

SPIRITUAL WARFARE Pt.6: FALSE TEACHERS, NEW AGE, MANIFESTING, LAW of ATTRACTION, SPEAKING it into EXISTENCE

I am continuing to break down the false teaching that we listened to last week on speaking decrees. When you examine those type of teachings you begin to realize you have just run right into New Age lies. I didn't really touch on manifesting and speaking things into existence last week. I will bring that out today so you can see these false teachings for what they are. It is all based on the lie that satan wants people to believe, that they are gods.

The false teacher from last week made his case that we can do all this decreeing based on being kings and priests unto God. Even though Scripture tells us we are kings and priests, he is not teaching that correctly because he has a different agenda. These false teachers are teaching New Age and this is one way they are bringing it into the churches, cloaked as Christianity. New Age teaches to make vision boards and put pictures of what you want on that board and by doing that it will manifest in your life. They teach you to journal and write what you want as if you already have it and are living it and draw it to yourself that way. New Age also teaches you to speak what you want and you will get it. This is all part of what they call "the law of attraction" or manifesting. One term it goes by in the church is "name it and claim it" and as we have been learning, it is also disguised as decreeing or speaking it forth into your life.

5 Secrets to Speak Things Into Existence and Manifest

Once you learn the secrets to speaking things into existence to manifest anything you want, you will realize that your words are a powerful tool that begins the manifestation process and bring good things into your life.

5 Secrets to Speak Things into Existence and Manifest By Giselle Baومت June 14, 2023. Once you learn the secrets to speaking things into existence to manifest anything you want, you will realize that your words are a powerful tool that begins the manifestation process and bring good things into your life. This was from a New Age website that had a statement about the alchemy of success.

Speaking it into existence is also called manifesting in New Age. Many apostate churches have now brought this New Age teaching right into the churches. They are now teaching that you have the power to speak what you want into existence or speak what you want and it is done. Because this is against God's Word, if it does manifest or come forth, then it is by satan's hand.

As I have always taught, God is the only One Who can speak things into existence, not us. **(Genesis chapter 1, Romans 4:17)** Jesus spoke this world into existence. Even though He has given us power and authority in His name, we cannot speak things into existence.

The false teacher said that he and some others spent 2 ½ hours speaking forth things for this year. We don't read anything like that in Scripture, God never had His prophets doing this non-sense. The Apostles did not go around making decrees and believing they were speaking things into existence. That false teacher is serving on satan's altar and deceiving as many as he can. Those that sow into his false ministry are not sowing for God's glory.

So called christians are now walking around trying to decree all sorts of things, superficial things, carnal things. This is not in line with God's Word. As I had shared previously, The Holy Spirit showed me that these kind of false teachings are out to destroy any relationship with God that the person may have had before falling for these false teachings. Just decreeing what you want will cut off your prayer life and weaken your walk with God. You will become a weak compromised Christian. These teachings are designed to lead you away from God. You will be defeated spiritually when you believe and practice these false teachings.

If we were ever to decree or declare anything, we only do so as led by The Holy Spirit. I talked about this some years back with Pastor Erustus and he said it is not very often he is led to decree something. He is a true man of God, a minister of God's, let that sink in. Not very often has he ever decreed anything nor have I.

Our power and authority comes from Christ.

Luke 10:19 – Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

satan is referred to as that old serpent, he used a snake to speak to Eve. Serpents and scorpions represent him and his kingdom. He's under our feet. However, we must grow in the faith to understand how and when to use our power and authority. We share in Jesus' throne, in His kingship because we are granted the right to His name. We don't do anything that we do as Christians in our own name but always in Jesus' name. We are not doing anything in our own strength, but always we are empowered by Christ, by His Spirit in us.

We are priests in the sense that the curtain in the Temple that separated the holy of holies, where God's presence was, it was torn when Christ was crucified and that symbolized that now everyone who comes to Christ can now come before

God's throne in prayer without having to seek out a high priest. We have that right, through Christ Who is our heavenly High Priest.

What did Christ have His disciples doing? They were spreading the gospel, calling people to repent, they were praying for the sick to be healed, they were casting demons out. They were not walking around making decrees. And last week we saw that God's ministers, when they made decrees or said things that would happen, they were always pronouncing God's judgement.

