

# PHARMAKEIA Pt.1: MARK of the BEAST, BIG PHARMA

I'm going to take my time and lay a good foundation so that you can understand Scripture and the pharmakeia mentioned there, as well as modern day pharmakeia. Over the years I have done a lot of teaching and exposing on the subject of witchcraft, freemasonry, illuminati and luciferians in general. You will not understand pharmakeia if you don't know who the bad guys are and what they have been up to.

After covid-19 was manufactured in a lab and then introduced out into the whole world, many truthers began saying that the covid vaccines were the mark of the beast and that those people who took them were deceived. They linked this to the Bible tying it in with scriptures that contain the word pharmakeia. I have addressed this issue several times but I will say again even though the covid vaccines were purposely created for the purpose of killing, injuring, harming and also for making tons of money, instilling fear and gaining more control over the people – they are not the mark of the beast.

Some want to argue that the vaccines contain luciferase so they must be the mark. I will reiterate that when the time comes for the mark of the beast, those that take it will deny Christ. It is not going to be an accidental thing. You are going to know full well what you are doing when you take the number, the name or the mark of the beast. Most people still have no idea that these vaccines contained anything called luciferase. If these vaccines were the true mark of the beast, the whole world would have known that it contained luciferase or that the number 666 had something to do with the vaccines or that the name of the beast was associated with these vaccines. Most of the things we learned through the truthers and research was not known by the rest of the world. When the mark of the beast begins to roll out, the whole world is going to know about it. You are not going to have to dig in research, it will be out in the open and everyone who takes it will have to deny Christ.

**Rev.13:16-17** - And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man

might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

We were still able to buy and sell without having to take the vaccines. No one got a vaccine injected into their foreheads. The hand and forehead are mentioned specifically in this scripture. Whatever it turns out to be, it isn't going to be something invisible. At that time you will clearly be able to see who has taken the mark and who has not. You will be able to look at them walking down the street and know.

While I'm talking about this let me say for those that think they broke us down by making us wear masks. When Scott was sick in the hospital with covid and Kennedy and I went to visit him, we had to put everything on, a gown, gloves and a mask. And years ago before covid when anyone had something infectious and you went to visit them in the hospital you had to put the gown, gloves and mask on to visit then too.

I do not like the masks, I know that they do not give true protection, they hinder our breathing and they hinder our immune systems but they are not the mark either and you do not lose your Christianity because you put one on. If you went to a doctor during 2020-2022 I'm sure you had to wear a mask in order to be seen, I did. If you have never put one on, then good for you. Even though I had to wear one to see Scott in the hospital or to keep my dr's appt. I still knew the whole thing was planned and even though it was planned and created by man and unleashed on this whole world doesn't mean people are not getting sick from covid because they are. My family and I have not been vaccinated and we have had covid at least twice that we are aware of.

Scott was getting close to death's door before we took him to the hospital so I praise God that the things they did helped to get him back on his feet. We covered him in Jesus' blood and covered him in prayer and trusted Jesus for the outcome. Jesus is our Healer no matter what situations we find ourselves in. He can work healing in many ways or He can just do an instant miracle healing. In Scott's case God worked through the treatments and drugs given at the hospital. One drug they gave Scott is the very same thing I take for rheumatoid arthritis. I thought that was interesting. Pastor Dalbeer and Pastor Erustus and their families wore the masks. If they wanted to continue doing the work for the Lord that they do, they had to put masks on.

Initially, I thought God was not going to allow us to get covid. But then Pastor Dalbeer got covid first. Then in 2021 my family and I got it. I praise God for protecting and sparing our lives as we went through that. We were under a great spiritual attack at that time. Kennedy and I were hit from behind and it really messed up our car at the same time Scott was in the hospital and I still had covid at that same time. The ministry was shut down because of all of this but I praise the Lord Jesus for bringing us through all of it for His glory! We gave our testimony and Youtube pulled our platform down because of the things we said.

