

SALVATION Pt.2: LOST SOULS, INTERCESSION for the LOST

Last week I spoke on salvation. God is very concerned with the state of our soul and we cannot help anyone else until we ourselves are saved.

In the Old Testament, God's people were taught how they could draw near and approach Him. They could not do so without a sacrifice. We must come to Jesus for salvation for ourselves first, He is The only way to The Father. He is our sacrifice. The sinful person who brings no sacrifice to God will not be heard and God will not act on their behalf. They will not be able to approach His throne. We serve a holy God and He has provided Jesus as the only way to be saved.

FAMOUS LOST SOULS

Elvis was used by the illuminati and look how many people idolized him. I was one of them for a long time. He chose the god of this world.

Madonna is a current illuminati puppet and practices kabala, look at how many idolize her. This was an old picture because she doesn't look like this anymore. If you've seen her lately she's pretty scary.

Brad Pitt who states he is an atheist - being idolized. The god of this world is happy with Brad's soul and his choice to serve him.

Carrie Underwood – she’s not using her talent for the Lord. She may throw His name in a few songs – but she’s not using her talent to glorify Him. She is idolized by the world. And let’s not forget that Cathy O’Brien shared that country music is holding hands with the CIA/FBI/NSA doing all the drug running and smuggling and MK Ultra right along with all the rest.

Taylor Swift – idolized.

She is putting it right in our faces who she serves. She serves the old serpent, satan. **(Rev.12:9, Rev.20:2)** Her current tour has raked in \$ 1 billion dollars. That's feedback for the state our world is in, what the world is hungry for, and it isn't Jesus.

Justin Bieber – idolized. Look what he's promoting, wicked Marilyn Manson and he has the all seeing eye tattoo and an owl tattoo as well – all illuminati, occult things. These are all satan's servants.

Tom Brady of the New England Patriots in 2007 - Asked how he thought he ranks among the greatest quarterbacks of all-time, Brady responded, "You know, that's hard to say. You don't want to get too ahead of yourself, but when all is said and done I'm hopeful that I'll rank right up there with the best. I mean, Jesus never threw six touchdowns in a single game, did he?" Brady was referring to his recent performance against the Miami Dolphins.

What a mockery. In the last few years they started calling him the goat meaning the greatest of all time. What that really stands for is their god satan, one of his symbols is a goat. And regarding satan, in his system of worship, it means god of all things.

According to The New York Times' Mark Leibovich, Brady's faith falls on a more spiritual path since he doesn't believe in a specific god or religious practice. Rather, he has a mix of everything.

Look at all these servants of satan. They certainly are not scared to boldly serve their master and lead people astray in idolizing them, copying them and trying to be just like them. Scripture warns us against this:

1 John 5:21 - Little children, keep yourselves from idols.

Are you chasing them, trying to be like them, buying every book, cd, movie, t-shirt, attending their concerts and games etc. Do they hold a more prominent place in your heart than God. Break down the idols and get them out of your life.

In regards to their eternal destiny, do we just say these people are a hopeless cause? Nothing can be done for them, as well as those who are idolizing them?

Most of America is caught up in selfishness, greed and lust. If we don't pray for their salvation, who will?

L: Katy Perry dressed as Semiramis (who was married to Nimrod and worshipped as the queen of heaven). R: Semiramis, Isis or Astarte (she has many names) is known as the "mother" of heaven – this is who Katy Perry is invoking. The queen or mother of heaven is in our Bibles. **(Jer.7:16-20, 44:25)** Isis was worshipped in Egypt as a goddess. Those in the occult serve the fallen angels and the women they consorted with.

Katy Perry and her friends showing who they serve, the all seeing eye of Lucifer, of freemasonry, of Egypt, the face of the devil and presenting hell and rebellion as a cool thing.

Hollywood grooms these people up in new age. New Age often times uses Christian terms to cloak and disguise the truth. These people say God but they aren't talking about the true God, they are surrounded by people who think the same way they do. Most of these people are born into Luciferian families and have been taught his ways their whole lives.