Rev.1:5-6 - And from Jesus Christ, *Who is The Faithful Witness, and The First Begotten of the dead, and The Prince of the kings of the earth.* Unto Him that loved us, and washed us from our sins in His own blood, And hath made us kings and priests unto God and His Father; to Him *be* glory and dominion for ever and ever.

Collectively the Bible says we are a royal priesthood. **(1 Peter 2:9)** All of this is only because of Christ, we are promoted to this status because He is our King and High Priest. We are to be vessels fit for the Master's use. We are to study God's Word and spread the gospel and be a light in this world for Christ. Not go around making decrees as if God is going to back that up. Because we cannot make anything happen just because we speak words. Those that are manifesting things like cars, money, spouses, jobs etc. Those things are being fulfilled by satan's kingdom because they have believed the lie – "ye are gods." The spirit realm watches us to see if we know God's Word or not. If all it takes is for satan to give you a few things to get you believing you have all this power, he will. If it only takes him getting you a job or a car or a diamond ring to get you away from Jesus – he will. But there will come a day when you will pay the piper.

He talked about breaking demonic decrees that have been spoken over your life. He teaches that you can just say that you break them and it is done. What garbage. He did not even use Jesus' name. If you are a Christian and you do what he teaches, you will get weaker and weaker in your Christian walk and you can get pretty messed up because of not knowing God's Word and following false teaching like this. The best spiritual warfare you can do is truly be saved and filled by the Holy Spirit, live a righteous life and stay covered in the blood of Jesus. I would encourage you to break off generational curses once you are saved and the link to that teaching is in the info. box and on my sermon notes.

He said after he supposedly broke all the demonic decrees that he released the decree of The Lord. He said sometimes God will give you a decree. If God were going to give a decree He would give it to His ministers who have more spiritual authority. You cannot decree anything over your city, region or territory. This type of spiritual warfare is reserved for God's ministers. And further more we are not making decrees but rather fighting against satan's kingdom as led by The Holy Spirit when we warfare over cities, regions or territories.

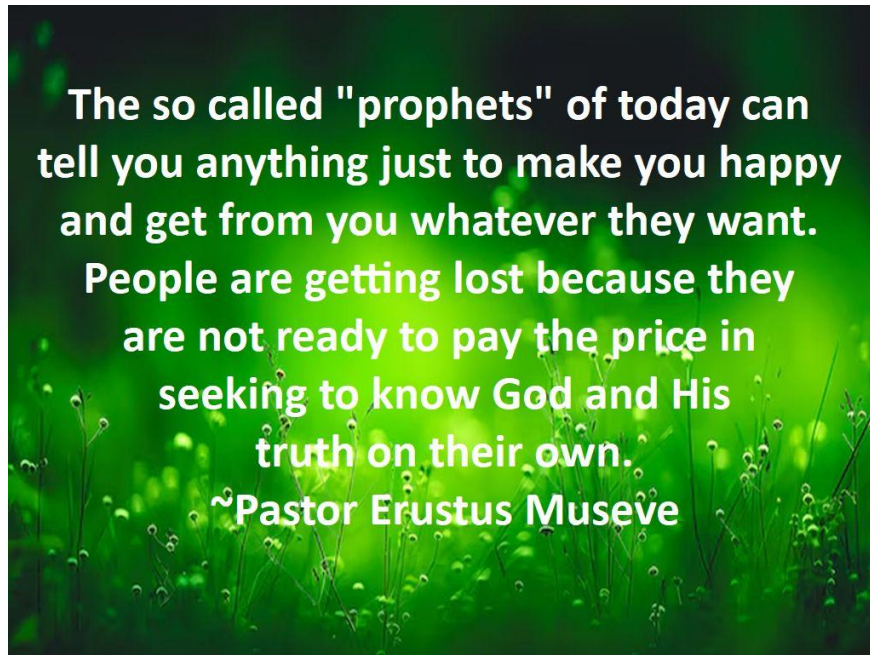

He even said he got all this stuff from "The Word of Faith Movement". That is the prosperity gospel, also called name it and claim it. These are all false teachings. These kind of teachings will appeal to those who are greedy, selfish and prideful just like satan.

He went into a whole tirade of decrees over those listening to the video. He is calling himself an apostle and trying to act as if he is also a prophet. He is a false teacher who has self promoted himself as these things.