A real Christian is not going to accidentally take the mark of the beast. Not everyone is glued to their computers feeding on truther videos. God is not going to leave His children in the dark, even the ones who don't feed on truther videos. If you really have The Holy Spirit in you, He will guide you. You may not get everything right all the time but He is not going to allow you to slip up and take the mark of the beast. When that time comes, each person will have to deny Christ in order to be marked for satan and his kingdom. Pastor Erustus and I have spoken on the subject of the mark of the beast and we both feel that it will be an outward mark for everyone to see. When that time comes the whole world is going to clearly know what the mark, number or name of the beast is. People will be lining up to get it or they will be hiding out or on the run for their lives trying to avoid it.

If you are familiar with this ministry you already know what I think about vaccines. I learned the truth about them from Dr. Tent and also from Tony Pantalleresco. I spoke extensively about them in the "Corona Virus" sermon series and in the sermon series "Weather and Chemical Warfare." I also shared some videos of other people's research on the vaccines and those are titled "Exposing Coronavirus Vaccines."

Many so-called truthers are just shells. They put a lot of truth out, but they also spread lies. They are there to cause division, fear and confusion. One thing satan uses them for is to circulate the information he wants to get out to everyone. Think about the meme's that go around facebook, they are never made by your friends but always by some unknown person. Those meme's are made by deep state and then circulated out to the people. It is part of their propaganda

machine, conditioning the minds of the people. Part of our military plays a huge role in online propaganda.

So these truthers began to talk about this Greek word pharmakeia in Scripture. Do you know that Pastor Erustus and Pastor Dalbeer have never heard of that word. They don't speak Greek, they don't read the Bible in Greek - nor do I. So God's real ministers for the most part never heard of that word in regards to Scripture. We were not teaching on this subject at all. Yet, we are led by God.

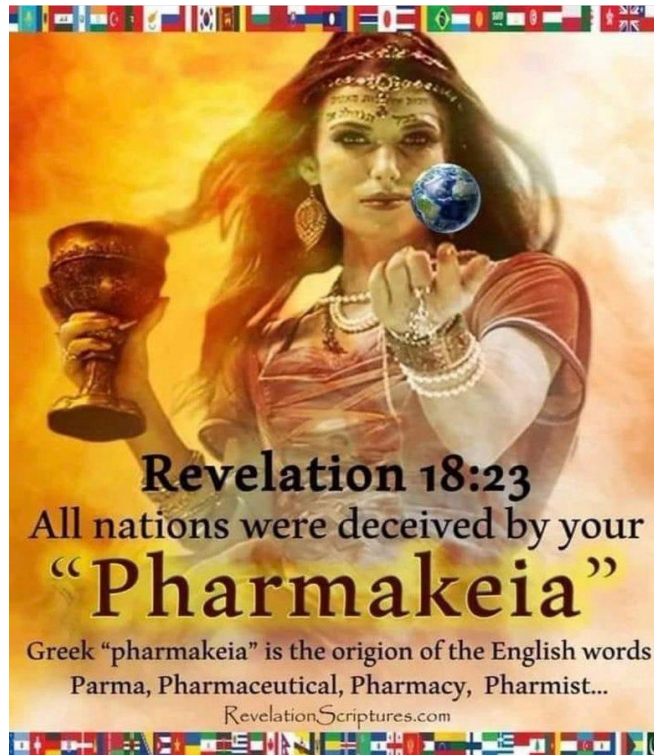

You should begin to question those truthers and think about where they got that information. Many of them are spoon fed their information because they are just skills fronting as truthers. Seek God for better discernment. They had a motive in getting you all stirred up about "pharmakeia."

Some of these so called truthers are people who serve satan's agenda, they put truth out and many times they also mix in lies and deception. In my experience, if they have a huge following, they are skills and especially if they act like they are christians. They present themselves as godly teachers when in fact they are not. These truthers are trying to teach God's Word and they are not called, ordained or anointed by God to do any teaching at all. They will answer to Him for what they are doing. It is my responsibility to teach those that God leads to this ministry.

## **PHARMAKEIA**

Let's read one of the main scriptures that contain the word pharmakeia. This next passage of scripture is spoken to mystery Babylon during the tribulation.

