

SPIRITUAL WARFARE Pt.10: CLEANSING YOUR HOUSE, DEMONIC ATTACHMENTS, DEMONIC TOYS, DISNEY

TOYS

This is a huge category, it's going to take a few weeks just to cover it. The enemy has really been working to get open doors in our children's lives. Do not take this lightly. Your child can have nightmares, act out and be rebellious, mean and hateful, moody, can be afflicted and tormented in many ways because of demonic toys in their lives. Owning a demonic toy is having an agreement or pact with satan in their life, in your life and home.

Take inventory of your children's toys with your spiritual eyes.

We had decorated Kennedy's room with the Disney fairy theme. We had this stuff all over her room. We had big wall stickers of these fairies all over her room and she had a big Tinker Bell comforter. Notice the name for satan, bell is even in Tinker Bell's name, very telling.

noun

fae

*plural: **fairies** or*

- 1 (in folklore) one of a class of supernatural beings, generally conceived as having a diminutive human form and possessing magical powers with which they intervene in human affairs.

Synonyms: [leprechaun](#), [pixie](#)

Noun – one of a class of supernatural beings, generally conceived as having a diminutive human form and possessing magical powers with which they intervene inhuman affairs. Synonyms: leprechaun, pixie

The definition says fairies are supernatural beings. Supernatural beings that are not God The Father, The Son or The Holy Spirit and are not the holy angels means they are evil. Because outside of The Godhead and the holy angels all other spirit beings are wicked. So fairies are evil spirits or that is they are demons, probably a lower level demon but a demon non-the-less. The definition said they have magical powers and that means witchcraft powers. We have been so deceived we think fairytales are fun and harmless and we are decorating our children's rooms with this stuff. satan knows how to market evil to us, dress it up and make it look desirable, innocent and cute and we bring it right into our homes. Get rid of all fairy stuff. I had a few big keepsake type of fairytale books, I got rid of them too.

Troll dolls. These look cute and harmless – right?

The image shows two screenshots of the Merriam-Webster website. The top screenshot shows the definition of 'troll' as a noun (1): 'a dwarf or giant in Scandinavian folklore inhabiting caves or hills'. The bottom screenshot shows a list of synonyms for 'troll', including brownie, faerie, fay, gremlin, leprechaun, and puck, as well as dwarf, faery, gnome, hobgoblin, pixie, and sprite.

Synonyms: brownie, faerie, fay, gremlin, leprechaun, puck, dwarf, faery, gnome, hobgoblin, pixie, sprite, elf, fairy, goblin, kobold and pixy.

In the list of synonyms for a troll it listed fairies which we just learned were demons, in fact, all of these are demons. There are different amounts of power, different levels and different ranks of demons. Get rid of all Shrek stuff, an ogre is a demon also.

The elf on the shelf, a Christmas tradition. God really used this satanic elf to get my attention one year back when we still celebrated Christmas. We were getting ready to hide it and start telling Kennedy it was watching her and reporting to Santa Clause. Look at all the lies and witchcraft tied up in this wickedness. Kennedy said when we told her the story that goes along with this thing that it scared her and she didn't like having it around.

Elf – a supernatural creature of folk tales, typically represented as a small, elusive figure in human form with pointed ears, magical powers, and a capricious nature.

Similar: pixie, fairy, sprite, imp, brownie, dwarf, gnome, goblin

Notice again when the use of the word folk tale or fairy tale is used people think it is just make believe and not real. That's a way to dismiss the spiritual truth of the whole thing. These things are real and they are demons. See again, magic is associated with elves just as with fairies – that is witchcraft which is against God. They have a capricious nature which means sudden or unaccounted for mood swings. Nice one minute and mean the next. Elf's are demons and there is nothing good about them. Get rid of all elf toys and elf on the shelf stuff.

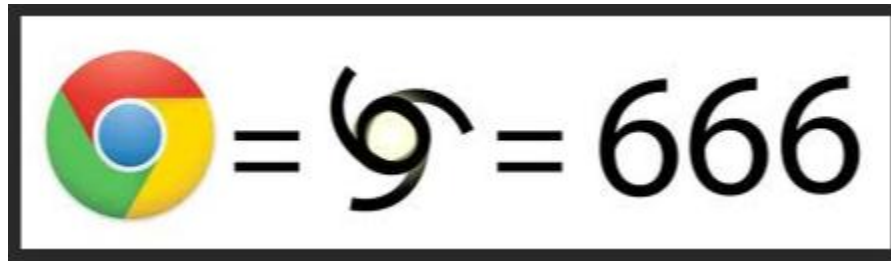

I have to talk about Disney because they are a huge maker of toys and things for kids. I have exposed it in various sermons in the past. You are looking at the store front for The Art of Disney shop. You can look at the store's logo and see 3 6's in yellow, turquoise and purple. Proudly displaying 666 which is the number of the beast. **(Rev.13:18)** The devil's servants are proudly displaying their loyalty in front of us now. They show us openly and still many people cannot see it.

