

SPIRITUAL WARFARE Pt.12: INHABITED by SPIRITS, DEMONIC ACTIVITY, HAUNTED HOUSES and PROPERTY, SPIRITUAL ALTARS

For the past few weeks I have been discussing how things we own and that are in our homes and on our property can be demonically charged. That means it is something that is directly connected to the kingdom of darkness, it represents the kingdom of darkness, it has had rituals and witchcraft done over it and it will cause demons to come to it wherever it is. In the same way, houses, properties, and buildings can be inhabited by spirits and need to be cleansed.

HOUSES, PROPERTIES and BUILDINGS

A spirit can inhabit a piece of land. Occult activities, rituals, witchcraft can cause a spirit to inhabit an object, a home, a piece of land etc. When occult activities are done on a piece of land or a specific location, they draw spirits to that place. Witches summon demons. The spirit can linger there until the bond is broken by Christ.

It is the same with buying a home especially a home that has been lived in by other people. You don't know what they did in that home and the things they did can cause spirits to inhabit that home. Think about the show *Amityville Horror*. The luciferians are showing us truth in their movies and books. If satanic things happen in a place, spirits can be there until they are dealt with and doors are closed.

When satan is worshipped on purpose in a home or on a piece of land, an altar to satan is erected there. Rituals and sacrifices are made there, blood is shed, sexual perversion takes place there, an invisible "spiritual altar" is erected.

An altar to satan is also in every home where the head of the household has not chosen to submit their lives to Christ and love and obey Him - even if they do not participate in witchcraft or in satanic rituals. Each home has one altar and it is based on the head of the household, who is also the priest of the home. The altar is set up in worship of the god they serve. In my home it is based on me because I am the priest of my home. So we have a godly altar in my home and on our land.

All that we have is dedicated to God. Those homes and land with ungodly altars can have spirits that linger even after the people who summoned them have moved away or died and especially when occult things were done there like black magic, sacrifices and rituals. Demons were summoned but never banished.

DEMONIC ACTIVITY in YOUR HOUSE or on YOUR PROPERTY

Poltergeist is a German word. Polter = noisy and geist = spirit or ghost.

Poltergeist 1982 - The ghosts communicate only with Carol Anne through the family's [television set](#), and are under the control of a [demon](#) known as the "beast." The ghosts, attracted to Carol Anne's [life force](#) and believing she will help lead them into the "[Light](#)", abduct her through her bedroom closet, which acts as a portal to their dimension.

Famous line from the movie *Poltergeist*, they're here...

Some indications of demonic activity: electronics turning on all by themselves, like tv's or radios, doors that open and shut, hearing footsteps, glass coming out of nowhere and breaking, chains rattling, room is always cold or cold and hot spots

in your home. Noises that cannot be explained, shadows moving in a way that is not normal, things moving around the house and no one is there, something sitting on or moving across your bed but you see nothing etc.

If you experience what you believe is demonic activity in your home or in your life, there is always something that gave that spirit the right to be there. Remember satan is a legalist. He won't leave until his legal rights have been broken up. If someone was involved like in the occult and died in a place, then those demonic spirits can still be there because of what that person did. They come to cause fear, harass and hinder. A spirit cannot be anywhere unless it has a right, a legal right to be there. They get their "legal right" through a door opened by sin. It can be sin done by the previous owner or sin in your own life. The person dealing with the demonic activity has certain conditions to meet or the demons keep their right.

Holding onto unforgiveness can be an open door for satan to operate in your life.

Matthew 6:14-15 - For if ye forgive men their trespasses, your heavenly Father will also forgive you: But if ye forgive not men their trespasses, neither will your Father forgive your trespasses.

Forgiving someone their trespasses means to forgive those who have sinned against you. Those who have been mean to you in any way. If you don't forgive everyone for everything, then God is not forgiving you and you are in a state of sin against Him. Some want to hang on to excuses for not forgiving, it is too hard or what they did is unforgivable. For example those being targeted don't want to forgive their targeters or those who have been raped or molested don't want to forgive the perpetrator. No matter what the wrong was, we are to look to Jesus as our example. He forgave all His tormentors and persecutors while He was hanging on that cross. Close the door to hatred, bitterness and unforgiveness – forgive and let it go.

