

STRONG DELUSION Pt.3: FREE WILL, FREEMASONRY, VACCINES

To know God you need the full council of His Word. He never changes and so we can learn a lot about Him by reading the Old Testament as well as the New Testament. The passage we are about to read is God speaking to the Israelites.

Isaiah 66:2b-4 - but to this *man* will I look, *even to him that is* poor and of a contrite spirit, and trembleth at My word. He that killeth an ox *is as if* he slew a man; he that sacrificeth a lamb, *as if* he cut off a dog's neck; he that offereth an oblation, *as if he offered* swine's blood; he that burneth incense, *as if* he blessed an idol. Yea, they have chosen their own ways, and their soul delighteth in their abominations. I also will choose their delusions, and will bring their fears upon them; because when I called, none did answer; when I spake, they did not hear: but they did evil before Mine eyes, and chose *that* in which I delighted not.

They were only giving God lip service but they did not love Him and obey Him from their hearts. So He said that everything they were doing in pretense of worship to Him was actually an abomination to Him. And because they were not worshiping Him in sincerity then He said He would bring delusion on them. He called and they did not respond, He spoke and they did not listen but continued in their wicked ways.

NO FREE WILL

Is the false teaching that there is no free will strong delusion? There are plenty of people that think because God has predestined some of us to be with Him that there is no free will. They believe there is nothing you can do if you are not chosen by God for eternal life then that's just the way it is. So they have the attitude: either God will save me or He won't but I'm not going to do anything on my part because I can't do anything anyway.

Romans 8:29 - For whom He did foreknow, He also did predestinate *to be conformed* to the image of His Son, that He might be the firstborn among many brethren.

This passage speaks of predestination. We have to understand this passage based on our knowledge of God. He is eternal, He has always been and always will be.

He was never born and will never die. Before anything was, He existed. He knows everything and He knew the end from the beginning. **(Isaiah 46:10)** He knew us before we were born. **(Jeremiah 1:5)** So He knew already who was going to come to Jesus and be saved. Knowing those of us who would be saved, then He predestined us to be like Christ. We still had to make the decision to come to Jesus when God drew us by His Spirit and we still have free will to obey Him or to backslide away. We still sin and that is done by freewill. A true Christian doesn't stay in sin, doesn't live in sin but is quick to repent. **(1 John 3:9)** But we all have free will.

God doesn't make or force anyone to come to Him. To me those that believe they don't have to do anything are just lazy. They don't want to obey. So it's easier to just say if God wants me to be saved then He will do everything. They just want to live the way they want to and stay in their sin. Those who are not actively coming to Christ are damning themselves to hell because the Bible says that everyone who calls on the name of the Lord will be saved. **(Romans 10:13-15)**

FREEMASONRY

Is freemasonry strong delusion? The lower level initiates believe it is a type of Christian religion or whatever religion the person who is joining subscribes to that believes in a supreme being whether that's the God of the Bible or not. Jim Shaw wrote about what he witnessed when he was invited to be initiated into the 33rd degree and there were initiates who swore on the Koran. So we see already it is a false religion. A real Christian has no business participating in it in any way shape or form. Christianity is not inclusive, it is exclusive. Jesus is the only way to God and to eternal life. The truth of Freemasonry is veiled from the lower initiates, they are the pawns that lend credibility to it. Because they are people in your community and church who believe it is a good organization. They have been given the smoke screen meanings to all the symbolism of freemasonry and don't know the truth and aren't doing any research to learn the truth either.

Those initiated into the higher degrees learn that it is truly worship of lucifer once they reach the upper degrees.

From research:

One must understand that when it comes to esoteric and exoteric symbolism, that division exists also inside the Masonic brotherhood. The newcomers and low level masons, so called blue degrees (first three degrees), learn only the exoteric meanings of the Masonic symbols. The esoteric level is kept secret and meant only for the ones high up in the hierarchy.

If you don't believe me, just read this quote from *Morals and Dogma* by the 33rd degree mason Albert Pike.

