

FREEMASONRY SYMBOLISM Pt. 1: CROSSED ARMS and X SYMBOL, GOVERNMENT OFFICIALS

I'm starting something new on freemasonry today. From time to time I am going to begin releasing messages that reveal masonic coding and symbolism. I am teaching on and exposing crossed arms and the X symbol today and future parts will eventually get to the point that I'm just releasing pictures for you to see the coding, signs and symbols of freemasonry. We learn a lot easier visually.

God has called me to expose the evil works of darkness and to help you to have eyes to see. I'm going to show you some of their hand signs and some of the symbolism they use to identify each other, to speak to the brotherhood and pay allegiance to their god, lucifer. They use the hand signs and symbolism to speak to the brotherhood saying I'm one of you, I sold my soul too. When they are used in conjunction with an event or false flag or news story or political campagne or agenda etc., they are saying "we did this." They all use the hand signs and symbolism to pay homage to their god. It's part of what they must do as part of their bargain with satan.

Remember satan is the god of this world. **(2 Cor.4:4)** That means that he promotes those that serve him, they get placed in positions of power and prominence in this world. Whatever you want to call them, luciferians, illuminati, freemasons, jesuits, secret societies or witches, they own the media, they are Hollywood, they are all of professional sports, government leaders, professional musicians, mega corporation founders, big banking like the Rothschilds and those that created the fed, top military leaders, mega church leaders, and all radio persona. When I say all, I mean all. Even the so called christian media has bowed to satan and the so called christian radio has bowed also.

God wants us to be discerning and not be deceived by these people who are serving a different master and serving his agenda.

NLT

Prov.26:24-28 - People may cover their hatred with pleasant words, but they're deceiving you. They pretend to be kind, but don't believe them. Their hearts are full of many evils. While their hatred may be concealed by trickery, their wrongdoing will be exposed in public.

Luke 8:17 - For nothing is secret, that shall not be made manifest; neither *any thing* hid, that shall not be known and come abroad.

At the right time, God will expose the secrets of those that serve satan and of what goes on in this world. He will expose these things in the light and make them known to the public. God does not want us to be ignorant about how satan works in this world and who he is using to carry out his plans. **(2 Cor.2:11)**

Daniel 12:4 - But thou, O Daniel, shut up the words, and seal the book, *even* to the time of the end: many shall run to and fro, and knowledge shall be increased.

Daniel was having visions and dreams from God. And here we see that God said at the time of the end many shall run to and fro and knowledge shall be increased. We are living in that time right now.