You can pray something like this: Dear Heavenly Father, I thank You for Your word that helps me to grow closer to You. I magnify You Father. I know that according to Your word I am to forgive others or I will not be forgiven. Of my own free will I choose to forgive all those who have hurt me or wronged me in any way. Please forgive me also for all that I have done against those made in Your image. I don't

want any unforgiveness held to my account. If I am holding any unforgiveness toward anyone, please help me to let it go and to truly forgive. I need Your help by the power of The Holy Spirit. I ask and pray all of this in Jesus' name.

If the evil spirit is there because of something you own that is ungodly connected to the kingdom of darkness and it was never confessed and repented for, then you will not be able to make the evil spirit leave. If an evil spirit is there because there is something ungodly connected to the kingdom of darkness in your house you will not be able to make those spirits leave.

Communion – fellowshiping and partaking with the Lord. This is how our lives in Christ are to be. We are in Him and He is in us. We commune daily. **(John 15:1-5)**

Idolatry is the same way, those in idolatry are fellowshiping and coming into agreement with the demons.

Exod.20:4-5 – Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: Thou shalt not bow down thyself to them, nor serve them: for I the LORD Thy God am a jealous God, **visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate Me;**

Another reason evil spirits can be present is through an ancestral line where generational curses were not broken off. The atheist, the Gnostic, agnostic, humanist – they are all bringing curses on their family line because they hate God. And for that matter our parents and ancestors brought curses on us too when they did not come and receive the sacrifice that God made for us in Christ. Even if they did not declare that they don't believe in God and they hate Him, their actions said it all. Those curses are still on our lives also, if our parents did not have knowledge and know to break off generational curses before we were ever conceived. Everyone who has not broken off generational curses still has those curses on their lives. I have included the link to a prayer to break off generational curses in my sermon notes and it is in the info. box wherever you are watching from.

If you live in a home that is not serving on a godly altar ungodly spiritual things can go on in that home. However, please know that God will protect you if you are truly saved through Christ and have His blood applied to your life.

If the head of the house who is also the priest of the home serves satan on purpose, then of course wicked things are going to happen in that home. If the priest of the home is in a false religion, wicked things can go on in that home. If the spiritual priest of the home, who is the head of the household claims to be a Christian but is backslidden or not truly saved or even if they are not active in any religion, then the home is still serving on an evil altar. And that means demons have a right to be there, they have legal grounds allowing them to be there.

What do you do if you get scared and you feel it is demonic in nature. If you are a Christian in an ungodly home, you love and serve The Lord Jesus Christ, you are protected no matter what. God protects His children through this wicked life. He knows your circumstances. Those in unequally yoked marriages, the Bible speaks on this and even encourages the saved one to keep standing in the faith in the hopes that they will win the lost spouse to Christ. (**1 Cor. Chapter 7**) We don't just go out into the world and stand next to a sinner in line at the grocery store and all of a sudden we are not protected by God. The Holy Spirit is with us wherever we go and He is the very power of God! We are protected even if we live in ungodly homes, where the head of the household is not serving The Lord.

Establish wherever you are staying as a place where God's presence is going to have control. In Jesus' name bind and command all evil spirits out of your home and remind them that you have broken up their legal grounds to be there. Let it know it has no spiritual right to you in that home and is not welcome there. You are a child of God. Plead the blood of Jesus over yourself and your children and over the home or room where you are. And pray and ask for God's protection and peace and ask Him to fight for you.

It may not leave because you have to think about what brought it there in the first place. How did it gain permission to be there? God doesn't just allow demons to come and harass us. If it was something you or your child did, you can repent and ask forgiveness – bind it and cast it out in Jesus' name. But if it is linked to the life

and actions of the unbelievers in the home, especially the priest of the home, the demon may not go anywhere.

Even if it doesn't leave - always plead the blood of Jesus over yourself and your children and everything that pertains to you and them – physically and spiritually. You can plead Jesus' blood over the home and over all those who live in the home. Be sure to always plead the blood of Jesus over the rooms you and your children stay in and everything there, everything you own. Keep your car covered in Jesus' blood, your job and workplace, your children's school and school work etc. Plead the blood of Jesus over everything inside the home, the land and all that is on it and the atmosphere all around the home and land. Plead the blood of Jesus over the atmosphere all around you and your children everywhere you go. Plead Jesus' blood over your health, your marriage, income and finances. Ask God to keep His hedge of protection and wall of fire around you and all that pertains to you and your children, physically and spiritually. Ask The Holy Spirit to reign completely over your lives, physically and spiritually.

