

STRONG DELUSION Pt.1: PAGAN FEAST DAYS, HOMOSEXUALS, GOOD PEOPLE, SUPERNATURAL EXPERIENCES, JUDAISM

I'm going to dive right in on this one. We have to read the passage about strong delusion first for you to even understand what this sermon is about.

2 Thess. 2:3-12 - Let no man deceive you by any means: for *that day shall not come*, except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God. Remember ye not, that, when I was yet with you, I told you these things? And now ye know what withholdeth that he might be revealed in his time. For the mystery of iniquity doth already work: only he who now letteth *will let*, until he be taken out of the way. And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of His mouth, and shall destroy with the brightness of His coming: *Even him*, whose coming is after the working of satan with all power and signs and lying wonders, And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

God is merciful and very patient with us. He gives us chance after chance after chance to come to Him and get our lives right with Him. But even God has His limits. When you do not respond to Him drawing you, there comes a day when He says enough is enough. Then He will turn you over to your own wicked ways.

Romans 1:28-32 – And even as they did not like to retain God in *their* knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, Backbiters, haters of God, despiteful, proud, boasters, inventors of

evil things, disobedient to parents, Without understanding, covenantbreakers, without natural affection, implacable, unmerciful: Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.

Without understanding – meaning they refuse to understand. Covenant breakers because they do not keep their word. Without natural affection – meaning they are heartless. Let's look at verse 28 and 32 in the NLT.

New Living Translation

Since they thought it foolish to acknowledge God, he abandoned them to their foolish thinking and let them do things that should never be done.

They know God's justice requires that those who do these things deserve to die, yet they do them anyway. Worse yet, they encourage others to do them, too.

New Living Translation

Since they thought it foolish to acknowledge God, He abandoned them to their foolish thinking and let them do things that should never be done. ...Then after the long list of wicked sins... They know God's justice requires that those who do these things deserve to die, yet they do them anyway. Worse yet, they encourage others to do them too.

They did not want to serve God and worship Him so He turned them over to their sin. This should be mind blowing for those that only preach about God's love. God is love and He is a just Judge as well. All sin will be judged and dealt with.

People speculate about what the strong delusion is going to be. Some people think that they cannot be deluded by God to believe a lie. If God says He's going to cause you to believe in a lie because you did not love His truth, then you are going to believe a lie. Period. God said it and that settles it. His Word is true and we know He will bring it to pass.

As I grow older and God continues to show me more and more of the wickedness going on in this world, I can see so many things He could use as strong delusion. Most people are not awake about too many things going on in this world. A few quick examples are crisis actors and false flag school shooting events, chemtrails and weather manipulation. That being where we are at today, they certainly are not spiritually awake. Super easy to delusion them if you ask me.

2 Cor.4:3-4 - But if our gospel be hid, it is hid to them that are lost: In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

We see right here in Scripture where satan, the god of this world has blinded the minds of those who are unbelievers. They can't even find their way to Christ to believe. If satan, a created being can do that, then certainly the God of All Creation can delude anyone - easily.

I used to think it would be "one" thing that God would do to cause this delusion but now I think it could be any number of things. It all depends on what will be effective in a person's life to bring them to damnation. And at any given time it can be one big thing to delusion many people all at once.

I'm going to throw out some things that people are deluded by already and we can examine them to see if they could lead a person to damnation. Remember damnation is the end result of the strong delusion that God pours out.

PAGAN FEAST DAYS

We have been deceived about pagan feast days. In the time of Constantine pagan feast days were mixed into Christianity. There are those that try to defend them saying they please and even worship God. That's a lie. The same with participating in satanic feast days such as Halloween and thinking this is fine for christians to do. There will be judgement for these things but what is God's judgement against those who say they are Christian and defend practicing these ungodly feasts even knowing the truth about them? I hear it all the time – "That's not what it means to me." We should be concerned with what it means to God. I think the real judgement comes when a person knows the truth about what they

are doing and does it anyway. Willful sin will be judged more harshly than sins of ignorance, however, both will be judged. **(Luke 12:41-48)**

Jeremiah 16:19 - O LORD, my strength, and my fortress, and my refuge in the day of affliction, the Gentiles shall come unto Thee from the ends of the earth, and shall say, Surely our fathers have inherited lies, vanity, and *things* wherein *there is* no profit.