He said I decree 2 Cor.9:8 that all grace would abound toward you. You know how to get all of God's grace to abound toward you? Live an obedient righteous life. You can't just decree it and believe that's all you have to do. That's what this nonsense is accomplishing in the people that listen to this kind of stuff and believe it. They are lost and undone without knowledge of God and His Word.

He said he decreed God's Word over those who were listening to his false teaching. That will not accomplish a thing. Sounds good but means nothing spiritually. You have to be doers of God's Word and not hearers only. **(James 1:22-25)**

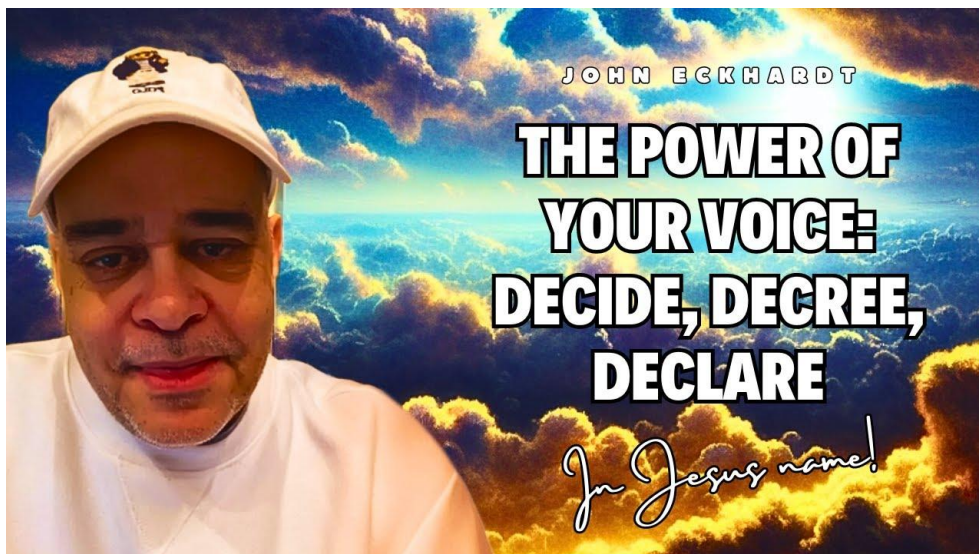

He said you are to have faith in your voice. If you are truly filled with The Holy Spirit, and you feed on God's Word you can listen carefully to what he's saying and you can pick up on the non-sense of it all. Seek more of God's knowledge and wisdom by reading His Word and praying and ask The Holy Spirit to help you to test the spirits. If you don't know God's Word then you will not be able to test the spirits. You are not going to grow, you will not know God's voice, you will not get stronger spiritually if you do not feed on God's Word daily and continually.

The so called “prophets” of today can tell you anything just to make you happy and get from you whatever they want. People are getting lost because they are not ready to pay the price in seeking to know God and His truth on their own. – Pastor Erustus Museve

FALSE TEACHER JOHN ECKHARDT

I want to show you some of his freemasonic / illuminati / satanic symbolism and coding.

This was the false teaching we listened to last week. The Power of Your Voice: Decide, Decree, Declare. Notice someone edited and added in Jesus' name but he rarely even said Jesus' name.

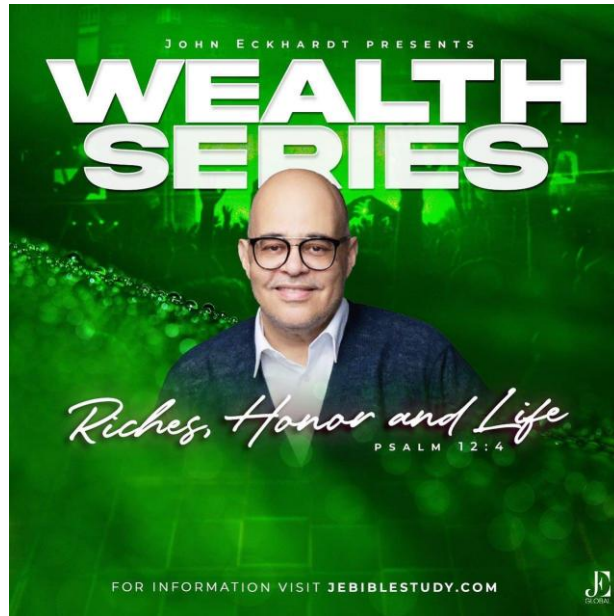

Some of the example decrees he used were that you can decree about your health, your finances, your business, your ministry etc. You know the Word of God does not teach us to just declare these things, but to pray to God and wait on The Lord.

