

# STRONG DELUSION Pt. 6: ALIEN INVASION, PROJECT BLUE BEAM, MARK of the BEAST

## ALIENS

If the luciferians use the lie that those taken in the rapture were just abducted by aliens, will that be the strong delusion of the tribulation? They have been conditioning us for this one for quite some time. They show so much truth to us in the movies and books they write and market it to us as “entertainment” but they reveal so much truth that way. That way it is hidden in plain sight. The pope has said that we should accept alien forms of life as they too are our brothers. The catholic leaders have written papers in favor of extraterrestrials etc. Part of the delusion can also be that they will try to set it up to fool Christians into believing that all hope is lost and that the “aliens” are good guys here to save us from the bad “aliens” who invade earth and the only way out is to go with the good “aliens”. DO NOT FALL FOR THAT NON-SENSE. There are no good or bad aliens – they are all demons and work for their master satan and all they want to do is deceive you and lead you away from Christ and to damnation with them for all of eternity.

Our government knows full well what an alien is and that they have been here on the earth for quite some time. Think back to what we learned from Phil Schneider when they were digging the Dulce deep underground military base. He was lowered into a hole and had a shoot out with aliens who are demons and he lost fingers and had his chest torn open. Later he shared that he walked into a high level clearance meeting and the aliens were running it. That all helped to wake him up to realize how far gone we already were at that point and he started going around participating in conferences to expose this and get it out to the American public. Our government has actually signed treaties with these demons. We wanted their fallen angel technology and in exchange we agreed to let them have humans and animals and we would just turn a blind eye to what they were doing. The “we” here is the government which is the beast system. Of course they have no problem making these kind of deals, they serve satan himself. Roswell was real and they lied and said, oh look it was just a weather balloon. That’s what the government does all the time. Just lie and make stuff up and because you see it on tv or the radio, it is believed without any questions being asked. People are losing their lives for getting truth out. satan has always worked to shut up the truth.

\*Please play from 28:58 to 31:55 This is from the movie “Left Behind: Rise of the Antichrist” and we are about to hear the worldly explanation of the rapture. STOP

The beast government made up a report that there was a second vanishing of people but yet there seems to be no evidence of it. They could not track down anyone who had witnessed it. They are talking candidly while waiting for their coverage of the UN press conference. He asks Ana what she thinks. She says she believes what the senator said about the second wave happening. She said he is a good man and why would one of our government officials make something like that up, just to scare us? It is ridiculous. Buck says there were no reports of any unusual activity in the sky or around the earth’s orbit. He asks her if she is still sticking to the UFO theory and she says of course. She said what else could have done something like this? Another reporter said that many of the scientists he spoke to seem to think this is not the first time these vanishings have happened on this planet. Then Buck said well this is the first time any of us noticed. Then the guys says, we are talking about millions of years ago, long before people were recording history. Then he says in fact that is probably why there are gaping holes

in the fossil record showing the totality of human evolution. The lady says in fact maybe the UFO's have been here many times. Then the guy says then why has no one ever seen them. The lady sarcastically says you just said there was no one here to report them millions of years ago. They then go to the pastor on stage to get his opinion. He initially stated that the vanishings were the Christian rapture. He said that's true and it was a bit scary. But now he says there are so many Christians still here including 100's from his own church. He says, there's no way it could've been the rapture. But that doesn't mean God didn't have His hand in it though. The Bible does teach that God will send a powerful delusion in the last days. He says he personally believes that this whole vanishing thing is part of that. Buck says, well let's all try our best not to add to those delusions. This other guy asks Buck what he thinks. He says the way he sees it there's only one other explanation that doesn't require an appeal to an imaginary power or an unseen force. He then says it is simply a new technology that has caused the "vanishing." He says, I mean you'd think we would stop being so surprised about what the human race is capable of creating at this point. We've all watched people disappear on Star Trek and then he begins to talk about robots etc. Then he says why not the transporter beam? Then Ana says so you are saying this is a man made weapon. He says, I never said weapon, I said technology. Arthur C. Clark once said that any sufficient need to advance technology is indistinguishable from magic. What I take away from that is we don't need to look for magic just because we don't understand something. Then a government official comes forward to make a speech about the vanishing (s) to encourage the people to unite and become one after this "reset." \*(About 3 min's)

Those who have blindly believed everything the government has said will not see through this lie either. The movie went on to say through a break through news report that was supposedly from the main character, Buck, that the government had stated that the rapture had been debunked. This would help their efforts to get the people to believe their lie that the vanishings had nothing to do with Jesus or The Bible or a rapture. The rapture has been fought so hard. When something is hated and fought so hard against, you better stop and dig in and take a better look, there's usually truth there. I have taught about the rapture, Pastor Erustus believes in a rapture and one strong passage to walk away with is:

**Rev.17:14** – These shall make war with the Lamb, and the Lamb shall overcome them: for He is LORD of lords and KING of kings: and they that are with Him are called, and chosen, and faithful.

