus said:

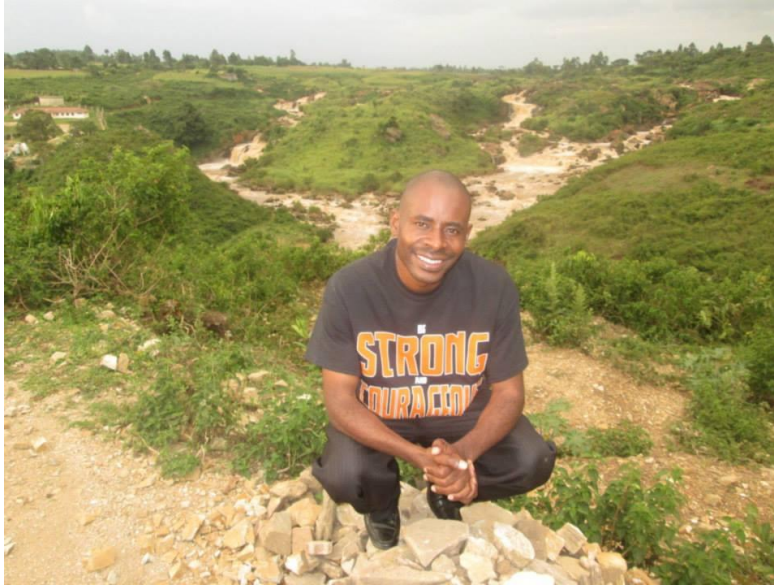

Mark 12:25 - For when they shall rise from the dead, they neither marry, nor are given in marriage; but are as the angels which are in heaven.

When we die we do not become angels. God already created His angels. When Jesus said that they are like the angels, He is meaning that the angels are not married and do not get married. We will be like them in that sense.

Hebrews 13:2 - Be not forgetful to entertain strangers: for thereby some have entertained angels unawares.

Apostle Paul said we might entertain angels unaware. UNAWARE. This encourages us to be kind to everyone we meet because you never know if sometime someone you help may have been sent on a special mission by God and actually be an angel. But the key word is UNAWARE. You will not even know it was an angel. Today, we have all sorts of people claiming to have interacted with angels and even teaching angel interaction as a common place thing.

Kabbalah, which is witchcraft taught by Jews that have rejected Jesus and are lost and undone headed to hell, kabbalah teaches and encourages worship of angels. New age teaches interaction and worship of angels. The Roman Catholic Church grooves and teaches its members to pray to dead saints. All of this is sin against God. And because these things are forbidden, you must understand that what they are really praying to are fallen angels.

Through deliverances the demons have told Pastor Erustus time and again that they have not been able to kill him because the angels and God's holy fire are all around him. He shared to me that the demons have been trying to kill us here but we are too prayerful and the angels are watching over us also. Glory to God, I praise Jesus for this!

In 2020 Pastor Erustus said: The demons say they have been unable to access me and my car. I have escaped three terrible accidents. The demons say they were sent to destroy but they failed. They said any true servant of God is surrounded by fire and angels. ****The key here is TRUE SERVANT of GOD.****

And they say we here are also so much protected by angels and God's fire. Thank You Jesus!!

Heb.1:14 - Are they not all ministering spirits, sent forth to minister for them who shall be heirs of salvation?

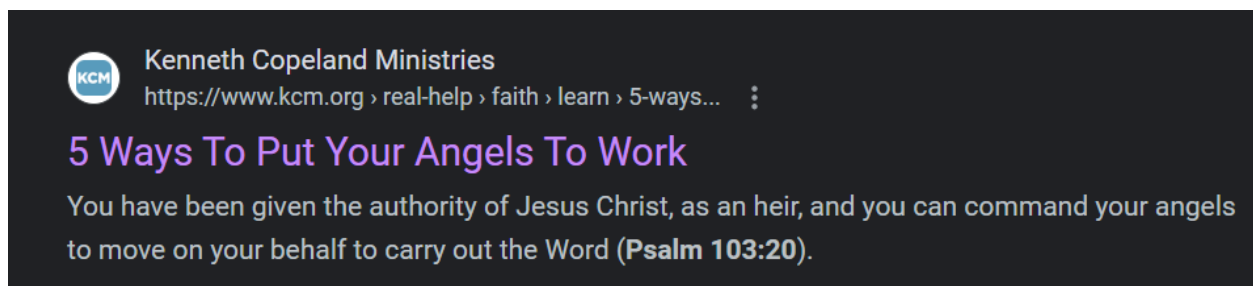

This passage is speaking of the angels, we as Christians are the heirs of salvation, of eternal life and they carry out what God commands them to concerning us. God gives them their instructions for how and when they are to minister to us or on our behalf. That's what they were doing when they were surrounding Pastor Erustus' car, protecting Him as per God's instructions for them concerning Pastor

Erustus. It is the same for God's true servants, they fight against the demons who are trying to kill us.