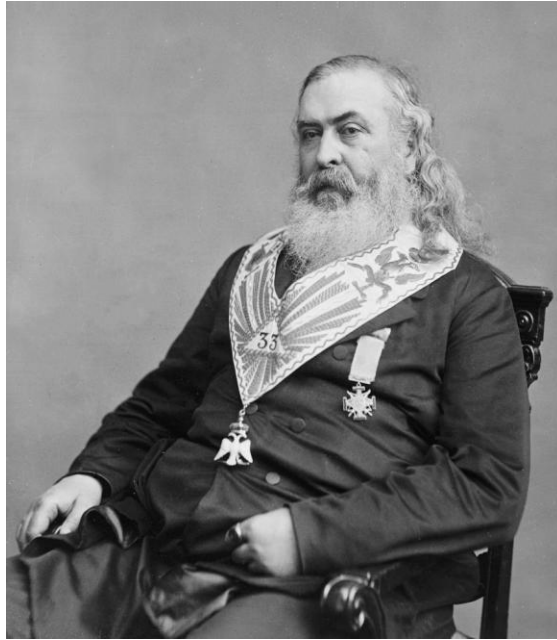

“The Blue Degrees are, but the outer court or portico of the temple. Part of the symbols are displayed there to the initiate, but he is intentionally misled by false interpretations. It is not intended that he shall understand them, but it is intended that he shall imagine he understands them... The true explanation is reserved for the Adpets, the “princes of masonry.” - Albert Pike (*Morals and Dogma*)

Exoteric symbolism is a term that refers to symbolism that is suitable for the general public or is intended to be imparted to the public. The opposite of exoteric is esoteric, which refers to symbolism that is secret or has an inner meaning. 

The terms exoteric and esoteric originated in ancient Greece, where they were used to describe those who were initiated (eso, meaning "within") and those who were not (exo, meaning "outside") in the mysteries. The terms were later used to describe the distinction between teachings given to the general public and those given to a select group of disciples. 

Exoteric symbolism is a term that refers to symbolism that is suitable for the general public or is intended to be imparted to the public. The opposite of exoteric is esoteric, which refers to symbolism that is secret or has an inner meaning.

The terms were later used to describe the distinction between teachings given to the general public and those given to a select group of disciples.

This is Albert Pike in all of his freemasonic regalia. A prominent member of the [Freemasons](#), Pike served as the Sovereign Grand Commander of the [Supreme Council, Scottish Rite, Southern Jurisdiction](#) from 1859 to 1891. You can see the double headed phoenix on his sash and the emblem hanging from it. That means to hold rule over the government and religion – to be sovereign. Only The Lord God Almighty is Sovereign.

ALBERT PIKE
33°

33° ALEISTER CROWLEY'S
BAPHOMET X

HENRY C. CLAUSEN
33°

Here is Albert Pike on the left and he is wearing the same symbol in the middle which is Aleister Crowley's Baphomet X symbol. Henry C. Clausen another 33rd degree freemason is sporting the same symbol in worship of satan on the right. Baphomet is satan and that is the god of the freemasons. Albert Pike has sung lucifer's praises in his writings.

2 Timothy 2:15 - Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

God's ministers are not the only ones who are to study His Word. The Berean's certainly searched out the Scriptures. **(Acts 17:11)**

Freemasons take initiations to be part of that organization. Witches take initiations to be in a coven. The illuminati take initiations. That should be a red flag right there. They all have this in common. God expects you to know what you are participating in. There is too much information at our fingertips now to remain ignorant of what freemasonry really is. If you are in freemasonry and are ignorant of the truth of what it is, you might still be saved if you are really a Christian and in ignorance about all of this. The longer you stay in it the better your chances are for getting yourself damned to hell. Because you have gotten initiated into a false religion, you will have open doors to demons in your life and you will not have God's full blessing on your life. The higher initiates, those that run this world for satan will certainly enjoy eternity in the lake of fire. Freemasonry comes from the mystery religions and Judaism and all of that is witchcraft. It is a fertility cult and its god is lucifer. For those of you in freemasonry, now you know the truth and you will be held accountable for what you do with this knowledge.

VACCINES

Are vaccines strong delusion? God showed me the truth about vaccines back in 2017 through Dr. Tent. He also revealed more about the vaccines through Tony Pantalleresco. I have shared this information especially in the sermon series entitled "The Coronavirus" and I left it as all one word since mainstream media was running it altogether. I also did 4 updates entitled "Exposing Coronavirus Vaccines" that should help to wake you up about vaccines.