When I grew up we learned to do these things, the holidays and we didn't ask questions as to why. You just did it because everyone else did it. My mom was a Christian but I think because of my dad, she never prayed at any of these holidays or talked about what they meant or anything. We did stuff and I had no clue what any of it was supposed to mean. If we as Christians will look with our spiritual eyes we would realize the whole world is doing these things. When something is truly about Jesus – the world will hate it.

James 4:4 - Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with God? whosoever therefore will be a friend of the world is the enemy of God.

The luciferians have scrubbed a lot of truth off the internet, destroyed books where the truth was recorded. They are rewriting history but God knows the root of these feast days and He knows who they are in honor and worship of. If He could reach me and show me the truth, He can reach anybody who really loves Him and wants to please Him. Years ago I asked Pastor Erustus why he didn't celebrate all the pagan feast days especially Easter, Christmas and Halloween and he told me they are not in Scripture. That's the bottom line, we don't see these things in Scripture and we don't see the apostles celebrating these things.

We do see the resurrection of Christ in the spring and you can refer to that as resurrection Sunday. Easter is a variant of Ishtar and this is a pagan goddess. The word Easter is in the Bible to do with Herod, not anything the early church celebrated.

Christ – mas is a Catholic word and Catholicism is a false religion. It is based on the mystery religions of Egypt and Babylon. Those at the top of this organization

serve satan and they are freemason luciferian witches. They do rituals and human sacrifices to their god. Many people who have spoken out about what they do have been murdered or silenced in one way or other. Mass is in celebration of death.

"Christmas" **means** by **definition** "**death** of Christ". The word Christmas comes from "Cristes Maesse", an early English phrase that **means** "Mass of Christ." ... The word "Mass" is strictly a Catholic word and thus, so is "Christ-Mass." "Mass" in religious usage **means** a "**death** sacrifice." Dec 21, 2015

Does the word 'mass' in Christmas means death as per Roman ...

Those at the top of catholicism, the high druids and witches love to revel in Jesus' death. That's why they carry Him around on their pope sticks and have Him looking all pitiful because they count a victory that He was murdered. I think they must be one brick shy of a full load because Jesus resurrected and He is alive forevermore! My KING JESUS is THE EVERLASTING KING! We as christians hate that Jesus had to be crucified and how He was treated but we are so thankful He humbled Himself and did the Father's will because He was the only way for us to be saved. But we don't go around saying – yay – Jesus died! Instead, we are so thankful that He's alive forevermore! What is called Christmas existed before Jesus ever came to this earth and walked in the flesh. It was called saturnalia or bacchus or yuletide etc. When the Catholic church mixed pagan feasts in they came up with a new name so that it would be accepted by Christians. Christ-mas and they continued to do their pagan feast just as they always did in worship of their sun gods and moon gods in the latter half of December.

Real christians worship Jesus every day. When The Holy Spirit showed me the truth about these pagan feasts, I was torn up in the heart about all of it and quick to ask forgiveness and me and my whole family repented which means we got out of all of it.

I have taught about most of the holidays, go to the church website on the sermon's page and under tags there is a filter for holidays. Go there and listen to the teachings on Christmas, Easter and Halloween. Learn the truth and forsake these pagan feasts. Judgement is going to be hard enough on each one of us much less having something that we don't want to let go of because of peer pressure or rejection.

GAY CHRISTIANS?

How about this one: It's ok to be gay, God made me this way. Some of them even say He is blessing their lives. Is that the strong delusion? I actually knew a guy that argued with me on social media defending being gay and claiming to be a Christian and being blessed by God living a great life. He was only maybe a year or two older than me and he died a few years ago in his early 50's.

1 Cor.6:9-10 - Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind, Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.

God was very clear in The Old Testament when He rained fire and brimstone on Sodom and Gomorrah. It is unnatural for a man to have sex with a man and a woman to have sex with a woman. Here we see in the New Testament that homosexuals, lesbians and sodomites will not be in heaven. If that describes you and you think God will let you into heaven anyway, you better think again. If you hold onto those kind of beliefs, you will go into damnation for all of eternity.