Pastor Erustus shared:

The angels are assigned to guard, watch over us or protect by carrying out God's command's.

Psalm 103:20 - Bless the LORD, ye His angels, that excel in strength, that do His commandments, hearkening unto the voice of His word.

5 Ways To Put Your Angels To Work
You have been given the authority of Jesus Christ, as an heir, and you can command your angels to move on your behalf to carry out the Word (Psalm 103:20).

Look at this from Kenneth Copeland Ministries. His ministry is a word of faith, prosperity ministry mixed with new age. He's one of satan's ministers. I've shown some of his non-sense in the past. 5 Ways to put your angels to work. You have been given the authority of Jesus Christ, as an heir, and you can command your angels to move on your behalf to carry out the word (Psalm 103:20).

He is twisting God's Word. These false ministries are trying to lead people into new age. God commands His angels, not us. We seek God and stand on His Word and He will move on our behalf and command His angels. No one in Scripture commanded the angels. It isn't Biblical. We have been given power and authority over fallen angels and we can bind and cast them out in Jesus' name. But we do not command holy angels at all.

Continuing with more from Pastor Erustus regarding angels: "They are God's messengers for us."

I too agree with you that demons - fallen angels - influence our thoughts but not holy angels. For christians that is the work of the Holy Spirit.

Me: I was having this conversation with Pastor Erustus about angels and how they interact with us. I wanted to make a distinction between how fallen angels and holy angels work in the area of our thoughts.

Fallen angels are assigned to move people to sin and draw them away from God. Evil spirits specialize in different things, spirit of alcoholism, spirit of addiction, spirit of suicide, spirit of depression etc. These are different demons. They work to influence a person by sending them thoughts. It is up to us if we act on those thoughts or not.

2 Cor.10:4-5 - (For the weapons of our warfare *are* not carnal, but mighty through God to the pulling down of strong holds;) Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ;

As Christians, we fight with supernatural weapons like the Word of God and The Holy Spirit etc. We take down demonic strongholds through the power of God and the supernatural weapons He has given and equipped us with. When Satan and his demons send wrong thoughts to us in our minds or through people, the TV, books etc. We take it back to the Word of God and if it does not align with God's Word we kick it out, don't entertain it, don't dwell on it. We don't act on things that are not in accordance with God's Word.

Christians quench the fiery darts of the devil (**Eph.6:16**). We are influenced and moved by the Holy Spirit when we listen and submit to Him. Holy angels do not influence our thoughts, that is the work of The Holy Spirit because He lives inside of us. He is God and He is above the angels. So there is not a good deed angel, an honest angel, a truth telling angel etc. They don't influence Christians thoughts. We listen to The Holy Spirit.

Unbelievers thoughts are influenced by demons. The demon of alcoholism might send thoughts to take a drink or you want a drink etc. Demons try to influence believer's thoughts also and that is why we must remain vigilant and feed on God's Word and be sensitive to the leading and guiding of The Holy Spirit. Holy angels do not influence our thoughts. They do not influence our lives through the

thought process, that is the work of The Holy Spirit. He is the very power of God living inside of us.

More of Pastor's thoughts on this line of discussion: You are right demons are tagged to all evil activities or work like anger, jealousy, immorality, murder etc. I believe God's holy angels also perform specific things assigned to them by God. Angels I believe don't just stand for one specific thing. God has so many angels that serve God and his people in different ways.

Angels may have the roles of being God's Messengers, God's Holy Warriors, Praising & Worshipping God, Protecting & Directing people on behalf of God.

I think God uses angels as He chooses. God's angels are His agents who execute His judgment, act as His messengers revealing His will and they are His servants, in doing His will. God uses them too in serving His elect in Christ Jesus.

We talked about people who feel the need to ask God to send angels for protection. A lot of this type of thing is coming from false teachers. I told Pastor I never do that myself, I go directly to God for every need I have and I do it in Jesus' name. Pastor said: Same to me Pastor I just pray and ask God for His protection, help or intervention in whatever need I have. I always think God is our Father and Good Shepherd, our life is in His hands He knows what is best for us at each particular time. Secondly, I believe by just walking right with God there are things also He will do for us as a Father to His children and servants. The Apostle Paul in **Ephesians 3:20** says God is able to do exceedingly abundantly above what we ask Him or think.

CLOSING

I believe many who claim to be always seeing, interacting with or encountering angels - it's not true. Am not denying that one can see or interact with angels but many are not speaking the truth. They just try to win followers to believe that they are true servants of God. Many are living sinful lives, no godly fear and yet claim to be seeing or interacting with angels.
