

# FREEMASONRY Pt. 11: FERTILITY CULTS, HUMAN SACRIFICE, FIONA BARNETT

Hi Pastor Cherie,

Blessings to you, the church and your family! We thank you for all your prayers and your sermons. We are watching every week and thank you for all that you are doing. Jesus is Lord and we are blessed to have been led to you and the Three Hearts Church. We wanted to give you an update on Kim's health. Praise the lord, that Kim has been given the opportunity to be treated for cancer at the (Top Tier) Mayo Clinic Hospital in Rochester Minnesota. 100% fully covered at no cost to us. This is a true blessings from our Holy Father and Lord Jesus Christ as cost for anyone going through cancer gets really expensive. We are just so thankful for lord providing our every need.

Since the (HER2+ Breast Cancer) has spread to her bones, back and brain, she will be going through hip surgery, radiation on her back vertebrae and chemo to stop the spreading of the cancer. We had some pastors from the area come in and pray for her and they also watch your sermons. Glory be to God and our Lord and savior Jesus Christ of Nazareth. We are praying, reading the word of god and standing firm in our faith. We have also prayed for blessings over all the Mayo Team of doctors, nurses, staff, treatments and medications.

We thank you and God Bless you, your family & the Church

Blessing from Franco & Kim

Please stand with us in praying for Kim to be completely healed and delivered from cancer. Let's keep her and her family in prayer. Jesus is our Healer and He can do anything and all things bow to Him, He holds all the power.

**WARNING – THIS IS MATURE CONTENT AND VERY GRAPHIC IN NATURE, NOT FOR YOUNG CHILDREN.**

I have spoken on freemasonry in the past and in many sermons but in this sermon series I am concentrating on really bringing out the hidden information, the root and truth of freemasonry. I'm compiling it so that you can really get a hold of

what our world leaders and the hidden hand who rule behind the scenes believe and practice.

In part ten we learned that when Osiris was murdered and cut into pieces, Isis also called Asherah and Easter in our Bibles – searched for the parts of his body. She found them all except for the male genitalia. She then made an image of his genitalia and consecrated it to be sacred in the ancient Egyptian mystery religion. The images of the male genitalia that she made are in the form of standing stone pillars as well as obelisks which we call in this country, monuments. That means when she did this, all those who worshipped her and Osiris began to worship Osiris' phallus through the use of the pillars, standing stones and images. These images have been worshipped in these cults ever since. Freemasonry is no exception, at the high levels they participate in the same things that went on in ancient times. I have heard the testimonies from reputable sources and I have been sharing to you the very things hi-level freemasons have written, taught and practiced.

Asherah was called the queen of heaven in our Bibles and Isis was a sky goddess also called the queen of heaven. Even though there are many "queen of heaven" goddesses, they seem to be the same one. The name Isis means throne, she is in our Bibles **Jer. 44:19** as the "queen of heaven". She was considered goddess of magic, queen of Babylon, sometimes she is represented as a kite bird.

Osiris and baal of our Bibles seem to be the same one also. We know that hi-level freemasons worship Osiris, so that would make sense that he is also baal of the caananites because they are both satan. And I have laid out plainly that they are worshipping lucifer and he and satan are one and the same. They have figured out how to get people to worship baal but not make it obvious that they are doing that until they reach the higher levels when they are then told plainly they are worshipping lucifer. baal is the very one that God warned His people all through Scripture not to worship and here the freemasons are carrying this on as are the Jesuits, illuminati etc. Those at the top levels and in all positions of power all around this world have continued in the ancient mystery religions and they do worship baal and asherah even though they go by many names.

