

SPIRITUAL WARFARE Pt.11: CLEANSING YOUR HOUSE, DEMONIC ATTACHMENTS, DEMONIC TOYS

I started talking about demonic toys last week and I'm going to finish that up today.

Harry Potter collector set - Magical minis – wizarding world.

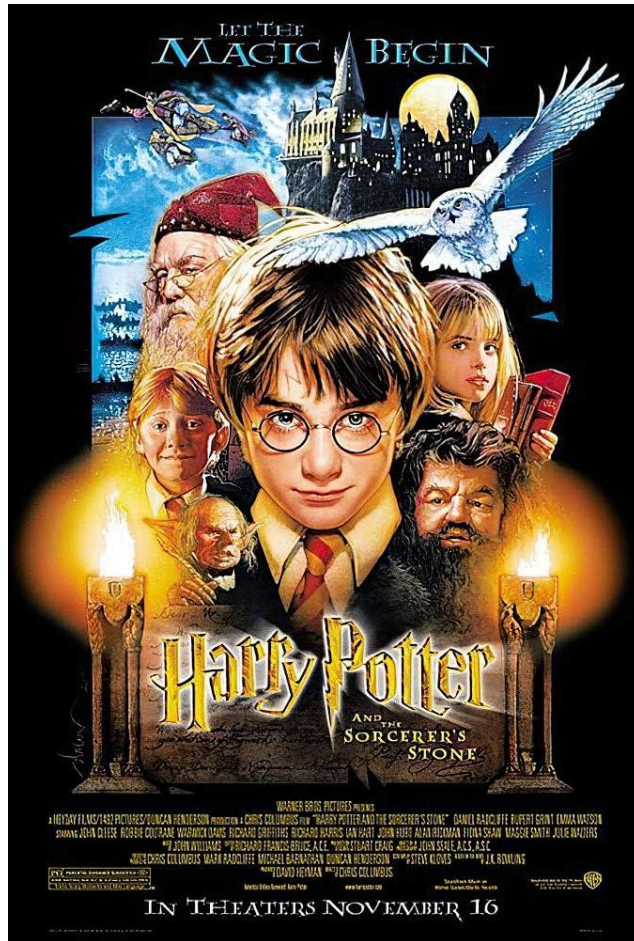

Deut.18:9-14 - When thou art come into the land which the LORD thy God giveth thee, thou shalt not learn to do after the abominations of those nations. There shall not be found among you *any one* that maketh his son or his daughter to pass through the fire, *or* that useth divination, *or* an observer of times, or an enchanter, or a witch, Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. For all that do these things *are* an abomination unto the LORD: and because of these abominations the LORD thy God doth drive them out from before thee. Thou shalt be perfect with the LORD thy God. For these nations, which thou shalt possess, hearkened unto observers of times, and unto diviners: but as for thee, the LORD thy God hath not suffered thee so *to do*.

Most of the time when God warned the Israelites not to do something it was because it was witchcraft and things that the pagan nations did in worship of the fallen angels. I want to break this passage of Scripture down with the explanation and definitions that John Todd gave. He was pretty thorough.

They threw their children into the fire as sacrifices to baal or molech - both are satan. Our KJV makes it sound like the children were able to walk through a fire and come out ok but that is not what is being conveyed. Divination is fortune telling or clairvoyance. An observer of times is one who practices astrology – zodiac signs, horoscopes and believes that the movements and positions of the heavenly bodies tells us what will happen to us on earth. An enchanter is a hypnotist. A witch is someone who casts spells on people and controls them with their mind which is telekinesis. A charmer is a witch of a lesser degree. A consulter of familiar spirits is a medium, someone who asks spirits to guide them. A wizard is a male witch and for those that want to call them warlocks, John said there was no such thing as a warlock. Personally, I refer to those that serve satan, both males and females as witches. A necromancer is a witch that uses familiar spirits to tell the future.

As christians, we are not to be concerned about horoscopes, or believe in zodiac signs and what that means for our lives or our compatibility with other people. We are not to try to pry and try to find out our future. We are not to have anything to do with witchcraft or witches in any way shape or form.

The collector set said magical mini's and they do not try to hide the typical witch attire at all. It mentioned wizarding world and that's talking about male witches.

Let the Magic Begin – Harry Potter and the Sorcerer’s Stone. I hope you have eyes to see, this is witchcraft. These are witches and wizards. A sorcerer is a witch. Notice the lightning bolt scar on Harry’s forehead, that is a symbol for satan. It ties into Jesus saying He saw satan fall as lightning. **(Luke 10:18)** Find something else to watch. When you are fascinated with things of the kingdom of darkness you will draw demons to yourself or into your child’s life by introducing these wicked things to them.