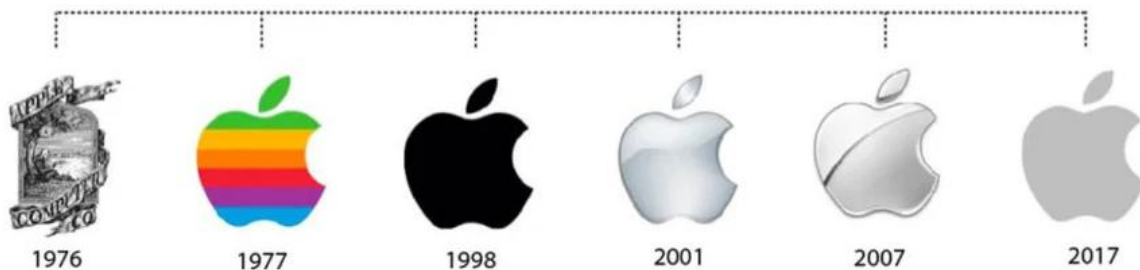

Walt Disney was a freemason and so his company honors satan in all that they do. Top left: This Disney show – shows a chalkboard in the background that has written on it “The Illuminati”. Top R: the eye chart says “Ask about Illuminati”. The Walt Disney logo is written so as to have many 6’s packed into it and they are forward and backward. The W has a backward 6 and the D is a backward 6 and the “s” has a backward 6. Those in the occult gain more power when they do things backward, in reverse, upside down or perverted against God in anyway. They show their wickedness openly and say it is hidden in plain sight because most can’t see it. The bottom r: Goofy is showing the all seeing eye of lucifer on his skateboard. They pack their cartoons and shows with freemasonic symbols, witchcraft and perversion against God. There are many other things they do but this gives you an idea of what they are about.

I want to take a moment to explain how we as christians are to navigate these wicked things in our world. My stance on Disney is a little different now than it was years ago when God first revealed all of this to me. At that time I advised to get rid of all Disney toys and Disney anything. Since then I have come to realize that all major corporations are in the devils hands and they too, are doing the same things Disney does. It is the same with all mega corporations, even those that do not make toys. They honor their god in some way, whether it is in the brand name, company name, colors, logos, numbers etc. What they make and produce, the money they make – it is all in honor of satan who is empowering

them, they have bowed to him and that is why they have the status they enjoy in this world which belongs to satan their lord. (2 Cor.4:4)

Here is an example. Google is a mega conglomerate, an eye in the sky for satan, a surveillance system, against us on every level. They show allegiance to him with their 666 logo. And I'm sure they chose these specific colors because they have to do with color magic.

What do you think the logo for Apple stands for? Think back to the Garden of Eden. satan is proud that he caused man to fall into sin by listening to him instead of God and this company proudly stands for that original sin. That is why they are a mega corporation. One thing these luciferic companies accomplish for satan is to introduce demons into your life or your children's lives if they can.

We buy their products, eat their food, wear clothes designed by them, buy toys made by them, watch movies made by them etc. We cannot avoid all of these companies while we live in this world. We are in this world but we are not of this world, we are strangers passing through because our real home is in heaven with God. (1 Chronicles 29:15, Hebrews 11:13)

Genesis 6:1-7 – And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, That the sons of God saw the daughters of men that they *were* fair; and they took them wives of all which they

chose. And the LORD said, My spirit shall not always strive with man, for that he also *is* flesh: yet his days shall be an hundred and twenty years. There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare *children* to them, the same *became* mighty men which *were* of old, men of renown. And GOD saw that the wickedness of man *was* great in the earth, and *that* every imagination of the thoughts of his heart *was* only evil continually. And it repented the LORD that He had made man on the earth, and it grieved Him at His heart. And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repenteth Me that I have made them.

New Living Translation

In those days, and for some time after, giant Nephilites lived on the earth, for whenever the sons of God had intercourse with women, they gave birth to children who became the heroes and famous warriors of ancient times.

New Living Translation Verse 4

In those days, and for some time after, giant Nephilites lived on the earth, for whenever the sons of God had intercourse with women, they gave birth to children who became heroes and famous warriors of ancient times.