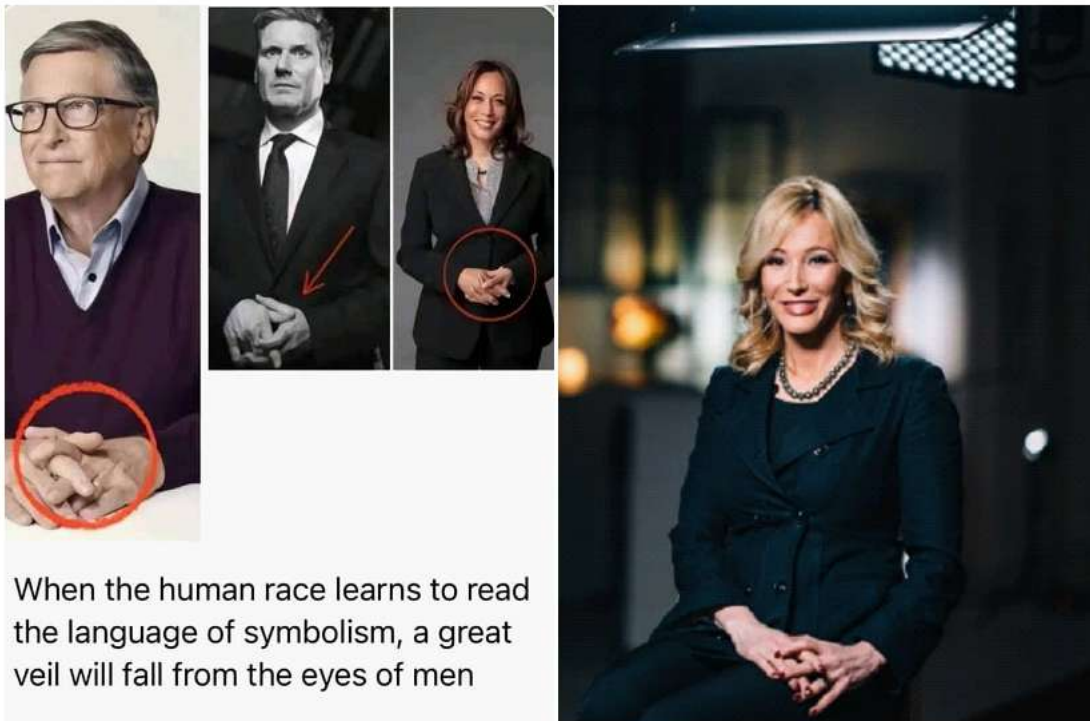

and knowledge will increase.

The increase in knowledge can be seen as both a positive and a negative development. On one hand, it may refer to a greater understanding of God's plans and prophecies as the end times draw near. On the other hand, it could also indicate a surge in secular knowledge and technological advancement, which can lead to both progress and moral challenges. This aligns with **2 Timothy 3:7**, where people are "always learning but never able to come to a knowledge of the truth," highlighting the potential for knowledge to be misused or misunderstood without divine wisdom.

Let's look closer at knowledge increasing:

The increase in knowledge can be seen as both a positive and a negative development. On one hand, it may refer to a greater understanding of God's plans and prophecies as the end times draw near. The fallen angel technology we have now has done so much to increase knowledge today. In times past I believe it was harder to understand many of the wicked things I have been led to expose through this ministry but we are without excuse today. We have access to so much information right at our fingertips. The luciferians are revealing their codes, symbols and signs right in front of us. They hide the truth in plain sight. It's really not hidden but we have not understood these things and haven't seen it for what it is. I praise God for everyone He draws to this ministry because our knowledge certainly is increasing. I praise God this ministry is not guilty of ever learning and never coming to a knowledge of the truth. We have the knowledge of the truth which is Christ. If you are not in Christ then you will never fully understand spiritual things and you will not know the truth even if you are a deep researcher. If you aren't in Christ you have not come to the knowledge of the truth, Christ is truth. **(John 14:6)**

When the human race learns to read the language of symbolism, a great veil will fall from the eyes of men. You can easily see that they are doing very similar and weird intermingling of their fingers – they are talking to the brotherhood. These are wicked people. L: Bill Gates R: Kamala Harris – I don't know who's in the

middle. R: Paula White, one of Trump's spiritual advisors. They blatantly do these things because they know we have basically been clueless about all of this.

CROSSED ARMS and X SYMBOLISM

In the "AMEN" teaching series part 6, I taught X and the crossed arm symbolism. I spoke about it again last week in the sermon series on "Freemasonry" part 15. I am going to give a refresher on the crossed arms and X symbolism today.

Freemasons serve Egyptian gods. The head god of Egypt was satan under the name amen another name of satan's in Egypt was Osiris. The X always points to Osiris. Here you see these people crossing their arms mimicking Osiris. They, for example, don't look like freemasons to me, just tourist. This type of symbolism that I'm exposing does not apply to regular people or to real Christians. It means nothing to us if we cross our arms. But we need to understand this so that we can break down main stream news stories and shill channels or that is controlled opposition online. The internet is filled with shills and controlled opposition whose sole purpose is to detour you from the truth and keep you confused and blinded. You need to be able to know who is speaking and what they are really saying.

In Ancient Egypt they used to cross their arms on Ancient Egyptian sarcophagi because the arms crossed made the constellation of Orion in the night sky and Orion was associated with Death.