Only mature, obedient and prayerful Christians can also anoint their property and homes as they pray over them. As a young minister I thought every Christian could anoint their homes with oil but as I grew in The Lord and under the guidance of Pastor Erustus, I realized that isn't true.

Pastor Erustus Museve – he is the Pastor of our outreach ministry in Kenya and has planted many churches around that area.

Here is what Pastor Erustus shared on the subject: Praying and anointing items, property, the sick must always be done by those with a calling, especially the five-fold Ministries calling. (Mentioned in Eph.4:11) The devil and his demons always react back or counter attack so if one does not have a legal authority in the spiritual realm, they may be hit back or no positive results will be experienced. It should be done by mature, prayerful and called ministers not just anybody. Remember families, individuals, homes or places etc. have altars. Each altar has a ruling spirit (god) and the altar always is served by a priest whether godly or ungodly. Alters finally are activated by sacrifices which are only administered by the ordained minister. So people must be careful with handling spiritual activities allowed only for the called & ordained ministers. There are boundaries we must keep in check. Lastly, we have to know that God is not limited and He knows our circumstances or situations. That is why one must be very prayerful, filled and remain in His word always so that before we do anything, let it be God led, otherwise we will see no positive results or one may be attacked badly.

Everything we do in spiritual warfare must be led by The Holy Spirit.

Anointing and blessing a home is a function of God's ministers, however, being that I have been blessed mainly with an online ministry and you guys are spread out all over the world, I did a sermon entitled "Anointing Oil" it is on the church website and the link is in my sermon notes and in the info. box where you are watching this sermon. If you are confident that you are a strong, mature and obedient Christian then you can go there to learn about anointing oil and how to cleanse, anoint and bless your home. I caution you to take that warning seriously because dabbling in things that are reserved for God's ministers can bring demonic attacks against your life. God knows the situation of this ministry being mainly online and that I'm not able to go to your homes and anoint and bless them and He is merciful to us and does protect and watch over us. The main thing is to be obedient and stay covered in Jesus' blood and cover all that you have in His blood.

Anointing and cleansing our homes is very important for our spiritual victory over satan and his demons. Familiar objects (ie objects which demons cling to) used in the service of satan or worship of the devil gives demons legal ground to afflict homes and those living in those homes or houses.

False religion literature in your home will invite demons in as well. Book of Mormon, Jehovah's Witness Bible, quran, books on meditation, wicca, new age, book of the dead, yoga books, pornography etc.

Acts 19:17-19 – And this was known to all the Jews and Greeks also dwelling at Ephesus; and fear fell on them all, and the name of the Lord Jesus was magnified. And many that believed came, and confessed; and shewed their deeds. Many of them also which used curious arts brought their books together, and burned them before all men: and they counted the price of them, and found it fifty thousand pieces of silver.

Burn these ungodly books and anything you have that has to do with false religions. Ask forgiveness and repent – close the door to those demons.

If we don't cleanse our homes and lives satan will always defeat us in our spiritual warfare. These objects include demonic rock music tapes, objects used in occultism, rosaries used in Catholicism, articles used in masonry, evil literature, gifts from evil people, evil toys, clothing and pictures etc.

1 John 1:9 – If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.

God will forgive you, He wants to cleanse your life from all these evil things.

Pastor, very funny and ungodly things are going on in many homes. Have encountered many attacks in several homes - have visited and prayed. Many are living defeated family lives and failed homes because satan, but not God, is the one reigning. What I always do to help many in winning warfare against satan is:

1. pray and dedicate homes to God and anointing them for protection.
2. Pray and anoint homes or houses before one occupies, rents or owns.
3. Dedicate land to God and anoint it before a home is built.
4. Destroy all familiar demonic objects, command the demons out and then anoint the house or home for protection.

John 8:36 - If the Son therefore shall make you free, ye shall be free indeed.

The first way Jesus sets us free is through salvation, breaking the yoke of bondage satan had on our lives. This type of sermon helps to set you free as you take inventory of what is in your possession and learn spiritually how to fight against

the kingdom of darkness. I praise God for all of you out there who continue to be delivered more and more as you listen to the sermons and grow in the faith.