The sons of God spoken of in these verses are the fallen angels. Fallen angels mated with earthly human women. That is how these giants who were considered heroes and famous warriors were produced. They were part human and part angel – so humans with supernatural powers. The luciferians honor them because they are the offspring of the kingdom of darkness.

For example, all cars have names in honor of the fallen angels and the nephilim – their offspring, or of wicked things and places. Nissan makes a car called Titan, that's in honor of the nephilim. Mitsubishi Triton is named after a greek god of the sea. Kia is a witchcraft term. Saturn car company is named for satan who is said to be the god of saturn. The fallen angels are associated with the stars or planets because they came down from them. The car companies name their companies and cars after their gods. Even knowing these things, I still have to

have a car in order to get from point A to point B. I can't just avoid it even though I know it has a satanic logo or name attached to it.

Cars are not the only thing honoring the offspring of the fallen angels. Superman is a perfect example of a nephilim character. The luciferians honor the union of the fallen angels with women through these characters they put in comic books and movies. Some people collect these figurines and memorabilia and idolize them. Children have these figures as dolls and toys in their rooms. The superheroes of today's movies and toys are fallen angels and nephilim. That is why they have supernatural powers. The superheroes of today depict the heroes and famous warriors we just read about in Genesis chapter 6. The word hero always traced back to the nephilim. Be careful about having these figures and toys, let The Holy Spirit guide you as you look at your children's toys.

I want to share a quick real life testimony of a young man who got caught up in collecting Marvel Comic figurines. He spent \$100's of dollars on these things.

Deadpool was one that I remember being mentioned that he had.

He listened to heavy metal and played video games all the time. It wasn't long before this young man just wanted to die. He didn't even want to live anymore. He was a handsome young man. It made no sense to me.

He was very young, I think he was 20 years old. He went into a diabetic shock. The dr's were giving him a 50/50 chance to live. They put him into an induced coma. They did at least one round of dialysis on him to clean his blood. They found a spot on his liver. During all of this he was pronounced clinically dead for about 4 min's I think. During that time he had an experience where he was in the dark and saw red pentagrams all around him and demonic hands reaching and trying to grab him. Then it was like light came in and a big glowing hand reached down into all of that for him. After he was revived and going on with his life he did not have a hunger for God. He did not want to read his Bible or go to church or even talk about Jesus. His mom is a Christian woman and she and I were floored that he experienced all that and did not want God in his life. To me that was God drawing this young man to Himself and he rejected Him. Do not get caught up in collecting things that honor satan and his children. He was spending his time and money on satan's kingdom. He was feeding his spirit on heavy metal music written by evil spirits. To date I do not believe this young man is serving Jesus.

Some people collect Star Wars figurines. Star Wars has a fallen angel theme running through it with the galactic wars. Many of the characters are fallen angel or nephilim type characters, dark and wicked. Top L: Darth Maul is a satanic character, Top M: Yoda represents an alien and that is a demon Top R: Darth Vader represents the dark side – that would be the kingdom of darkness. Bottom R: Chewy looks like big foot another type of demon or chimera Bottom M: Teeka doesn't look like anything good or wholesome Bottom R: General Grievous – he looks like a walking skeleton representing death and his name says it all.

Star Wars has a lot of witchcraft in it. May the force be with you is about satan. Witches say may the force be with you and they aren't talking about God. There are force spirits in this movie series. Those who are sensitive to the force can levitate objects, see the future and do mind tricks. That's all witchcraft. They promote the force as something that can be used for good or for evil. There is the good side and the bad side fighting it out. There is a lot of witchcraft in these shows and it glamorizes evil.

Get this filth out of your homes it will draw demons to it.

Get rid of pokemon, that means pocket monster. Look at the video games you play and avoid things with magic in them, gore, the occult, pornography,

excessive violence etc. Don't allow your children to play mind craft etc. Get rid of anything like Dungeons and Dragons – those games will draw demons in. People that have played that game have committed suicide. We have to grow in godly discernment and test the spirits attached to these things. Remember they do rituals over them and cast spells on these things.

CLOSING

We cannot avoid some things that honor satan like the cars dedicated to the fallen angels and their offspring. But we must do our best to use godly discernment and avoid what we can. We should avoid the outright satanic and ungodly things today's corporations are making, producing and selling. We pray over the things we have to have, cover them in Jesus' blood and go on with our lives in honor of Christ.

Destroy all ungodly items you have, ask forgiveness and ask God to cleanse your life from any demonic activity that came in because of what you had in your possession. Stay covered in Jesus' blood always and cover all that you have in His blood.