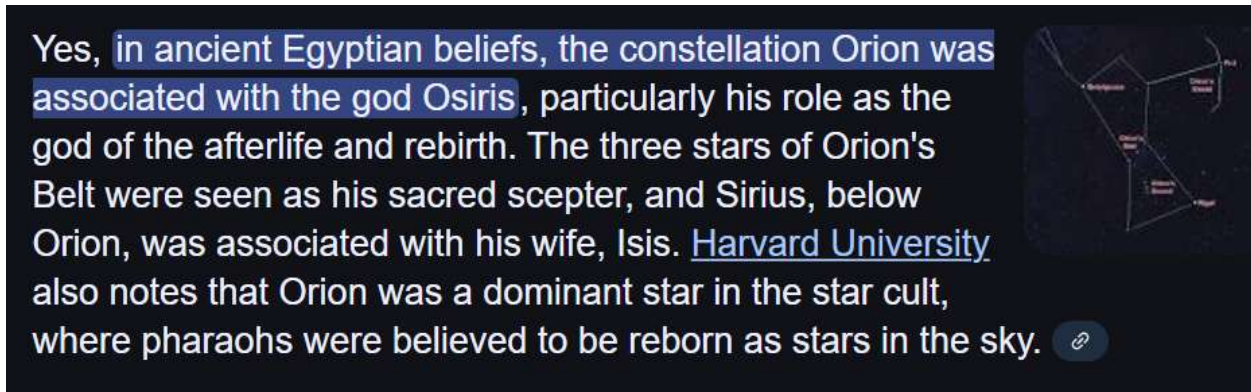

In ancient Egypt they used to cross their arms on ancient Egyptian sarcophagi because the arms crossed made the constellation of Orion in the night sky and Orion was associated with death. Here is another reason the illuminti pose for pictures with their arms crossed. All about the god of death who is satan. More than the constellation of orion being associated with the letter X, I have found osiris holds a stronger connection to X.

The caption for this picture was: The Ancient Egyptian god Osiris, god of Orion with an “X” on him which represents Orion. Osiris is the god of the dead, despite claims that Osiris is Jesus because those in the occult teach that Osiris came back from the dead. He is more closely related to the Virgin Mary who is a god of death in Freemasonry.

Interesting that in the occult Mary is a goddess of death. She is worshipped in the Roman Catholic Church which is a false religion. She is not worshipped by real christians and what this is talking about is an evil spirit that responds to veneration and summoning in freemasonry under the title Virgin Mary.

As to Osiris being the god of Orion,

listen to this: In ancient Egyptian beliefs, the constellation Orion was associated with the god Osiris, particularly his role as the god of the afterlife and rebirth. The three stars of Orion's Belt were seen as his sacred scepter, and Sirius, below Orion, was associated with his wife, Isis. Harvard University also notes that Orion was a dominant star cult, where pharaohs were believed to be reborn as stars in the sky. So Osiris and Orion are one and the same and now we have yet another name for satan – orion.

THE X = OSIRIS RISEN. If just one or two high-level people did it then it might be coincidence...but when they all do it...then you must realize there's an evil secret meaning behind it! [#secret](#) [#symbolism](#) [#secretlanguage](#)

Osiris is the Egyptian god of the underworld and judge of the dead, brother-husband to Isis, and one of the most important gods of ancient Egypt.

The occult meaning of the X symbol is simple...it is the sign of Osiris...the sun god.

X = OSIRIS RISEN - Egyptian god of the underworld!

According to Jim Tresner, 33° Freemason (Scottish Rite Journal) - The Illuminist/Masonic meaning of the X is simply this: It is the sign of OSIRIS, the great (Egyptian) sun god. OSIRIS = satan/devil.

Srujan Jeremiah shared out online the following: The X = osiris risen. If just one or two high-level people did it then it might be coincidence...but when they all do it...then you must realize there's an evil secret meaning behind it! [#secret](#) [#symbolism](#) [#secretlanguage](#)

They got it right. osiris is the same as baal in Scripture and satan and lucifer. All the same one.

X = Osiris risen – Egyptian god of the underworld. This is baal from Scripture who is satan.