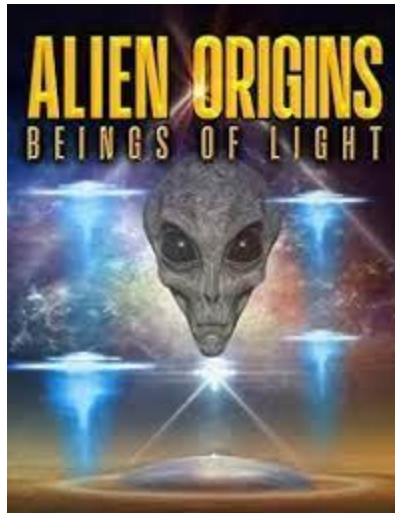

That is the bride of Christ who comes back with Him when He fights the battle of Armageddon. We are chosen and called – not the angels – this is about the true Christians. The holy angels are part of Christ's army too but they are not considered chosen or called. They have remained faithful to Him.

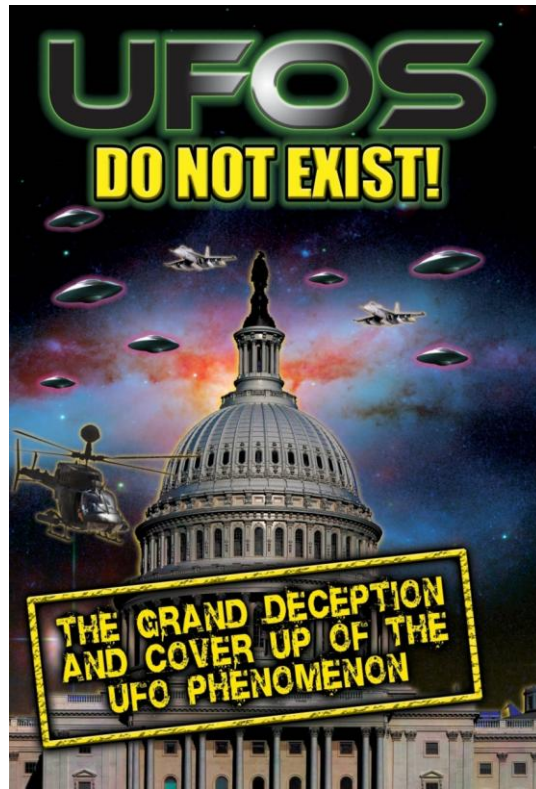

This was from online. Aliens are demons. If you don't understand this then you'll be greatly deceived during the antichrist's reign. A powerful delusion is coming for those who love not the truth (2 Thess.2:9-12). In 95 AD the Apostle John wrote Revelation. He mentioned that these frog looking beings are in fact demons. He also mentioned that they perform signs and in the last days they will be teamed up with world leaders to battle against God.

**Rev.16:13-14** – "And I saw, coming out of the mouth of the dragon and out of the mouth of the beast and out of the mouth of the false prophet, three unclean spirits like frogs. For they are demonic spirits, performing signs, who go abroad to the kings of the whole world, to assemble them for battle on the great day of God The Almighty."