1 Peter 5:7 – Casting all your care upon Him; for He careth for you.

We are supposed to pray to God about everything. We are to give all our worries to Him, ask Him for our needs, whatever change we want to come about etc. we go to God with it all. If you just go around making decrees and believe that's all you need to do as a Christian, then where is your prayer life? Where is the asking in Jesus name so that you will receive if it is in line with God's will for your life? Where is the waiting on the Lord as we are told to do in Scripture? Going around making decrees is cutting God out of your life and weakening your Christian life and opening you up for spiritual attacks.

2 Tim.4:3-4 - For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; And they shall turn away *their* ears from the truth, and shall be turned unto fables.

Everything that false teacher spoke over those listening to his teaching was wealth and prosperity. Money...money...money – show me the money because that is what he's peddling to those that believe him. He's peddling the belief that they can walk around and say that they will be rich and God will back that up and make it happen. What a deceitful teaching.

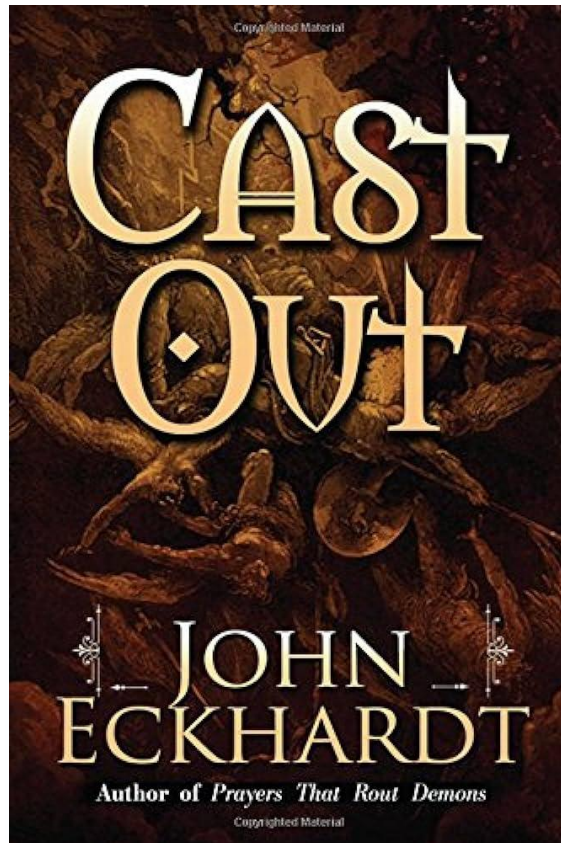

John Eckhardt – Wealth Series: Riches, honor and life. Not sure why Psalm 12:4 is referenced there because that passage is not about the godly. But it does seem to fit with what he is accomplishing for satan’s kingdom.

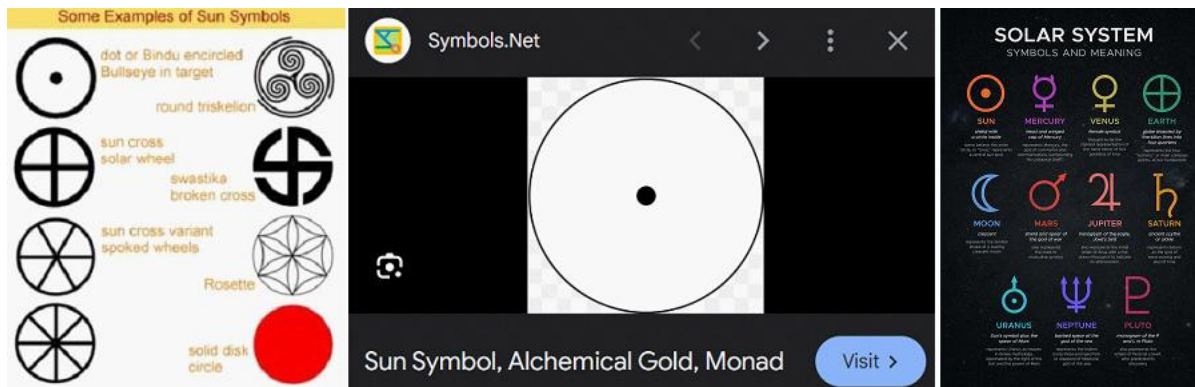

Psalm 12:4 – Who have said, with our tongue will we prevail; our lips are our own: who is lord over us?

