

SPIRITUAL WARFARE Pt. 9: CLEANSING YOUR HOUSE, DEMONIC ATTACHMENTS, DEMONIC ITEMS, DEMONIC MUSIC

Last week I was teaching on cleaning out your homes of things that will draw demons. Things that don't please God. The things I'm talking about are directly linked to the kingdom of darkness and open a door in your life for demons to come in and tear you down.

I talked about looking at your artwork hanging on your walls.

I went to Baja once and bought something like this because I thought it was pretty and colorful. I even bought a small one and gave it to my mom.

Yes, **the sun and moon in Mexican art often represent deities:**

The sun

In Mexican folk art, the sun symbolizes power, strength, and firmness. In different cultures, the sun can also represent life, light, and energy. For the Mayan, Incan, and Aztec people, the sun was also used to represent ancestral gods. Some examples of Aztec sun gods include:

- Tonatiuh: The central Mexican sun god, often depicted as a young warrior with a rayed disk. During the Spanish Conquest, the Aztecs called Spanish explorer Pedro de Alvarado "Tonatiuh" because of his red beard and aggressive nature.
- Yohualtonatiuh: The night sun god.
- Huitzilopochtli: The solar and war deity of sacrifice, and the patron god of Tenochtitlan, the Aztec capital city.

The moon

In Mexican folk art, the moon symbolizes beauty, calmness, and nurturing. For the Aztecs, the moon represented their foremost deity, Quetzalcoatl, the feathered or stone serpent-god of night. The Aztecs also had a moon goddess and warrior named Coyolxauhqui. ^

I had that thing for many years until The Holy Spirit started prompting me to look at what was in our house and to know the meaning of the things we owned. So this was another idol in my house.

Exodus 20:4-5 - Thou shalt not make unto thee any graven image, or any likeness *of any thing* that *is* in heaven above, or that *is* in the earth beneath, or that *is* in the water under the earth: Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God *am* a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth *generation* of them that hate Me;

The people that made these images, serve false gods, the fallen angels. This pretty artwork was linked directly to satan who is a sun god as well as to a serpent deity which also represents satan. I had no business having this thing in my home. I am supposed to hate the things that God hates so that we walk in agreement together. If I learn the truth and say oh well it's pretty, I'm keeping it, that shows my lack of obedience, love and reverence toward God and keeps that door open to satan's kingdom.

Deut.4:19 - And lest thou lift up thine eyes unto heaven, and when thou seest the sun, and the moon, and the stars, *even* all the host of heaven, shouldest be driven to worship them, and serve them, which the LORD thy God hath divided unto all nations under the whole heaven.

Even though I did not worship sun and moon gods, which are fallen angels, just being in possession of this idol was a link for demons to enter my life and home. God warned us in His word not to do what the heathen nations did and not to have idols. You cannot justify owning anything like this before God. I thought it was pretty, but there is spiritual meaning attached to it. Once I learned the truth, I had to destroy it and get rid of it.

MUSIC

Music is another thing that opens doors and draws demons in. I gathered up all of our country music and rock-n-roll. I even gathered up our "Christian" contemporary music, it isn't written to God or about God. I got rid of all of it.

This is John Todd, I want you to listen to his own words about the witchcraft that is done to the music. He was born John Collins, he was born into one of the 13 illuminati bloodline families. He was born into witchcraft and was always a witch until God got his attention and he was born again. He was high up on the luciferic ladder, before being saved he was on the council of 13 directly under The Rothschild's. Once he was saved he began to go around to the churches and share what he knew. Let's listen to what he shared about how wicked all of today's music is:

*Please play from 51:40 to 56:14 and from 3:06:18 to 3:12:50 – John Todd a former witch and council 13 member is going to share how witches use music and about witchcraft being done over the music. They do rituals to draw demons into the music and demons go out with every copy sold. He talks about Mick Jagger, when he was in jail saying he sold his soul to the devil so that The Stones could become the leading rock group in the nation plus get out of prison. They are the leading group in the nation. Jagger has written songs praising the devil. He got his songs from the devil because the devil always finks on himself. The illuminati don't have a country, they will pit countries against each other. They have an agenda. That's the way satan is, he has every church except the church that is under the blood of Jesus. He met many rock musicians. Most of them were on drugs. The group "Blood Rock" got the words to their song DOA while they were on acid. A familiar spirit of a girl they knew that had died came and gave them the notes to the music and the lyrics. They get their music from spirit guides or while