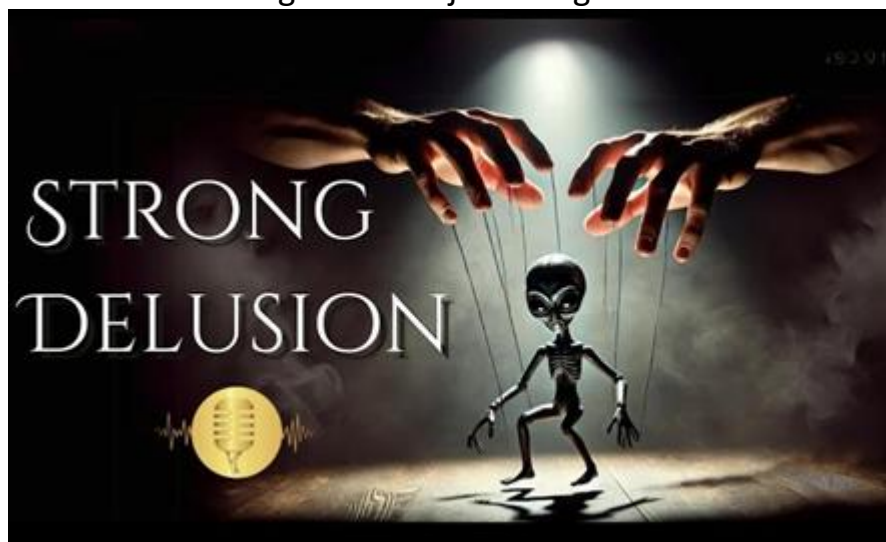

I can see how they are making the connection from what we have been told are demons to the unclean frog-like spirits. They do sort of look like frogs. But to be straight to the point, they are demons, they are fallen angels. Satan's copy cat trinity during the tribulation is totally under demonic influence and the antichrist is possessed and empowered by Satan.

Alien origins – beings of light. Jesus is The Light of the World. This thing doesn't look like anything to do with light at all but only evil, dark and wicked.

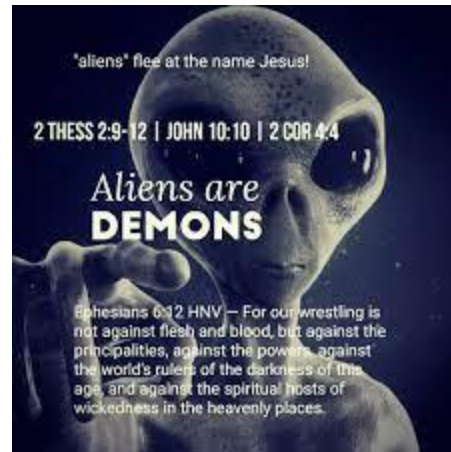

Here's another deception that the government has tried to play on us. Just saying we aren't seeing what we see, it is just deflated weather balloons flying around etc. They have studied the fallen angel space craft and back engineered them and have this type of technology for themselves right now. The question when you see this stuff is – is it fallen angels or is it just our government.

And have you noticed that the government turns on a dime and walks back their stories at their convenience. They'll just flip the script during the trib and say,

there really were UFO's and aliens all the time and we just didn't realize it. When they give it the official seal of approval, sign off on it as truth, the people will believe it.

This one may be too small to see but it was another online picture I saw. They clearly state "aliens" flee at the name of Jesus! So that speaks volumes, I've heard several testimonies of those that saw aliens and when they begin to speak Jesus' name the aliens flee. They are demons and demons do bow the knee to Christ, the obey Him. They reference the Hebrew Names Version Bible:

**Ephesians 6:12** – For our wrestling is not against flesh and blood, but against the principalities, against the powers, against the world's rulers of the darkness of this age, and against the spiritual hosts of wickedness in the heavenly places.

The only way we can fight them now in this life is through Christ, being saved and having His blood applied to our lives and being filled and sealed with the power of The Holy Spirit. Then we have the power in us that fights them and protects us, alerts us and teaches us. Jesus holds all power and we as Christians carry His name and authority against fallen angels.

## **PROJECT BLUE BEAM**

I believe Project Blue Beam will be used during the tribulation as part of the strong delusion used at that time on the masses. They have been hard at work getting their satellites in space, their mirrors and fake suns etc. They have tested their technology by causing images of cities to appear in the sky. They run their tests and then they just make up crazy stuff to dismiss whatever the people say who saw their test run. If you don't know what Project Blue Beam is please go to

the church website and watch that sermon series. I have included a link in the info. box where you are watching and on my sermon notes.

## **MARK of the BEAST**

You can still be saved if you take the mark of the beast. Have you heard this one? I showed a clip of a pastor years ago that told someone they would be ok if they took it. That is a lie and not in accordance with God's Word at all.

**Rev.14:9-11** - And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive *his* mark in his forehead, or in his hand, The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb: And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receiveth the mark of his name.

The wine is symbolic of God's judgement and wrath being poured out full strength on them.

If you take the mark of the beast, the number of his name which is 666 or his symbol whatever it turns out to be, or his name in any way, you will be damned to hell and yes, believing this is certainly strong delusion.

Some symbols that could be used for the mark are a triangle, an X and a cross. With the triangle, think back to the Egyptian mystery religions where satan ruled as the god 'amen.' The pyramid honoring satan is on the U.S. dollar bill.

L: Madonna with an illuminati jacket featuring satan's eye in the triangle as the sun god of Egypt. Top: Rihanna and Jay-zee throwing up pyramids and Bottom: Beyonce dressed as an African goddess named oshun. But she is also wearing a sun halo in honor of satan, the sun god that she serves. It doesn't end with Hollywood, sports players do this, government officials do this, mega business owners do this all to pay homage to their god. The illuminati show the symbol of the triangle all the time to show their allegiance to satan.