Get rid of all Harry Potter things. These are all witches, and all the books, movies etc. are glorifying witchcraft. It is a way to groom your children up into witchcraft, for them to easily accept it and dabble in it, in the hopes that they will go full on with it as they mature.

If you own this stuff, you have a pact with satan in your home, he has a legal right to come in and wreak havoc in your life.

Get rid of toys like snakes and dragons as they represent satan and his kingdom and they will draw demons into your home and child's life. They can have nightmares, they can have interaction with demons etc.

The movie "How to Train Your Dragon" made things like this plush toy popular.

Even these cute cuddly baby dragons for babies and toddlers will open doors in your home and in your children's lives.

We let Kennedy get a rubber snake from the gift shop at the zoo one time. It was laying in the living room floor and I saw our cat looking intently at it one day. She slowly circled it and was on high alert starring at it. As I watched her, The Holy Spirit spoke to me about how it represents satan and has no business being in my home. I got rid of it immediately. satan deceived Eve in the garden through the use of a serpent. **(Genesis chapter 3)**

Revelation 12:9 - And the great dragon was cast out, that old serpent, called the devil, and satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.

Here we can see that the serpent is forever tied to satan and so is the dragon. He is called by both and identified by both.

Genesis 3:14-15 - And the LORD God said unto the serpent, Because thou hast done this, thou *art* cursed above all cattle, and above every beast of the field; upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life: And I will put enmity between thee and the woman, and between thy seed and her seed; it shall bruise thy head, and thou shalt bruise his heel.

There is a Mandela Effect in this Scripture, it used to say He (meaning Christ) shall crush your head, and you shall bruise His heel. Christ has the victory, but through witchcraft they have managed to make Scripture now read as if Christ and satan are equally just bruising each other. If you don't know about the Mandela Effect,

go and listen to the teachings I have done on that subject, you can find them on the church website.

God cursed the serpent for his role in the deception. He is cursed forever. Once in the Old Testament, God used serpents to carry out His judgement against the people who complained against Him and against Moses. **(Numbers 21:4-9)** They bit the people.

If we are righteous, we stand with God and His judgements and that means we are also against serpents and recognize them as cursed. We don't want them as toys or pets or anything else. We certainly do not want them in our homes or in our possession and the same goes for dragons of any kind as well.

We have not understood how these things draw demons to them, they do have spiritual significance. These realistic looking animals confuse our pets because they don't know it's fake. They know these things are dangerous in real life. I got the sense that my cat could not understand why this dangerous thing was in our home where she was supposed to be safe.

John Hagee is a false teacher but I heard him tell a truth one time. He shared about a couple that had brought a statue into their home and it had a snake wrapped around it. One day they came home to discover a real snake, the exact same kind from the statue. It was actually wrapped around the statue in their living room. The wicked statue was a point of contact for satan's kingdom and because the people liked it and bought it and gave it a place of prominence in their home, it drew the snake and the snake manifested. There was a direct connection, an open door for satan to work in their home. We must grow spiritually and begin to understand the spirit realm better.

Get rid of Monster High Dolls and clothes, the name says it all. They are chimeras, vampires, zombies etc. They are creatures of the night, of the kingdom of darkness.

I have shared testimonies of what evil toys have said and done with children in the past. Pastor Dalbeer had shared about a little boy that had a mean looking doll and as long as he had it, he was being mean but when he got rid of it he quit being mean. There are spiritual ramifications going on with these things. The mega corporations are purposely designing the products they make to get them into your children's lives and open doors to satan and his kingdom. They serve a different master and it is up to us to be led by The Holy Spirit and protect and teach our children about these things. You can make it very simple and teach them how these bad and evil, mean and wicked toys will draw evil spirits to them.

DEATH

Get skeleton toys, decorations, or anything in your home representing death – get it out because that represents sin and draws satan's kingdom to it. Get cremation ashes out of your home. When you have skeletons and things representing death then the spirit of death will be drawn to it. Death represents sin in Scripture and death is an ENEMY. Jesus defeated death.

Revelation 1:18 - *I am* He that liveth, and was dead; and, behold, I am alive for evermore, amen (so be it); and have the keys of hell and of death.

Jesus defeated death, hell and the grave for us. We do not embrace or love things associated with death. But now we have mega corporations marketing death to us in the form of skeleton toys, clothes, decorations etc. The world embraces death as something cool. You see skeleton stickers on cars and even babies wearing skeleton clothes. These things will draw exactly what it means to it, the spirit of death.

Look at your clothes, anything skeletons, with zodiac signs, occult pictures, ungodly things on them – destroy it. I had some t-shirts from Cancun so there was imagery of sun worship on them. I had some smart alec t-shirts with a little girl on them plugging her ears and the caption was “not listening”. When I wore those shirts, I essentially was putting that smart alec saying out there to anyone that read my shirt. That’s not godly, not good fruit.