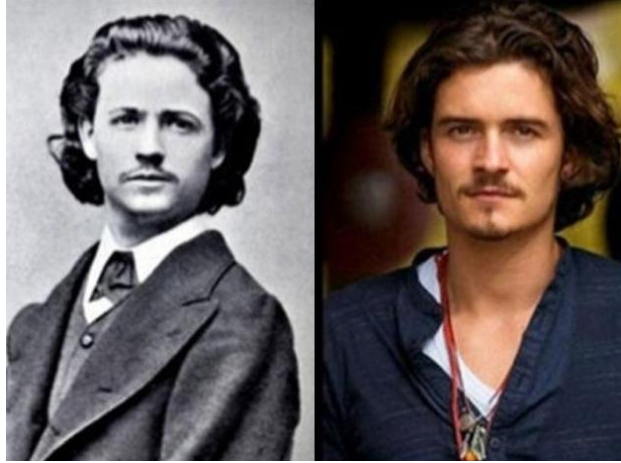

I remember Isaac Kappy, he spoke out about what was really going on in Hollywood with all the sexual abuse of kids and how it is a never ending cycle of depravity because those kids grow up in the industry and when they are older they turn around and abuse children too. But he too was stuck in New Age. I hope that what Fiona Barnett shared with him about Jesus got through to him before they took him out. Look up Pizza Gate and that will help open your eyes about Hollywood and our world leaders and what the luciferians really do.

What about our corrupt government leaders? How about all the rappers, country, rock, pop and contemporary Christian singers? How about atheists and homosexual people? How about all the kids strung out on drugs and throwing their lives away. How about those that want to be famous just like the people they see on tv and hear on the radio? Do we as Christians just throw in the towel on all of these people? NO!! We must pray for their salvation.

Pray for those lost and dying souls in the entertainment world, Hollywood, media, professional sports, radio persona, those in politics and government, founders of mega corporations, those that have been cloned, as well as your friends, family, those you work with and go to school with. Those in the prisons, nursing homes, hospitals, rehab centers, in your communities. Pray for the lost souls in your nation to be saved.

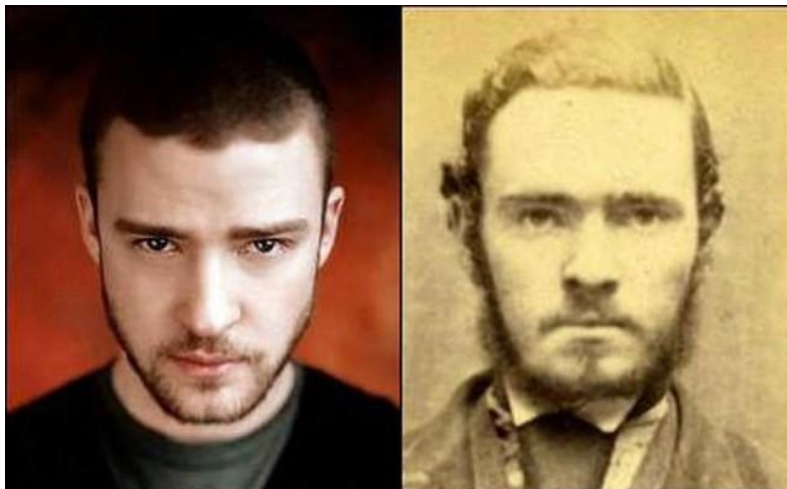

What about people who have been cloned against their will like Donald Marshall? Who are being tortured whenever the illuminati get the urge to do so. Their clones are beaten to death in an arena for sport, experimented on, and many of them have been used for sex in ways you could not imagine. Donald doesn't know Jesus, if he is even still alive at this point. Some people don't even know they've been cloned.

Talking about those that have been cloned. L: Nicolae Grigorescu (died in 1907) and on R: Orlando Bloom.

Nicholas Cage and supposedly an antique image of an unknown man from Bristol, Tennessee, taken from an album during the American Civil War era.

Justin Timberlake and ???

Now we know many of these people have voluntarily let themselves be cloned for fame and fortune, and have even gone on record saying they've made a deal with the devil. Don't dismiss cloning as some far-fetched crazy thing, they have been dabbling in this area for quite some time. If you don't know about cloning, please go and listen to "Cloning and Torturing Exposed" we recently re-released it on all platforms. In 2015 I did a sermon titled Clones – Synthetics – Organic Robotoids. Listen to that one too because God led me to that information first.

This doesn't even mention the actual people being kidnapped by the luciferians and sacrificed at rituals in worship of satan and the fallen angels in order to get more power.

Should we pray for others? There are so many lost people in this world. Does Jesus expect me to pray for them?

Luke 10:27 – And He answering said, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself.

Who is my neighbor? Those that need help, those that are without Jesus. **(Luke 10:25-37)**

Matt.5:44 – But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you;

We are encouraged to pray for our enemies, they certainly aren't saved.

1 Tim. 2:1-4 – I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; For kings, and for all that are in authority; that we may lead a quiet and peaceable life in all Godliness and honesty. For this is good and acceptable in the sight of God our Savior; Who will have all men to be saved, and to come unto the knowledge of the truth.

Yes, we should pray for our wicked government and political leaders. God wants us to pray for the lost unbelievers.