Another symbol is the X. Just like what Elon renamed twitter to. X is a symbol of satan, baal the sun god, the god of the luciferians. X is displayed symbolically paying homage to him in almost every movie.

The X in the Phoenician alphabet was the taw letter and stood for the cross. The taw was like a capital T. The Babylonian god Tammuz was adopted by the Romans who used crosses (altars to their god Tammuz) to crucify people. Christ willingly went to that pagan altar, a cross, for us. So the X or even a cross could be the mark. Because the cross never stood for Jesus or represented Him at all. God has no symbols or images so that no one gets confused in worshipping Him through any pagan means. **(Acts 17:29)** Jesus went to that Roman cross to suffer and die for us so we could be set free. That is what the cross means to me but I am aware of its pagan origin.

\*Please play from 2:15:38 to 2:19:ish... – This is Gail Riplinger speaking on the new age bible translation changes: STOP

When we look at the new versions instead of saying 'is saved,' 'is baptized,' 'are sanctified', 'are dead', 'are washed', 'are justified' – all present tense. They say you have been or you were or you are being. The notion there, there's a book called Catholics and Christians, that book is written by a Catholic priest. So that if a Christian were to ask you if you were saved you tell them you have been saved at baptism as an infant, you are being saved now through your good works, and you might get saved when you go to heaven. So the NIV and the NASB has no present security of salvation. The young ladies at the university were very insecure about their salvation because of this. You see lots of changes to the new versions that are comparable to the Roman Catholic System. Rev.2:15 – says the doctrine of the Nicolaitans, nico means to conquer and laitans means laity, to conquer the people. The doctrine of the Nicolaitans, which thing I hate, God says

He hates the idea of a priesthood being over people rather than The Lord Jesus Christ and His Word being over people. So the new versions just say the teachings of the Nicolaitans – they take out “which thing I hate.” The KJV says in Col. 2:18 intruding into those things which he has not seen. The NASB presents the exact opposite impression there, it says “taking his stand on visions he has seen.” Now we have visions of Mary appearing in Germany now that are telling people to take a mark on their forehead. Catholics around the world now will see a vision and take a look in their bibles and think this is fine to take a mark on their forehead. They have manipulated the the translations to keep people from figuring out where Mystery Babylon sits which is Rome.\*(about 4 min’s)

**\*\*\*NEED HELP TO FIGURE OUT THE END TIME – I DON’T NEED THE PART WHERE SHE GOES INTO MARY HAVING OTHER CHILDREN. CUT AFTER THE MYSTERY BABYLON IN ROME PART.\*\*\***

Gail does not seem to be aware of The Mandela Effect. However, she has done a great job pointing out so much of the corruption with these new age bible translations. I played some of that clip because I want you to understand how much more tampering has gone on with the new translations.

When she talked about these visions of Mary appearing and telling people to take a mark on their forehead, that is easily accomplished through Project Blue Beam with their wicked technology and manipulations in the sky. They have technology to do this. Catholicism has been set up in such a way to make it the perfect religion to go hand in hand with getting the mark.

This is Mark Wahlberg sporting his ash cross that they get on their foreheads for Ash Wednesday. Let's look at the truth behind what they are doing with this mark.

In the year about 200 BC, a mystery cult known as Cybele cult began to appear in Rome. The Cybele cult flourished on today's Vatican Hill. Cybele (Semiramis in Rome) had a son named Attis (Tammuz in Rome) who was believed that he died and resurrected on the third day, each year, during the period from 22<sup>th</sup> March to 25<sup>th</sup> March. The Cybele cult celebrated this spring festival which began as the day of the blood on Black Friday, rising to a climax on the third day, in rejoicing over the resurrection.

Celebrities are used to move the people along with satan's agenda – they are idols and puppets.\*

**Proverbs 1:24-33** - Because I have called, and ye refused; I have stretched out My hand, and no man regarded; But ye have set at nought all My counsel, and would none of My reproof: I also will laugh at your calamity; I will mock when your fear cometh; When your fear cometh as desolation, and your destruction cometh as a whirlwind; when distress and anguish cometh upon you. Then shall they call upon Me, but I will not answer; they shall seek Me early, but they shall not find Me: For that they hated knowledge, and did not choose the fear of the LORD: They would none of My counsel: they despised all My reproof. Therefore shall they eat of the fruit of their own way, and be filled with their own devices. For the turning away of the simple shall slay them, and the prosperity of fools shall destroy them. But whoso hearkeneth unto Me shall dwell safely, and shall be quiet from fear of evil.