Ancient God of Death with a saltire cross which represents Orion.

Ancient god of death with a saltire cross which represents Orion. So we have another witness here of X also being associated with Orion – ancient god of death.

Scythian god of Orion doing the crossed arms.

This is a Scythian god of Orion doing the crossed arms. No matter how you slice it, osiris or orion either way, it goes back to satan as the god of death and the underworld.

Inca God with crossed arms.

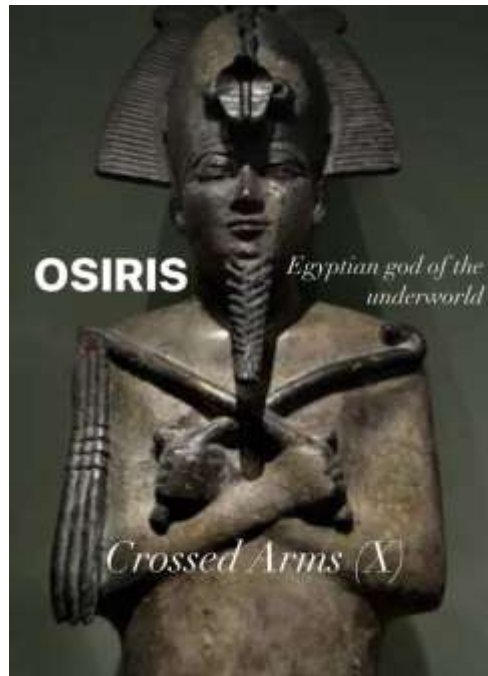

Here is an Incan god with crossed arms. You will see the crossed arms and the X symbol across nations and cultures around the world and it all speaks of baal, satan, lucifer, osiris and now we can add orion to that list.

Aleister Crowley.

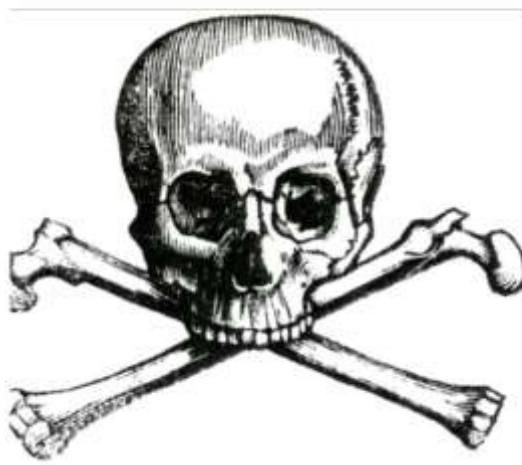

Here is a major guru of luciferianism, Aleister Crowley with crossed arms and pharaoh attire as well. In “The Freemason Series” we already learned that hi-level freemasons are occultists and they do worship Egyptian gods which are fallen angels.

Another statue of osiris, Egyptian god of the underworld, showing us the crossed arm (X) symbolism. All those who serve him, will speak the language of symbolism thus showing us the sign of the X in allegiance of orisis / baal / lucifer / amen / orion – etc. Hi-level freemasons have laid it down plainly in their writings that they serve lucifer and adhere to his system of worship and doctrine.

Skull and Bones. The Brotherhood Death secret society symbol to do with Orion but not the "All Seeing Eye."

Skull and Bones. The brotherhood death secret society symbol to do with Orion but not the “all seeing eye.” Here again the secret society “Skull and Bones” shows their allegiance to osiris with the bones making the X symbol.

Osiris on his throne, which is called the square in freemasonry. He is bound like a mummy signifying death and has the X sash on himself. They serve him as the god of the underworld, the god of death.