**2 Cor.4:4** - In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them.

The god of this world is satan. God is allowing him to rule this world until He sends Christ back for His bride and that event will kick off the tribulation. To rise up in power in this world, you will bow to satan. Now as Christians, we know that Jesus is all powerful but in this life we have to choose what master we will serve. The freemasons have chosen a different master.

satan is called baal in our Bibles and one of his names in freemasonry is Osiris and then we have asherah in our Bibles also known as isis in ancient Egypt, Osiris and Isis were fertility deities. Same as baal and asherah were fertility deities. Let's get a better understanding of what fertility worship is because that is a huge part of what freemasonry is at its core, a fertility cult.

In ancient Near Eastern religions, prominent fertility deities included Baal, the Canaanite god of fertility, rain, and storms, and Asherah, the Canaanite fertility goddess, who was also associated with motherhood and nature. 

#### Canaanite Pantheon:

- **Baal:** Considered the supreme Canaanite god of fertility, sun, and storm. He was also associated with rain and storms, and his victory over death was believed to bring renewed fertility to the earth. 
- **Asherah:** A prominent goddess in ancient Near Eastern mythology, associated with fertility, motherhood, and nature. She was also known as Asherah (or Ashtoreth) in the Bible. 
- **Astarte/Ashtart:** A goddess of sexual love and fertility, also associated with war. In Canaanite religion, she played the role of a divine courtesan. 
- **Anath:** Baal's consort and sister, also associated with fertility. 

In ancient near eastern religions, prominent fertility deities included baal, the Canaanite god of fertility, rain and storms, and asherah, the Canaanite fertility goddess, who was also associated with motherhood and nature. This is where the term mother nature comes from.

#### Canaanite Pantheon:

baal: Considered the supreme Canaanite god of fertility, sun and storm. He was also associated with rain and storms, and his victory over death was believed to bring renewed fertility to the earth.

asherah: A prominent goddess in ancient near eastern mythology, associated with fertility, motherhood, and nature. She was also known as asherah or Ashtoreth in the Bible.

astarte / ashtart: A goddess of sexual love and fertility, also associated with war. In Canaanite religion, she played the role of a divine courtesan.

anath: baal's consort and sister, also associated with fertility.

These all sound like the same one under different names to me. So we see that these false gods and goddess were fertility gods among other things.

**Judges 2:11-13** – And the children of Israel did evil in the sight of the LORD, and served Baalim: And they forsook the LORD God of their fathers, which brought them out of the land of Egypt, and followed other gods, of the gods of the people that *were* round about them, and bowed themselves unto them, and provoked the LORD to anger. And they forsook the LORD, and served baal and ashtaroth.

baalim is plural for baal meaning they served his images. These images are a direct link to him. The Luciferians study the Bible so they can do the exact opposite of it. They practice witchcraft out of the Egyptian Book of the Dead, one of their main religious books. Osiris who I believe is the same as baal, and I have already shown in the past weeks to be Lucifer is a deity in the Egyptian Book of the Dead. One of their sacred books they study. They get their power from Satan and his system of worship and the greatest sacrifice they can bring him is a human sacrifice and they do still honor him in this way today.

In ancient times, fertility worship involved rituals and deities to ensure successful harvests, healthy children, and the continuation of life, often featuring symbolic acts and sacrifices to appease deities associated with fertility and the natural world.

In ancient times, fertility worship involved rituals to deities to ensure successful harvests, healthy children, and the continuation of life, often featuring symbolic acts and sacrifices to appease deities associated with fertility and the natural world.

Some of the symbolic acts were sexual in nature, ritual sex or sacred sex which was always a perversion against God. This was done to emulate the gods themselves and please them in order to get them to move favorably on behalf of those seeking them. They also gave human sacrifices.

**Jeremiah 19:5-7** - They have built also the high places of baal, to burn their sons with fire *for* burnt offerings unto Baal, which I commanded not, nor spake *it*, neither came *it* into my mind: Therefore, behold, the days come, saith the LORD, that this place shall no more be called Tophet, nor The valley of the son of Hinnom, but The valley of slaughter. And I will make void the counsel of Judah and Jerusalem in this place; and I will cause them to fall by the sword before their enemies, and by the hands of them that seek their lives: and their carcasses will I give to be meat for the fowls of the heaven, and for the beasts of the earth.