This is the ungodly talking, the unrighteous person, yet if you apply it to what he teaches, to use your voice and speak what you want it seems to fit and to fit the attitude of those who believe they are their own gods – that they do not have a God ruling over them.

The Bible talks about us having an abundant life and a prosperous life but that does not mean God is going to make us rich with money. Today we have wrong definitions and understanding of many Biblical terms.

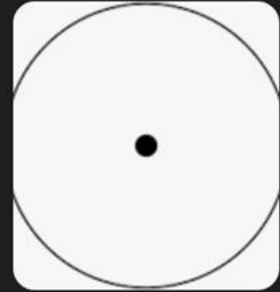

Notice the O with the dot in the middle of it.

Some examples of Sun symbols: Top L: dot or bindu encircled bullseye in target. In Middle: Sun symbol, alchemical gold, monad R: from NASA – Solar System symbols and meaning: Sun – shield with a circle inside – some believe this inner circle or “boss,” represents a central sun spot.

As originally conceived by the Pythagoreans, the Monad is the Supreme Being, divinity or the totality of all things.

[Monad \(philosophy\) - Wikipedia](#)

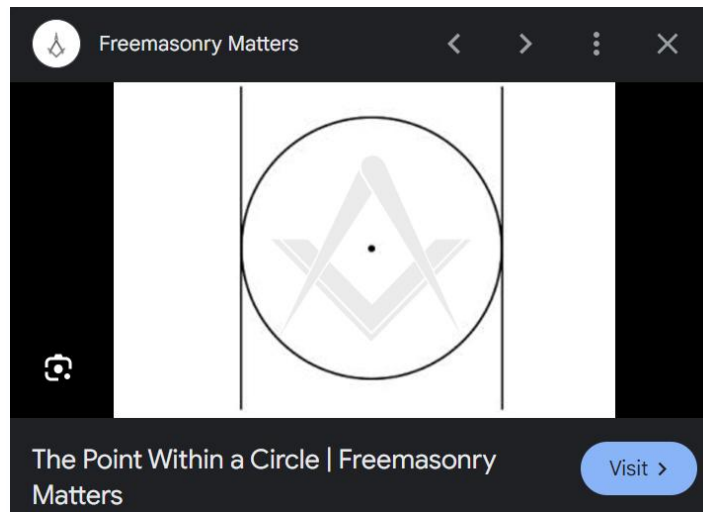

As originally conceived by the Pythagoreans, the Monad is the Supreme Being, divinity or the totality of all things. This is philosophy as Pythagoras did not believe in Jesus. The god of the freemasons is not Jesus and this Supreme Being they speak of here is not Jesus either but rather satan. The same god referenced on our money, how appropriate for satan to be referenced on our money as money runs this world and satan is the god of this world. We learned years ago from Gail Riplinger that Pythagoras taught his followers to identify themselves by 666. So with the cover of his book, John Eckhardt has identified himself as a follower of Pythagoras and that means he is in agreement with the 666 symbolism that Pythagoras taught. This is a round about way of saying the same thing as 666.