God is the same yesterday, today and forever.

**PASTOR ERUSTUS SHARED**

We talked about this years ago. He said, during tribulation times, God sends a delusion to people who will be part of the church and those not yet in church, who after several times heard the word of truth but rigidly/ intentionally in their hearts refused to love and accept, to obey God's truth but rather purposed to enjoy the wickedness of the world. They will not have again an opportunity to believe God's truth. There will be no more sacrifice for their sins, but judgment.

The delusion is the lie deduction of demons not to believe and love God's truth. Many will turn from believing in God's truth to believe a lie by turning to loving a wicked life.

9-11-24 His thoughts on this today: Pastor I also believe as we keep learning and growing in Christ Jesus more truth and revelations will manifest. Yes God can work the delusion in many different ways. Evil keeps on increasing even with new inventions of technology and through this, delusions will come in a big way. (Think about Project Blue Beam, Mind Control, Targeting, Clones etc.)

Looking at what's happening in the world, once saved always saved , same sex marriages in church, prosperity gospel, am a good person no need for Christ, am rich not poor so am ok with God etc., I believe it's an indicator of those already delusional now and will go into tribulation. I think delusion is already going on and tribulation will be a culmination of everything that the Bible prophesied.

Pastor I know they will keep on using deception to make many get lost but am sure God in His own ways will keep protecting His remnants. The Holy Spirit living in us will guide us into God's truth even at times of confusion and mix up in this world. You are right Pastor the greatest deception is not believing in Christ Jesus. The devil thrives on lies and is so subtle that without the Holy Spirit and living according to truth you cannot discover him. It's true that if one will not accept and walk in truth, he/she will get delusional.

I think we have always thought strong delusion was going to be this thing or that thing etc. Whatever they roll out that surprises us next. But really that is wrong thinking. Just think like this, what is the one truth that God is truly concerned about?

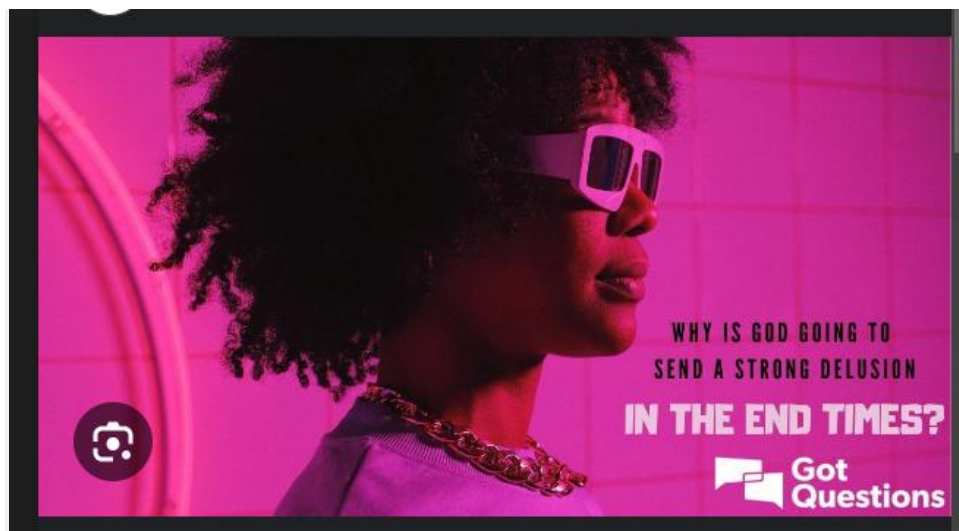

**John 6:29** - Jesus answered and said unto them, This is the work of God, that ye believe on Him whom He hath sent.

God sent us Jesus. Jesus left His riches and glory in heaven to come and walk this earth in the flesh and sacrifice Himself for us and shed His blood for us so we could be forgiven and brought back into a right standing with our heavenly Father.

**John 14:6** - Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by Me.

Jesus told us over and over who He is. The Father said He sent His only begotten Son because He loved this world so that those who believe in Him, and that means obey Him, would not perish but have everlasting life.

## **CLOSING**

Why is God going to send a strong delusion in the end times?

Let's look again at our main verse concerning this whole sermon series – 2 Thess.2:10 in the NLT:

### **New Living Translation**

He will use every kind of evil deception to fool those on their way to destruction, because they refuse to love and accept the truth that would save them.

He (the antichrist) will use every kind of evil deception to fool those on their way to destruction, because they refuse to love and accept the truth that would save them.

Those who refuse the gospel message of salvation are strongly deluded and disillusioned for not loving and accepting God's truth Who is Christ, He is the truth that saves.