The high places of baal were shrines, pagan shrines just like the mystic shrine in freemasonry. They sacrificed their children as burnt offerings to satan / baal. God never wanted human sacrifice. So satan has made that a priority in worship of him and the fallen angels. Those who want more power, fame, fortune, money, sex and seeking immortality from satan – do bring human sacrifices in worship of him still to this day.

God was so disgusted by what was happening in this place that He said it would be known as the valley of slaughter. That is because He was going to pour out His judgement against these abominable acts. Those who are still doing these horrific things have God's wrath to look forward to.

Cathy O'Brien shared about how the government luciferians made her attend a Catholic black mass which was a blood ritual to help shatter her mind and program her. They called it the "rite to remain silent."

This is Fiona Barnett. She has survived ritual abuse, MK Ultra mind control programming and the luciferic organization. She speaks out boldly about what happened to her, naming names including being raped by Billy Graham at Bohemian Grove. The shills try to discredit her and do smear campaigns against her. The truth is fought against and suppressed and censored. She has shared about many rituals being done in Roman Catholic Churches outside of the public eye. I thought we could use a reminder from a first hand witness and someone who has experienced these things so that we can realize and remember they are still doing this horrific stuff today. We think the things in our Bibles only went on in ancient times but it's still happening today. Many of those who have dared come forward and talk about these things have given their very lives for getting the truth out. Let's watch this video clip of Fiona describing a ritual sacrifice she was made to attend at the age of 15. This ritual was held at The Bathurst Memorial Entertainment Center in New South Wales, Australia.

\*Please play from 22:36 to 32:05 Fiona describes a ritual sacrifice she was made to attend. This ritual was in Australia at Bathurst Memorial Entertainment Center. In the 1980's. She was 15 at the time. She was made to lie down on an altar while an Australian actor, Bruce Spence raped her. Then they brought out a heavily pregnant woman. The famous Australian soccer player, Richie Benauld, held the ceremonial dagger and they all worshipped their gods: baal, lucifer,

saying hail satan, son of the morning and all of the other gods and goddesses. (There was a large ritual banner hanging in the background called the Seal of Solomon with a huge eagle on it. After chanting and saying all of their ritualistic words and whatever, they were holding the pregnant woman down and cut her open killing her and then they killed the baby too. They did not drug nor hypnotize the woman so that the fear would fill her bloodstream and the baby's bloodstream with adrenaline. Then they gathered the baby's blood into a chalice and cut the baby up and put it on a gold platter. And then they pass it around for holy communion. This is their black mass. She says it is a typical old fashioned black mass that the Catholic Mass is based on. They drank the blood and ate parts of the baby. Next they lined the stage with children somewhere between the ages of 8 to 10 years old. They were very attractive children. They were hypnotized and they did nothing but stare straight forward. The actor had a very sharp samurai sword and he went along behind them and cut their heads off. Then Kim Beazley a high ranking government official took one of the children's heads and approached Fiona (15 years of age) and made her take a bite.\*(about 9.5 min's)

World leaders, actors, sports stars as well as respected "clergy" do attend and participate in these rituals. She said the place was packed with cops, dignitaries, councilmen, the mayor, Prost and local churches. This ritual took place at the time of the Bathurst City races so there were tons of people in town. They hold their rituals at the same time as large events like the Olympics, races, sporting events, etc. so as to give them cover and not draw suspicion.

She mentioned the gods they were worshiping, baal, lucifer, satan – son of the morning and all the gods and goddesses. Those three will always go together: baal, satan and lucifer – same one, and son of the morning is one of his titles.