I'm about to pray an example intercessory prayer for salvation. As I go through this prayer I will just use a phony name but you would call out the names of those you know and love and want to see saved. You can pray something like this for the lost:

Dear Heavenly Father, I thank You for my salvation through Jesus Whom You gave as the sacrifice for this whole world. He is my Redeemer. I thank You for the gift of The Holy Spirit Who lives inside of me, He is The Power of God. Father, You and You alone are God. You are Sovereign. I praise You. I bless Your holy name, You are I Am that I Am. I magnify You Father. Only You can do the things I ask in prayer. Lord, please send The Holy Spirit to minister to John Brown in such a way that he will listen and come out of the trap and deception of the devil and ask Jesus to be the Lord of his life. Please help him to understand the good news of the gospel and to feel the conviction that The Holy Spirit brings about sin. I pray that he will bow down before Jesus and seek Him asking for forgiveness for his sins from a sincere heart. Please open his heart, and soften his heart and turn him to Jesus. Whatever You can do that doesn't go against his will, please do it to draw him to salvation. Please reach out to him once more in Your mercy. I also pray that You would water all the seeds that have ever been sown in his life and give the increase. I thank You for hearing and answering this prayer. In Jesus Christ of Nazareth's name I pray.

God does not force anyone to come to Him. The person still has to make that choice even after God draws them by The Holy Spirit. You can stand in the gap and keep praying for them. Don't give up, Pastor Erustus prayed for 25 years for his parents to be saved and finally just a few years ago they came to Jesus and were saved.

Here is another example of an intercessory prayer for the lost:

Dear Heavenly Father, thank You for providing the free gift of salvation through Jesus Christ. He is the only way to You. Father, You are holy and merciful and full of love. I magnify You. You are worthy of all my praise. It is not Your will that any should perish, but that all should come to repentance and have everlasting life. **(John 3:16, 2 Peter 3:9)** Lord, right now I lift up to you my family and friends who are lost and don't know Christ. I lift up my co-workers, my classmates, those in my community, my doctors, ex-boyfriends, ex-girlfriends, ex-husbands, ex-wives. I lift

up the following people if they are redeemable, You know heavenly Father who is redeemable and who is not: all those in government leadership positions and those in politics around this world, those in entertainment, the founders of mega corporations, those who are in Your churches, and all those that have been cloned and are being tortured around this world. I lift up top military leaders, those in secret societies, witches and luciferians – whoever can still be saved. I lift up all the lost and dying souls to You Father. Father, for those that can be redeemed, I ask You by The Holy Spirit to draw them to Jesus Christ because Your Word says no man comes to Jesus unless they are drawn by the Father. And by Your Holy Spirit please open their spiritual eyes and ears and prick their hearts as You reveal to them the state they are in and that they need Jesus for salvation and eternal life. I pray that You will open their hearts to Jesus and all the seeds that have ever been sown in their lives, I pray that You would water them and give the increase. I pray that they would really understand the good news of the gospel and come out of the snare of the devil and ask Jesus to please forgive them of all their sins and to help them to live a righteous life. I thank You Father for hearing this prayer and for having mercy on these souls. I praise You Heavenly Father. I pray and ask it all in Jesus' precious and holy and mighty name I pray.

You can pray something short also:

Dear Heavenly Father I thank You for making salvation available to this world through Christ Jesus. I know Jesus is the only way to You. Thank You for my salvation. I love You Father and I praise You. I know Your will is for all souls to be saved, to come to repentance and have eternal life with You one day in heaven. My heart is heavy Lord for the following people – (you can pause the video and take your time and call their names before The Lord.) Father, please draw them to Jesus by The power of The Holy Spirit for no man comes to You except you draw them and even then they cannot approach You unless they do so through accepting Christ as their Savior. Please soften their hearts and open their hearts to Jesus and open their blinded eyes and deafened ears. Please reach out to them one more time. I pray that they would all be with me one day in heaven. I thank You for hearing this prayer and for what You will do in drawing them to Jesus. I magnify You Father. You are everything to me. I ask and pray all these things in Your Beloved and only begotten Son's name, in Jesus' name I pray.

CLOSING

Pray as The Holy Spirit leads you.

You can pray a blanket statement prayer for all those in the world who don't know Jesus to be saved. You can pray for your nation. I do those kind of prayers and I usually say that I am praying for whoever can be redeemed because not everyone can, but God knows.

You can also fast and pray in intercession for someone's salvation. When you see your loved ones, friends and people you want to see in heaven one day, don't fail to keep sharing the gospel and God's Word with them as you can. Pray for God to water those seeds and give the increase.