on drugs. (both are demons) When witches write a book, they cast a spell over the book so that it will sell. They order a demon to go into every copy that comes off the press. So when you own a book on witchcraft, you have a demon residing in your home free of charge. The musicians who do the music who are in witchcraft do the same thing to the music. So he said when you have an album in your home you better ask yourself if the musician was a witch – meaning the devil has a pact in your home through that album. There is more to it than music and books. It is spiritual. Every Christian should memorize Ephesians 6:12. The devil has thousands and thousands of years of experience and unless we think with the mind of Christ, he's gonna walk all over us. / The Charismatic Movement (to those on the outside) is a movement that declares the speaking in tongues. It is separate from the Pentecostal Churches. Most Pentecostal churches oppose it. It was one of 3 steps declared back in 1964 – they were working to destroy the fundamental church of any type. The Masons was one. The charismatic church was another. Political maneuvers was the third. Another thing it does it unites the mythic churches. The Episcopalians, presbyterians, catholics, mormons, Lutherans, Methodist – it brought all of these together. He was on the Council of 13 and paid out too many millions of dollars to this movement to believe it is of God and knows most of its leaders on a first name basis.

The Charismatic Movement established Jesus Rock. He delivered a 4 million dollar check (this was the second 4 million dollar check) to Chuck Smith and he knew it was illuminati money and this money was to build Maranatha Industries and Productions (they do movies and music) which **started Jesus Rock**. When the Christian church was preaching **against rock music** and throwing it out of the churches, the illuminati and the occult world got scared. If the church got the rock music out, he stated it would be the biggest mass revival of souls in the U.S. that this world has ever seen. The purpose of rock music is to see that, that never takes place. They built "Jesus Rock" and you can take some of the pop Jesus Rock songs and play the same rock songs over here and it is the very same tune with new words stuck in it.

KEY – witches know: The sign of the devil's music is not the words it is the music, the power is in the music. The sign of Christian music is not the music it's the words. He mentioned the Gaither's as being a good group. He said because of being in the occult he knows there is power in the music.

He led Zodiac Productions which is the conglomerate that owns almost all of the rock booking agencies and production of concerts in the U.S. Almost 95% of the groups you hear in concert belong by contract to Zodiac Productions. Most of the friends that he has that are still in the world are friends he met in the rock industry of people whose albums you buy today. The illuminati doesn't produce rock music to entertain you or to make money. They don't need that money, they own everything anyway. They do it to put demonic influence into your life. The music is a spell and every witch knows it. That is why when someone is saved out of the occult the Pastor says to burn everything they have that has to do with the occult. They will automatically bring in their rock music to burn it without being told. They were in witchcraft, they know what rock music is. Parents don't pray for the kid to throw out the rock music. It belongs to you. You are the head of the house. Every thing in that house belongs to you. You will answer for it. You can count the number of demons (or at least a minimum number) in your home by how many rock albums your kid has in the home. (or you)*(about 11.5 min's)

*Please play from 2:06:28 to 2:08:18 – John Todd shares more about witchcraft in all music and in the music industry.

Tom T. Hall was the leader of the witchcraft in country music. In Rock music you had to be an initiated witch – a coven member, a minister. In the 70's you had to be an initiated witch to be on tv. Must bear the scar of initiation into witchcraft. If not, you would not be on tv. All new shows, you can just know that they all belong to a witchcraft or satanist brotherhood or they wouldn't be there. They will eventually weed out the older ones who were there some other way. You have always had to do something to be in the entertainment industry. You are not on television or movies because you are good, you are there because you paid a price, whatever the producer wanted from you. Now it is witchcraft. In the early 70's and late 60's it was homosexuality. Before that it was the producer's couch and so on.* (about 2 min's)

If you can imagine, John was sharing the information he knew from the 70's. Today, I have no doubt that all those in movies, tv, music, radio and professional sports are witches. They have all taken initiations, paid a price and bowed to

satan to be lifted up into the positions they are in. They are serving his agenda. They are demonically talented.

This is one of the songs The Stones made in honor of satan – Sympathy for the devil is a song all about the devil. What John said about how these musicians and singers get their songs and music matches what I shared in the sermon on Drugs part 1 from Santana. They do drugs and that is an open door for demons and demons are active in their lives on the inside and the outside and that’s where they get their music.

Regarding country music, at that time he said there was a sprinkling of witchcraft throughout country music. Cathy O’Brien shared in her testimony that the government uses the country music industry as one arm to smuggle drugs in and out of Nashville. There is nothing godly about country music, it doesn’t get a pass.

L: Calvary Chapel's Chuck Smith who John Todd personally gave 2 separate illuminati checks of \$ 4,000,000 each. This was not a Christian man. He was on the illuminati payroll. He is pictured here with Greg Laurie, another false pastor currently in California and on tv.

This movie, Jesus Revolution was supposed to be based on Chuck Smith and Greg Laurie in real life and it was, but the problem is that the truth about who they are and the deception they have been involved in was not told to the world. They can go a long way with their deception when they say based on a true story, the

problem is you don't know the real truth and how much of what they are showing you is true. This deceptive movie made 50,000,000 million dollars. The movement they were in was to destroy God's true churches and keep people from getting saved. They have come a long way today doing that very thing. "Jesus Rock" is in most churches now. You know it as contemporary Christian music.