**(Isaiah 14:12)**

Luciferianism, which includes Freemasonry, is a huge well organized network. They have checks and balances to keep themselves protected while they do their wickedness. The police commissioner was participating in this ritual. Remember the Hampstead children saying the cops are involved and CPS is involved, the school system is involved etc. Ted Gunderson discovered the FBI and government

involvement and spoke out about it and they began to target him and finally took him out.

Even when people like Fiona share the most gruesome details of what they do, they still continue to thrive and remain in power because the truth is censored, blocked, suppressed and fought against just as it always has been. People are not looking for this kind of information and therefore they are just ignorant about the whole thing.

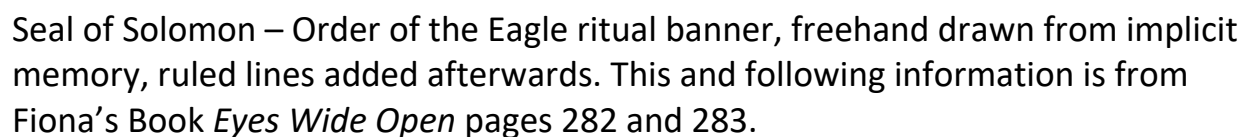

Beazley, flanked by Consul General Karen Lanyon, Mayor Eric Garcetti and US Ambassador to Australia, Jeff Bleich, in California, May 2015. Beazley's father was the one that was one of the main speakers at this ritual Fiona just spoke of. This man is a luciferian, raised in a luciferic family and taught the worship of satan. These people pictured are freemasons, in secret societies, in the illuminati and the culmination of it all is that they are luciferians. They practice and hold to the "pure" luciferian doctrine as Albert Pike mentioned in his writings, when he stated that lucifer is god and that lucifer is good. They are evil and wicked and filled with demons. You will not be in a top level position like these people if you are not a luciferian and remember Max Spiers said that they have all had the key of Solomon done to them. The Key of Solomon is sodomy and from there, they grow up and become the sodomites. God hates sodomy so satan honors it.

Ted Gunderson said this sort of thing went all the way to the top. Cathy O'Brien talked about this sort of thing. Donald Marshall has been talking about this stuff.

I shared that video clip again to show you that just as in Biblical times when they sacrificed their children to baal, they are doing the very same things today under cover of darkness. They sacrifice humans, the pregnant woman was sacrificed, the baby was sacrificed and the young children were sacrificed. They ate them and drank their blood, then they had a sex frenzy. The adrenochrome or loosh is a drug to them and they are filled with demons who thrive on all of this.

## Symbology Explained

1. Rod of Asclepius (top left) A serpent entwined around a pole was the original symbol of modern medicine. The Rx symbol that doctors write on prescriptions stands for the Eye of Horus. The original Hippocratic Oath was sworn by pagan gods including Asclepius.
2. Trident (top right) or Psi, the Greek symbol for Psychology or Mind Control.
3. Delta (bottom left) Triangle divided into three triangles, represents the satanic trinity.
4. Cleopatra's Needle (bottom right) a circle dissected by a vertical line that began in its middle and exited its base. It is the 2D representation of a hypodermic needle penetrating a cell. The 3D equivalent is the obelisk which is meant to be a giant hypodermic needle and not a phallic symbol. Hence the name 'Cleopatra's needle.' It represents genetic engineering, cloning, transhumanism - true Alchemy. ((I believe the obelisks has a dual meaning because I believe it is a phallic symbol as well.))

## CLOSING

The whole thing was a ritual, they had their banner, they had their chants, they called on the name of satan and the false gods and goddesses. They took a satanic communion, drinking the blood of the baby and eating the baby. These things are all such great abominations against God. **(Deut.12:23, Lev.17:14)**

These people are filled with demons. They have no regard for human life. When they perform these acts of worship, they are rewarded with more demonic power. They get more demons inside them and at their disposal to work more supernatural things for their own benefits. They are honored in satan's system of worship and that is how they move up the ranks in this world. That's why they are doing all of this. I praise God for those who have made it out like Fiona.