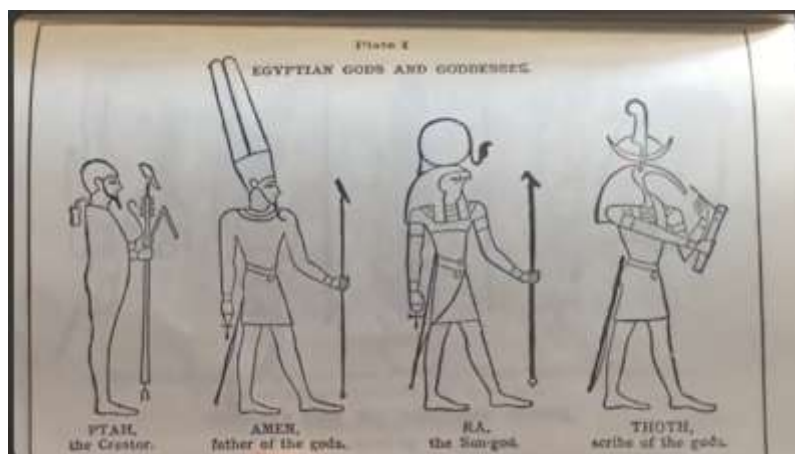

L-R: Osirus, arms crossed with his crook and flail for power and dominion. M: Amun-Min as Amun-Ra ka-Mut-ef from the temple at Deir el Medina. And R: The god amun/amen-min with an X for death as well as being painted black for death and he has a sun or solar disk on his head to represent being a sun god – this is

satan. It all goes back to the ancient mystery religions of Egypt and Babylon. The same gods were served in Babylon under different names.

Orisis, Oscar, ptah. Notice how all these statues look similar. We have not been researching ancient Egyptian gods to see the connection of what Hollywood and freemasons do right in front of our faces. Hollywood serves satan and the fallen angels. They are demonically talented. These are egyptian gods, fallen angel idol representations.

Here's a refresher on who ptah is, in the freemasonic bible he is listed as the Egyptian creator god. That's a mockery of Christ Who created all things.

(Col.1:16)

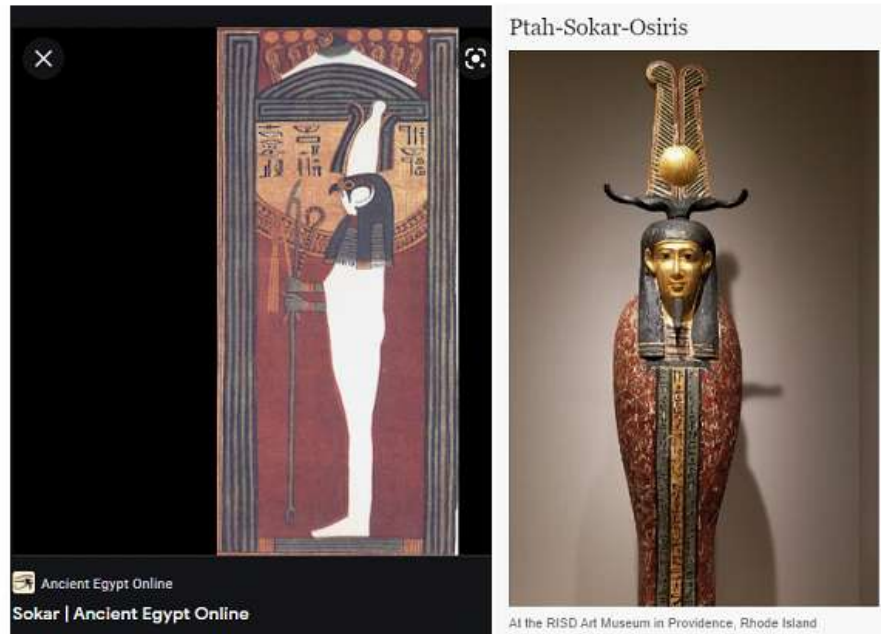

This is who Hollywood serves. Egyptian gods who are satan and the fallen angels. Oscar looks just like ptah, one of the freemasonic Egyptian gods. Oscar is an anagram fro socar/sokar.