**Rev.18:23** - And *the* light of a lamp shall never shine in you any longer, and *the* voice of a bridegroom and a bride shall never be heard in you any longer. For your merchants were the great ones of the earth, because by your sorcery all the nations were deceived."

Rev.18:23 All nations were deceived by your "pharmakeia" – greek "pharmakeia" is the origin of the English words: Parma, pharmaceutical, pharmacy and pharmacist...So all nations drank from the cup of mystery Babylon is what they are portraying here with this meme.

The word sorcery in this verse is the greek word pharmakeia. The truthers would never have known that word was even in scripture if they were not fed that information. The witchcraft of mystery Babylon from ancient times is and will still be practiced all the way up to and during the time of the tribulation. Spread out all over the whole world. All the nations were deceived by the sorcery of mystery Babylon. With the initial rollout of covid we saw all nations doing the same thing. Quarantining, distancing, masking and many people ran out to get those vaccines but was that the real meaning of being deceived through pharmakeia from that passage?

5331. **φαρμακεία, pharmakeia**, *far-mak-i'-ah*; from 5332; *medication* (“pharmacy”), i.e. (by extension) *magic* (literal or figurative):—sorcery, witchcraft.

5332. **φαρμακεύς, pharmakeus**, *far-mak-yoos´*; from **φάρμακον, pharmakon** (a *drug*, i.e. *spell-giving potion*); a *druggist* (“pharmacist”) or *poisoner*, i.e. (by extension) a *magician*:—sorcerer.

5333. **φαρμακός, pharmakos**, *far-mak-os´*; the same as 5332:—sorcerer.

From the Strong's Greek concordance:

5331: pharmakeia from 5332; medication (pharmacy), i.e. (by extension) magic (literal or figurative): - sorcery, witchcraft.

5332: pharmakeus from pharmakon (a drug, i.e. spell-giving potion); a druggist (“pharmacist”) or poisoner, i.e. (by extension) a magician: - sorcerer.

5333: pharmakos, the same as 5332: - sorcerer.

Our modern word pharmacy and pharmaceuticals comes from the Greek word pharmakeia. From these Greek definitions we can see that magic, sorcery and witchcraft are mentioned with each definition. Medication, drugs and spell-giving potions are mentioned in connection with this word as are a druggist or poisoner that essentially equates to a magician and that is the same as a sorcerer, the same as a witch or an enchanter.

Witchcraft, sorcery, drugs and poisoning being associated with big pharma does not surprise me. I remember learning from John Todd, who was an illuminati high priest of satan's, who sat on the council of 13, that the witches do spells on the master cut of a record album and send demons out with each record sold. I did a teaching on satanic clothing, they are doing the same things there, making clothing that will attract demons into our lives.

Big Pharma is a greed machine for the luciferians and prescription medicines do contain harmful chemicals and even things that are poisonous and foreign to our bodies. If you don't believe that, read the long printouts that come with those medications. Look at the side effects. Many medications today say that a side effect is death. We would be naïve not to realize that there are negative things being doled out by our dr's. For most of us we are receiving relief or a better quality of life with the meds than we would have without them. Each person has to weigh the risks and benefits and make the decision to take those meds or not.

Thinking about modern meds, I believe the luciferians do witchcraft over them at high levels. Just like what John Todd revealed with the music industry doing witchcraft rituals over the music, I certainly think they do the same thing over the medicines we take. I do not think that every local pharmacist is a magician or sorcerer. They may be unbelievers but they are not the ones making the drugs. They could be considered poisoners because they dispense the meds to us and at the same time modern day dr's could be looked at as poisoners because they write the prescriptions for the meds but still, they are not the ones making them. All the major pharmaceutical corporations are owned and founded by luciferians. So the poisoning stems from them. Yes, they are witches and sorcers. Looking at big pharma in this way, these things seem to pertain to the definitions we just read – poisoners, sorcers, drugs, medicines and witchcraft. But I want to get down to the true meaning of what is being conveyed.