I also believe today, 50 years after John shared what he knew, that the satanic power is not only in the music, but also in the lyrics. They are writing more openly now, showing their hand more and more. Christian contemporary many times is cloaked with just saying god or lord and the witches know it is about their god and lord – satan. And even if the lyrics say Jesus, they know the truth about who wrote it and that it is not in honor of Jesus. Remember the luciferians also call satan – Jesus. They try to say that satan and Jesus are the same being and when they speak of lucifer, they praise him as if he is a good and great god.

I did a sermon series entitled "satan's Music in the Church." If you are listening to today's so called Christian music, I encourage you to go to our church website and listen to that sermon series. Where is the Christian discernment about ungodly music? As christians, why have we thought for so long it is ok to listen to country or rock or rap and now to Christian contemporary music? It isn't pleasing to God and now we know there is witchcraft on the music, spells and rituals done over it, and it is written by the influence of demons. That's never gonna honor God or be ok for us as His children.

This next passage of Scripture directed at the King of Tyre seems to be about satan spiritually.

Ezekiel 28:13-14 - Thou hast been in Eden the garden of God; every precious stone *was* thy covering, the sardius, topaz, and the diamond, the beryl, the onyx, and the jasper, the sapphire, the emerald, and the carbuncle, and gold: the workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created. Thou *art* the anointed cherub that covereth; and I have set thee *so*: thou wast upon the holy mountain of God; thou hast walked up and down in the midst of the stones of fire.

satan was beautiful when he was a heavenly being and there is mention here of tabrets, that is like tambourines - a musical instrument. Pipes could be referring

to something like our wind pipe or vocal cords although satan was a spiritual being, an angel.

Another dual passage about the King of Babylon but also about lucifer mentions music as well:

Isaiah 14:11-12 – Thy pomp is brought down to the grave, and the noise of thy viols: the worm is spread under thee, and the worms cover thee. How art thou fallen from heaven, O lucifer, son of the morning! How art thou cut down to the ground which didst weaken the nations!

King James says viols but other translations say harps. So we can see this direct connection to satan and music. satan moves powerfully through music.

Let's read about a time after King Saul had sinned against God and was out of favor with Him. God had removed His Holy Spirit from King Saul.

1 Samuel 16:14-23 - But the Spirit of the LORD departed from Saul, and an evil spirit from the LORD troubled him. And Saul's servants said unto him, Behold now, an evil spirit from God troubleth thee. Let our lord now command thy servants, *which are* before thee, to seek out a man, *who is* a cunning player on an harp: and it shall come to pass, when the evil spirit from God is upon thee, that he shall play with his hand, and thou shalt be well. And Saul said unto his servants, Provide me now a man that can play well, and bring *him* to me. Then answered one of the servants, and said, Behold, I have seen a son of Jesse the Bethlehemite, *that is* cunning in playing, and a mighty valiant man, and a man of war, and prudent in matters, and a comely person, and the LORD *is* with him. Wherefore Saul sent messengers unto Jesse, and said, Send me David thy son, *which is* with the sheep. And Jesse took an ass *laden* with bread, and a bottle of wine, and a kid, and sent *them* by David his son unto Saul. And David came to Saul, and stood before him: and he loved him greatly; and he became his armourbearer. And Saul sent to Jesse, saying, Let David, I pray thee, stand before me; for he hath found favour in my sight. And it came to pass, when the *evil* spirit from God was upon Saul, that David took an harp, and played with his hand: so Saul was refreshed, and was well, and the evil spirit departed from him.

King David playing beautiful music on a harp drove the evil spirit away. If clean, wholesome righteous music can drive evil spirits away, then we must assume the

exact opposite in regards to evil, wicked music. When music is dedicated on satan's altar and is written and inspired by evil spirits then it will draw evil spirits to it. Remember John Todd said that they do the same thing with the music that they do with books and that is to take every master cut of a record album and do spells and rituals over it and demons go out with the music that is sold. This is all witchcraft. As he said, to get demonic influence into your life. The goal is to tear your life down.

CLOSING

The kind of things I've been talking about last week and again this week are things that have had witchcraft done on them, they are made in honor of the fallen angels, because you own them, there is a legal right for satan and his demons to come into your life, into your home and harass, tear down, cause all sorts of pain, trouble and chaos and ultimately kill you if they can.

You have to close the door, break the connection, destroy the attachment by breaking, burning, destroying – throwing the items out in the trash. Then ask God's forgiveness, let Him know you now understand what those things were and how they were sin against Him. Let Him know you now understand that the item was allowing satan and his demons to tear your life down. Ask Him to cleanse your life from any demonic activity in your life and home because of the item. Then plead the blood of Jesus over yourself and all that pertains to you.