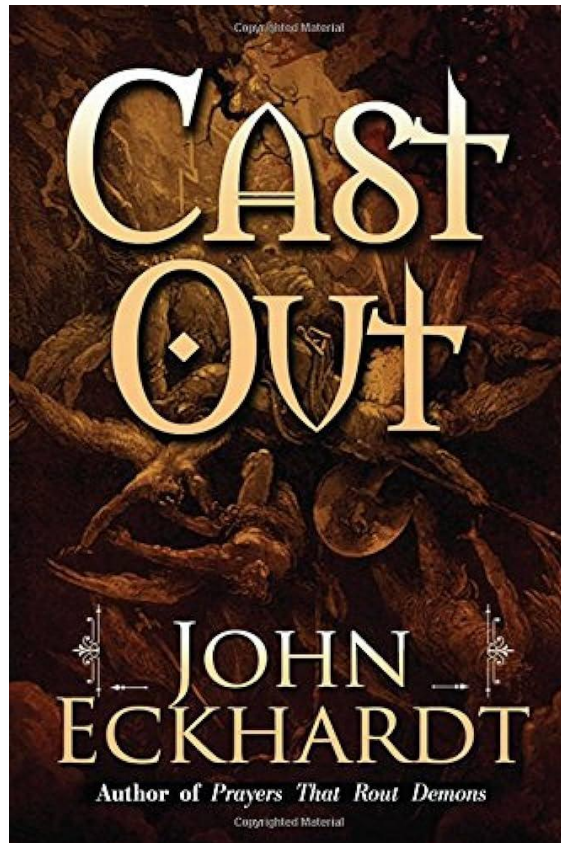

The Midnight Freemasons – The Circumpunct – now we see this symbol in freemasonry and we are not surprised. They worship satan, the sun god, only lower level ones have no clue about that.

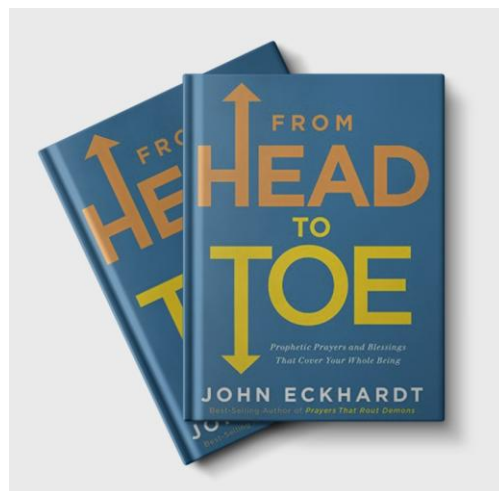

Southern California Research Lodge – Fraternal Review – The point within the circle – How complex is this Masonic symbol? Freemasonry. Freemasons at top levels who know the truth behind their double speak know the real meaning of all that is packed into this symbol. Since they are a sexually perverse, sodomite society, there is sexual symbolism with the point in the circle as well in honor of their god, the god of this world.

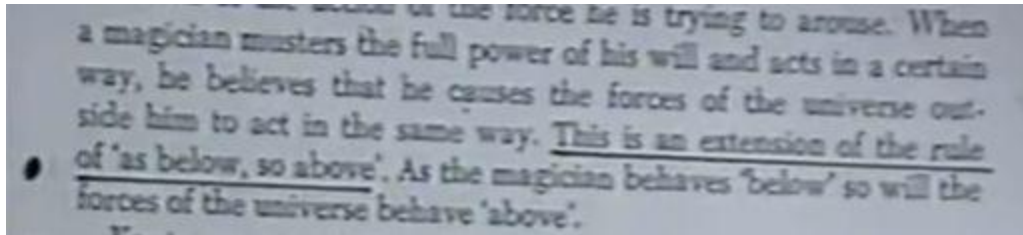

The Point within a circle – Freemasonry Matters

John is speaking to the freemasonic brotherhood here saying “I’m one of you” and he is reverencing his god, the sun god who is satan. The freemasons code everything they do.

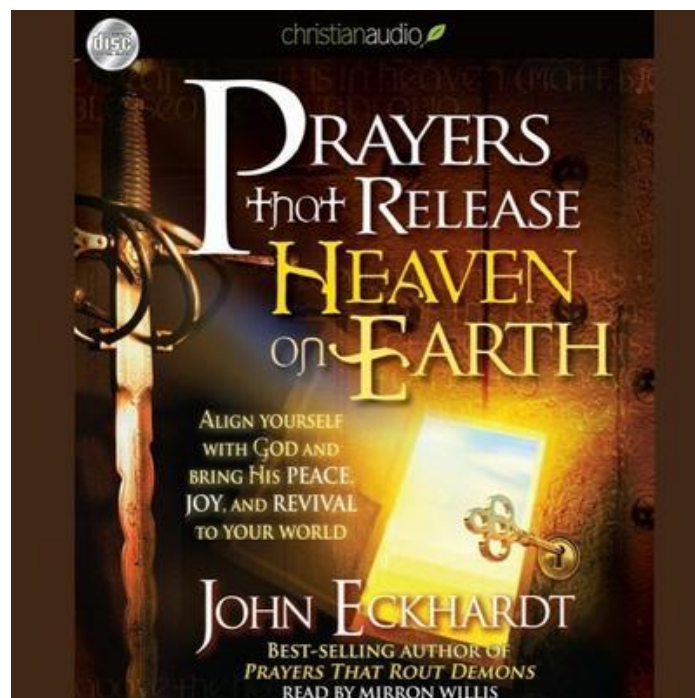

The “H” and the “T” are our clues here, the as above so below from the occult, that’s what is being said here without saying a word. The as above so below is the sign that the baphomet makes, whom is the god of the occult and all freemasons.