## Thayer's Greek Lexicon

STRONGS NT 5331: φαρμακεία

φαρμακεία (WH κια, so T (except in [Galatians 5:20](#); cf. the Proleg., p. 88); see Iota), φαρμακείας, ἡ (φαρμακεύω);

**a. the use or the administering of drugs** (Xenophon, mem. 4, 2, 17).

**b. poisoning** (Plato, Polybius, others): [Revelation 9:21](#) (here WH text Tr marginal reading φαρμακῶν; many interpretations refer the passage to the next entry).

**c. sorcery, magical arts**, often found in connection with idolatry and fostered by it: [Galatians 5:20](#) (where see Lightfoot) (Wis. 12:4 Wis. 18:13; for ד'פּוּצָה, [Isaiah 47:9](#); for ד'טל, [Exodus 7:22](#); [Exodus 8:18](#); for ד'טְהַל, [Exodus 7:11](#)); tropically, of the deceptions and seductions of idolatry, [Revelation 18:23](#).

STRONGS NT 5331: φάρμακον [φάρμακον, φαρμάκου, τό, from Homer down, a drug; an enchantment: Tr marginal reading WH text in [Revelation 9:21](#) (R. V. sorceries), for φαρμακεία, which see (in b.)]

Thayer's Greek Lexicon on 5331

- a. the use or the administering of drugs
- b. poisoning – here Westcott and Hort of the NIV text traditional marginal reading - many interpretations refer the passage to the next entry.
- c. sorcery, magical arts – often found in connection with idolatry and fostered by it: Galatians 5:20, Isaiah 47:9; Exodus 7:22; Exodus 8:18; Exodus 7:11; topically, of the deceptions and seductions of idolatry, Rev.18:23.

Here we see that in regards to Rev.9:21 many interpretations say that is sorcery, magical arts often found in connection with idolatry and fostered by it. Then there are several scripture references referring to that very thing.

**Rev.9:21** - Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

After many of the unbelievers have been killed off during the tribulation the remaining ones still would not repent of all their sins against God. Sorceries in this passage is pharmakeia.

## Thayer's Greek Lexicon

STRONGS NT 5332: φαρμακεύς

φαρμακεύς, φαρμακεως, ὁ (φάρμακον), one who prepares or uses magical remedies; a sorcerer: [Revelation 21:8](#) Rec. (Sophicles, Plato, Josephus, Lucian, Plutarch, others.)

## Strong's Exhaustive Concordance

sorcerer.

From pharmakon (a drug, i.e. Spell-giving potion); a druggist ("pharmacist") or poisoner, i.e. (by extension) a magician -- sorcerer.

Strong's Greek 5332 – one who prepares or uses magical remedies; a sorcerer: and Rev.21:8 is referenced.

**Rev.21:8** - But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.

Here we see that sorcerers or pharmakeus will go to the lake of fire. They were poisoners and used drugs or spell-giving potions.

## CLOSING

I know that in today's modern times "Big Pharma" is ruling over many things. The luciferians are making tons of money through medicines. Never truly healing but actually keeping people sick, making people sick and just managing symptoms many times to keep profit going. Most drugs/medicines have unwanted side effects. Those that have patented and created many of these medications have had wicked intentions. That's why there was something called luciferase in the covid vaccines. That's why they put nanotechnology in vaccines without telling people. They experiment on us. Everything the major corporations do is dedicated to satan. The corporation name, logo, symbol etc. shows honor to satan in one way or another. Modern medicines and vaccines are no exception.

I will give you an example of experimentation in modern day medicine. My mom had back trouble early on in her life. She had several back surgeries. The last

time she had back pain that would not resolve they recommended getting a papaya fruit injection. It was supposed to be the greatest thing and so easy to do. It was supposed to go in and dissolve the slipped disk. That injection dissolved the nerve that went down her right leg all the way to her foot. From then on my mom had to concentrate on picking her foot up and setting it down flat when walking or else her foot would roll under and she would fall over. Her foot never worked correctly after that. After that she did not trust dr's any more and she knew that they were just experimenting on us.

Modern day dr's learn what the powers that be want them to know and they are conditioned to believe in government paid for science. In America, dr's are just pill pushers. They don't get concerned about your nutrition, supplements, exercise, sleep habits or getting to the bottom of the problem. They just write prescriptions and send you on your way.

We are going to go deeper into what pharmakeia means next week.