Sodomy is not just mentioned in The Old Testament, God took the time to be sure and reiterate it in The New Testament too. God made us in His image and He made us to be able to multiply. A man and a man cannot make a baby and a woman and a woman cannot make a baby. No, God does not make anyone gay.

Jesus can deliver you from the spirit of homosexuality, from the spirit of perverseness, from the spirit of immorality. Come to Him and ask for forgiveness from a sincere and broken heart. If you are not sorry for your sin don't bother asking Him anything. But if you are feeling conviction from The Holy Spirit about

the lifestyle you have been living, then reach out to Jesus and ask Him to forgive you and repent. Repent means that you turn away from sodomy, from homosexual acts – quit having any sexual relations. Get truly saved. Do self deliverance and let Jesus set you free. God did not make anyone to be homosexual. That goes against His Word and His character. He does not tempt us to sin. Satan is the tempter and his demons are the cause behind homosexuality. God can restore natural attraction, for a man to be attracted to a woman and for a woman to be attracted to a man. It is the same as when Jesus delivered people from demons and then they were healed. Once the demons are dealt with then healing in the person's life can manifest.

GOOD PEOPLE

What about those people who believe they are good. They take account of their lives and say, "I'm a good person, I haven't murdered anyone, I don't sleep around. God is ok with me and I will get to go to heaven because I don't hurt anyone and I do good things. I help others." Scott used to say he was a good person back when we weren't serving God, we weren't going to church. According to the world's standards we were good people. But we will be judged by God's standards.

Mark 10:17-18 - And when He was gone forth into the way, there came one running, and kneeled to Him, and asked Him, Good Master, what shall I do that I may inherit eternal life? And Jesus said unto him, Why callest thou Me good? *there is none good but one, that is, God.*

Jesus pointed this man's attention to God alone as good. The Bible says that we all have sinned and fall short of the glory of God. **(Romans 3:23)** Most people think they are good people, we better get busy living for God so that He can mold and shape us by His Spirit to be more like Christ. We want to strive to inherit the Kingdom of God. Judging yourself to be good without Christ will certainly send you into damnation.

SUPERNATURAL EXPERIENCE

Is a supernatural experience without true salvation the strong delusion? I know of people that claim to have had a supernatural experience with God but yet they are not even saved and they believe they are. There is no fruit in their lives at all. **(Matt.7:16)** In fact they don't read God's Word and don't like to speak of Him. We have a lot of unsaved people saying they are saved and living like hell. Many people like this don't even attend church but then again, many do. Is this the strong delusion? I know someone who says their child experienced a miracle where an angel was involved. It was like a life or death situation and an angel showed up and then just like that disappeared. This person tells me they believe in God because of that and that they are saved but they believe in a false religion, and live a fruitless life.

Remember Dallas who was clinically dead for 4 minutes and during that time was in a dark room with red pentagrams and demons grabbing for him. I just spoke to his mother 2 days ago and she reminded me of something I had forgotten, those demons were actually pulling him down into the pit with them. They had him all the way up to his knees before Jesus parted the darkness with the huge hand that reached in to pull him out. After that experience he did not want to read the Bible, go to church or pray. It did not faze him. Both people are still in their sin and if they remain that way, they will go into damnation. People today are experiencing miraculous things but they still are not coming to a saving faith. I would say these people are seeing but still not believing.

CLOSING

JEWS and JUDAISM

Is the strong delusion the belief that the Jews are God's chosen people today? I did a teaching about Israel recently and I spoke a lot about Judaism and how that is witchcraft. America has easily bought into the false concept that we are Judeo-christians and share the same values and beliefs of Jews who practice Judaism. These Jews have rejected Jesus and they are under God's curse. Those Jews who think they are accepted by God while practicing Judaism are headed for damnation. There is nothing they can teach us, we have the answers not them.

In fact, you can insert any false religion here that does not believe in Christ as the only way to be saved. All false religions will lead you into damnation.