Ptah-Sokar-Osiris:

In later periods, Sokar merged with Ptah (the creator god) and Osiris (the lord of the underworld), forming the deity Ptah-Sokar-Osiris, who encompassed all phases of life, including creation, death, and rebirth. [🔗](#)

Ptah-Sokar-Osiris: In later periods, sokar merged with ptah (the creator god) and osiris (the lord of the underworld), forming the deity ptah-sokar-osiris, who encompassed all phases of life, including creation, death, and rebirth.

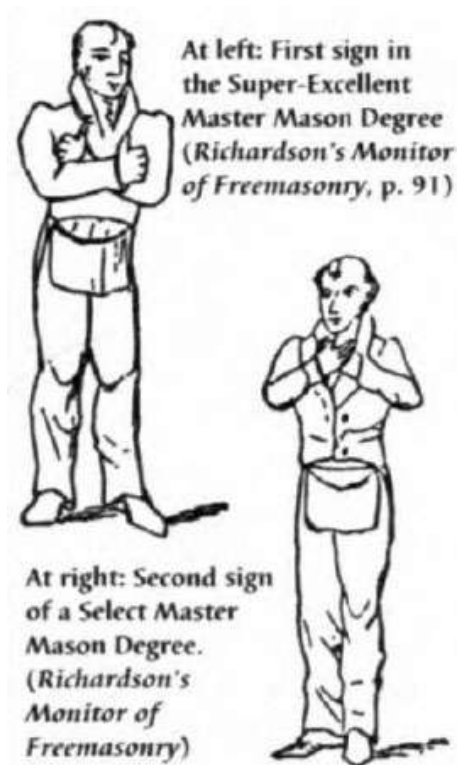

Left: Sokar ancient Egypt online Right: Ptah-Sokar-Osiris – At the RISD Art Museum in Providence, Rhode Island. This is a depiction of the false god socar who merged with ptah and osiris. Hollywood’s little idol statue they call Oscar is just an anagram of this god’s name.

So now we understand there was a false god of death in Egypt called socar – unscramble it and you get Oscar. Notice the “A” makes the pyramid shape with socar or Oscar standing in the middle of the pyramid taking us back to ancient Egypt. Everything they do in Hollywood, in the movies, in television, in the main stream news is all scripted, all coded using their language of symbolism.

An Egyptian pharaoh making the Osiris X with the crook and flail.

Here are the freemasons. This information was revealed in "Richardson's Monitor of Freemasonry." Top left: First sign in the Super-Excellent Mastor Mason Degree. This is the one I am going to focus on in this release. So they cross their arms to

make an X. And I have learned there are various ways that they cross their arms. One hand can be hidden or both hands hidden or both hands out. The hands can be in a fist or they can be laid out flat. They can place the hands higher toward their shoulders or lower etc. Each of the different ways they cross their arms and the placement of their hands means something different. The brotherhood can distinguish what is being said. I don't know all of their codes or what each one means but I do know when someone famous, or government officials, professional sports players etc. is posing for a picture and they cross their arms it is on purpose and it speaks to the brotherhood.

Because most people look up to and idolize professional athletes and Hollywood actors, regular people are mimicking what they do and say, this is where discernment comes in. The things I'm revealing don't apply to regular everyday people like you and I, it applies to those serving satan's agenda, those he has a covenant with and has placed in prominent positions to serve his purpose ultimately.

It is very important that we understand their symbolism so that we are not deceived by them. Now that I have laid out plainly the meaning of the X and the crossed arms in luciferianism, in freemasonry, in the Jesuits, secret societies, the illuminati etc. I want to show you how they speak with this language of symbolism today in our time. We are very visual learners so let's take a look at some pictures of them crossing their arms like osiris who is lucifer. Let's start with some government officials. I'm mainly focusing on the U.S. but wherever you live, you can look up your government officials and see the very same symbolic language.

Obama, crossed arms on cover of GQ Magazine and posing in the White House the same way. A magazine cover and an official White House picture posed the exact same way on purpose. Notice on GQ they have two big X's there. If you finish drawing the lines out it makes the square and compass of freemasonry. X as we now know stands for osiris the god of freemasonry who is satan, the god of this world. X in Pythagorean is a 6 and $6 \times 6 = 36$ which is another way of saying three sixes which is 666 – the mark of the beast. They code everything they do.