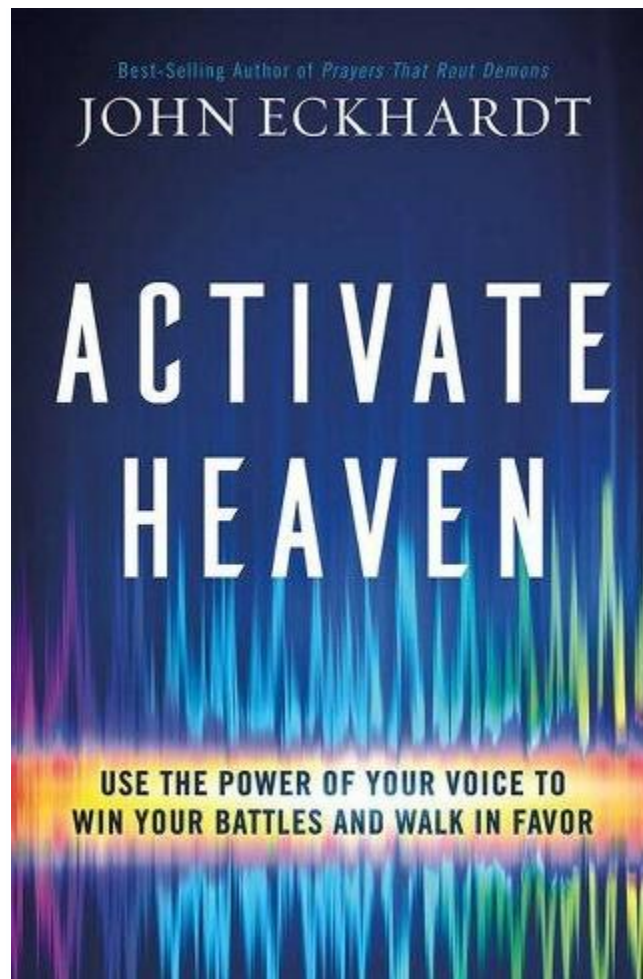

When a magician masters the full power of his will and acts in a certain way, he believes that he causes the forces of the universe outside him to act in the same way. This is an extension of the rule of 'as below, so above'. As the magician behaves 'below' so will the forces of the universe behave 'above'. This is from a witchcraft book titled *The Lesser Banishing Ritual of the Pentagram* by Mike Benjamin. This quote was from Richard Cavendish who has written many books on witchcraft and the occult.

We know that we don't cause God to act like we do and cannot manipulate Him at all. So this as above so below or as below so above is in regards to those that serve the kingdom of darkness. They are always trying to control the demons and harness more of their power in their lives.

Prayers that release Heaven on earth. Heaven on earth is New Age occult speak. We don't draw heaven down to this earth. That is a picture of "as above so

below” which the occult thrive on. They are hiding symbolism in the letters too, the biggest things that stands out is the Masonic cross t’s.

Activate Heaven – Use the power of your voice to win your battles and walk in favor. They like to use words like activate, unleash or awaken in regards to God working in your life. We don’t unleash God as if we have the power to make Him do anything, He is Sovereign. We don’t awaken His power, The Holy Spirit in us never sleeps – He’s not on vacation. We don’t activate The Holy Spirit, He is the gift giver and He teaches us how to use the gifts He gives us. He is first of all working to grow us up in the faith, teaching us and guiding us to live righteous lives. If we are not growing in the faith and not being obedient then we won’t see The Holy Spirit manifesting His gifts in our lives because we are not ready.

CLOSING

These false teachers are saying anything that comes into their minds and that sounds pleasing to the ears. As God's children we should be striving to live obedient righteous lives and turn to God in prayer always. When you make decrees or declarations which false teachers call prayers, then you cut God out of the equation.

In regards to breaking demonic assignments against your life or anything demons have or are doing against your life, you need to be saved, filled and sealed with The Holy Spirit. Break off generational curses and close the door on sin in your life. Pastor Erustus has always advised me in times of spiritual attack to let God work and fight on my behalf. He knows how to fight best for you, He knows the enemies.