The vaccines are an agenda. satan came to steal, kill and destroy. They are a big money making agenda for the luciferians and they are destroying lives and killing countless numbers through the vaccines. You will never hear that on mainstream media. A lot of truth has come out since the corona virus agenda. A few weeks ago I was talking to my Aunt who was a nurse for most of her life and she said that she had taken the corona virus vaccine and then she got the virus. She said she did not believe she would get another one. She said there is something different about these vaccines. Used to be that when you got a vaccine you did not turn around and get the very thing you were vaccinated for. She had a good

point and she's lived long enough to see how things are changing. I don't think she is necessarily awake about the vaccine agenda, but she did at least wake up about these recent vaccines. I think she said she'd be 90 years old on her next birthday and her attitude was if I did because I took it, then I've already lived a long life.

A lot of truthers started calling the corona virus vaccines the mark of the beast and that's not true. They were wrong and no one has held their feet to the fire on their false teachings and false predictions. They said it was the mark because it had luciferace in it and hydrogel and nanotechnology. A couple of the corona virus vaccines used mRNA and that will change the person's rna. None of these things are good and vaccines are not good for us period. They gained a lot of ground and flexed their muscles with the corona virus agenda and vaccines but they still are not the mark of the beast. The mark of the beast is going to be visible on the person for all to see and know who has denied Christ and accepted the mark of the beast. No one had to deny Jesus to take those shots. I know several christians who took the shot. The mark will be on the hand or the forehead and no one that I know has ever taken a shot into the forehead.

(Rev.13:16)

It set our nerves on edge and we felt that things were moving very fast when they started mandating the vaccines in certain places, testing the waters. It got inconvenient to shop or go to the dr's office and it divided us tremendously. But buying and selling continued for those of us who did not take the corona virus vaccine, so no it was not the mark. Vaccines have been around a long time and they are getting worse. They are using them as bio-weapons against us. Next time they roll out another agenda like this one, they will be pushing everyone to get those vaccines, including those that took this last round. When someone receives the mark of the beast it is a one-time deal. They deny Christ and willingly receive the mark and then it is done, period.

God expects us to take care of His temple, that is our bodies.

1 Cor.3:16-17 - Know ye not that ye are the temple of God, and *that* the Spirit of God dwelleth in you? If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which *temple* ye are.

That is a Mandela effect where it says defile, it should say if any man destroy the temple of God. We are to do our best to take care of our bodies so that we can continue to be used by God for His purposes and glory. It is high time to wake up and learn the truth about today's vaccines. Stop blindly following the government which is not a righteous government. We don't have godly rulers like King David anymore. Pray for more godly discernment.

For those Christians that believe vaccines are great and the government loves us and would never hurt us - taking the vaccine did not damn their souls to hell. They are deceived about vaccines and about the government which is the beast system. I'm not saying that at some future date the government won't pair a vaccine with the mark of the beast but right now, as of this date, they have not done that. So no one is going to hell because of taking a vaccine - yet. In the future if they pair it with an outward mark, then it might very well be the mark but remember no one will be able to buy anything or sell anything without taking it.

CLOSING

You can be deceived about wickedness going on in this world and yet still love and serve Jesus and die and still go to heaven. Christians are on all different levels of growth and knowledge. We don't all know and learn the same things at the same time. Many are completely oblivious about vaccines and the medical industry and the government. The closer you walk with God, the more He will reveal to you.

I grew up in a time when it was the normal thing to do, have your children vaccinated. We had Kennedy vaccinated and then we learned the truth and we dropped out of that non-sense. All you can do once you have learned the truth is go forward and trust God for everything to go according to His plan for your life.

PRAYER

Healing – Sister Kimberly's dad had to have his shoulder surgery opened back up because infection had set in.

Sandie - she broke her leg and was allergic to the pins they used in surgery to repair her leg. From this allergic reaction she acquired rheumatoid arthritis,

numbness in her arms, hands and feet, and her feet hurt all day long now. She also has spinal stenosis - her back has compacted discs. Her back keeps going out on her.