Stuff like this is all about satan’s kingdom. I used to have a vest with witches on it. Look how cute and sweet they are portrayed on the left stirring their caldron. There isn’t anything cute, sweet or nice about a witch who is empowered by demons working for the kingdom of darkness. I wasn’t really saved back then. These were things I had when I was single and kept them and even discovered them packed away in storage not long ago. The reason I didn’t understand the wickedness of this was that I wasn’t really saved and had not read God’s Word to know His stance on witches and did not understand the real meaning of witchcraft either. Witchcraft is idolatry against God. Witches serve satan, they use demons and work through them. Throw out all pagan feast day clothing like

Christmas sweaters or sweatshirts, Halloween t-shirts, Christmas ties etc. We had all that kind of stuff and we got rid of it.

Playing with or owning occult items like a quija board will connect you directly to the kingdom of darkness. It is an abominable thing and it gives satan a legal right to come into your life and home. Notice the sun top left corner and the moon and star top right corner. The occult worship the fallen angels which are directly tied to the planets and even in our Bibles God warns not to bow down to the sun, moon and stars which is idolatry or you could say simply put, it is demon worship. **(Exodus 20:4-6, Deut.4:15-19)** satan is a sun god, those that worship the sun are actually worshipping him and not the ball we see in the sky.

Rare 2008 Hasbro pink quija mystery oracle board game. Hasbro is one of the largest toy companies in America. The other quija board was made by Parker

Brothers. These mega corporations do not care about the well being of your child, they just want to do their master's bidding, make money and introduce demons into your child's life.

Get rid of tarot cards and any items used to tell or know the future even if it is supposedly just a game.

YARD

You have to take inventory of things in your yard also. For example a lot of people think garden gnomes are cute.

Gnome – a gnome is a mythological creature and diminutive spirit in renaissance magic and alchemy, introduced by Paracelsus in the 16th century and widely adopted by authors including those of modern fantasy literature. Again, a gnome is a demon. There are different types and levels of demons just are there are different types and levels of holy angels. They are associated with witchcraft, that's what magic and alchemy are. You don't want these in your yard as they are drawing points for demons.

I know someone personally who claims to be a Christian, doesn't want to talk about God's Word and has something almost just like this in their backyard. This is an idol of a fallen angel and looks like satan himself. This type of statue acts as an open portal drawing demons into this realm. If you see this in a yard, one thing you know is that, the people that live there have demons in their home and lives.

The demon statue was sticking out his tongue. Let's see what the Bible says about that.

Isaiah 57:3-4 - But draw near hither, ye sons of the sorceress, the seed of the adulterer and the whore. Against whom do ye sport yourselves? against whom make ye a wide mouth, *and* draw out the tongue? *are* ye not children of transgression, a seed of falsehood,

New Living Translation

"But you—come here, you witches' children, you offspring of adulterers and prostitutes!

Whom do you mock, making faces and sticking out your tongues? You children of sinners and liars!

New Living Translation

But you – come here, you witches' children, you offspring of adulterers and prostitutes! Whom do you mock, making faces and sticking out your tongues? You children of sinners and liars!

The sticking out of the tongue with those who serve satan is about demonic possession. It is about being demonically talented and it is a way to give honor to the god they serve and to mock God. They are speaking to the brotherhood when they do this posing for pictures, just a way of saying who they serve without saying a word. They are the children of witches, of sinners and liars. They have been raised, groomed and programmed to be against God.

CLOSING

Be mindful of what is in your yard and home. I've shared a lot of things we had in our own home and things The Holy Spirit brought to my mind along the way. We were the typical American family. Look at all the filth that came out of our home. We had so many bags of trash and things we got rid of and burned and destroyed. There are more things but I feel I have given you a pretty good idea of how to clean your house spiritually. As christians we are not to have things in our home that directly connect us to satan's kingdom. We are not to have things in our home and possession that God considers abominable.

Matt.10:16 – (Jesus said) Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.

We are supposed to understand how the enemy is working in this world and yet avoid the things that please him and open doors to him and his demons in our lives. We are to be holy for God is holy. **(Leviticus 21:8, 1 Peter 1:16)**

Really look through the things in your home with spiritual eyes and get down to the meaning of what you own and get rid of the ungodly things. Ask God to show you anything in your home that does not please Him. Repent for having bought these things, spending what He has blessed you with on ungodly things. Repent for the ungodly things you owned and participated in and ask God to cleanse your life from all of it, from any demons that entered your life or your home or your child's lives because of the ungodly things you had. If you were a witch or in the occult, destroy all occult items, repent and ask forgiveness and cover yourself with Jesus' blood. You can administer self deliverance.