Former first lady – man Michelle Obama. She was called Michael by Obama himself. There's some good research out there showing her to actually be a man. They love to pull that one on us, present someone as a man that is really a woman or present a woman that is actually a man. They do this all through Hollywood and the government etc. even sports. This pleases satan because it is a perversion of God's greatest creation which is man.

This is Kamala Harris, former vice president. These poses are on purpose. Speaking to the brotherhood.

This is what you are seeing our government officials doing. They are saying to each other, I'm part of the luciferian brotherhood – they are saying they serve osiris who is satan. The long for satan to rise up against God. They want him to take his stand against God by possessing and empowering the antichrist and fighting against God.

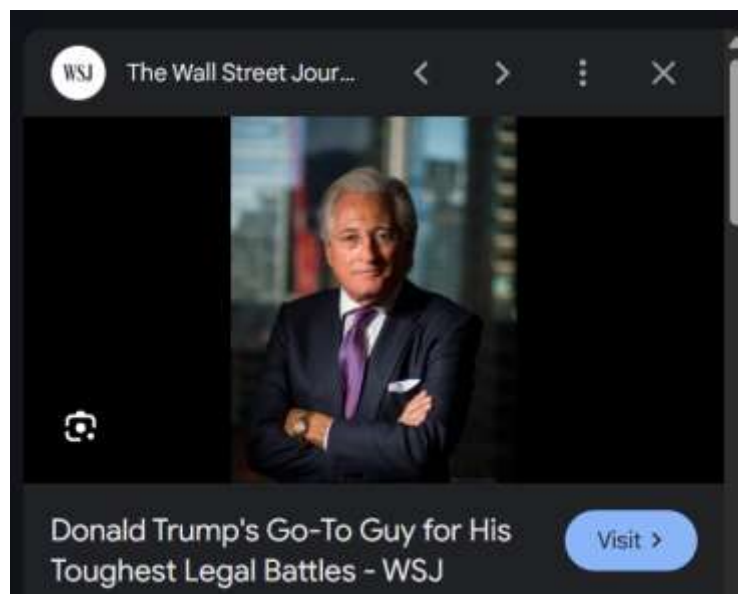

Official Whitehouse photos of Biden and Obama, crossed arms are by design, they are speaking without saying a word. Notice they have one hidden hand. They are freemasons and illuminati.

Trump doesn't get a pass, he's a luciferian too. He's does the crossing the arms a lot so I tried to get some pics that seemed more posed like this one standing at the White House podium.

Here he is in the oval office. It would be more comfortable to lean on the desk with crossed arms but he's not doing that. They like to portray him as being opposed to things or people and that's the reason for the crossed arms but it isn't. He throws a lot of Masonic symbolism out there all the time and I will bring that out as this series goes on.

The people surrounding Trump are freemasons too. Donald Trump's go-to guy for his toughest legal battles. His lawyer is speaking to the brotherhood.

JD Vance official portrait, 2025. He just looks wicked.

Another shot so you can see he does this on purpose and this is a posed for picture. He does this just as much or more than Trump does.

Melania Trump's official White House photo is speaking as well.

Nicola Sturgeon, Prime Minister of Scotland doing the Masonic crossing of the arms.

Here “she or he” is in her kitchen doing the crossed arms of Osiris. This one could be a man.

Mike Quigly – congressman.

CLOSING

Matt.10:16 – (Jesus speaking here) Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.

Those serving satan are compared spiritually to serpents because they serve satan, the old serpent from the Garden of Eden. **(Rev.12:9)** The Holy Spirit is not a dove but He is compared to a dove's gentle nature and the imagery of The Holy Spirit settling on Jesus was described like a dove gently floating down and settling on Him. We are supposed to be able to discern through the power of The Holy Spirit who serves satan, the wolves and serpents of this world and how they are working in this world and what they are doing. If we do not, then we will be deceived by them. We will believe them and follow them and this could end in our demise.
