

FREEMASONRY SYMBOLISM Pt. 2: CROSSED ARMS, X SYMBOL, GOVERNMENT, HOLLYWOOD, TOWER of BABEL

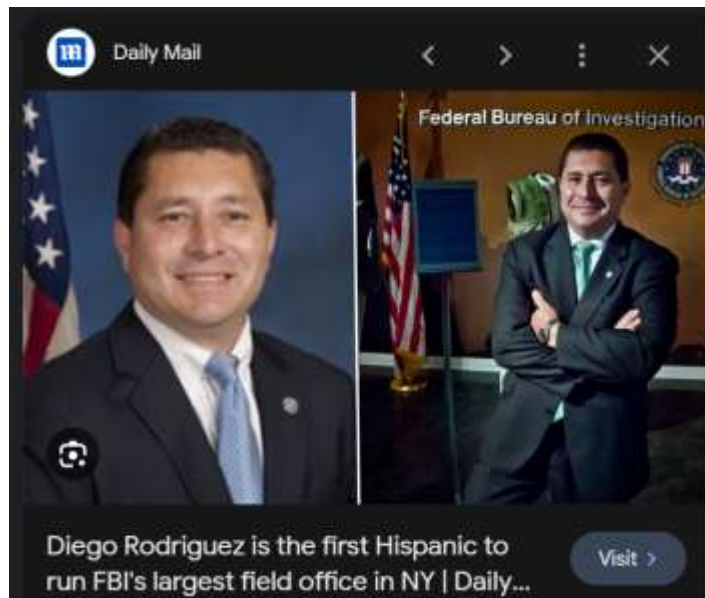

Osiris, Egyptian god of the underworld holding the crook and flail in the shape of an x. The crook and flail symbolizing his power and dominion. His arms cross making an X. The pharaoh is doing the same thing. Top R: First sign in the super-excellent master mason degree (Richardson's Monitor of Freemasonry, p.91). They show their loyalty to Osiris with their crossed arms and X symbolism. Osiris is lucifer – same one. Lucifer is the god of the underworld. There are other fallen angels associated with death and the underworld but satan rules over them all, the underworld is his domain. Those that serve him will show allegiance to him and will speak this symbolic language of the luciferians who are hi-level freemasons.

GOVERNMENT OFFICIALS

I'm picking up where I left off last week revealing our government officials speaking without saying a word. There are many variations of the crossed arms and you will see some of them as we go along.

Former First Lady, Laura Bush

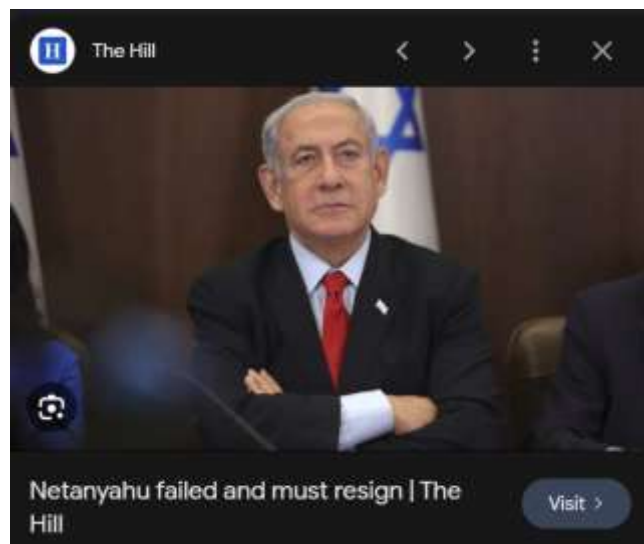

Diego Rodriguez is the first Hispanic to run FBI's largest field office in NY. Notice is crossed arm pose on the right. Remember the story Ted Gunderson shared of the woodsman who stopped a ritual human sacrifice in California. He had a shoot out with the occultists and while he was chasing one of them down the guy said he

might as well give up because they had the FBI in their hip pocket. He found a card with a number on it that the leader of the ritual had dropped and called the number and it went straight to the FBI. Remember the Hampstead children saying the police were in on it, CPS was in on it etc. Ted Gunderson said Satanism went all the way to the top of our government.

Here's the famous government doctor Fauci. I can't say too much here or the video will get pulled down because of censorship. He is speaking to the brotherhood.

Netanyahu failed and must resign. He is the prime minister of Israel. He is right where they want him to be, playing his part and acting out his script.

Elon Musk, say it isn't so.

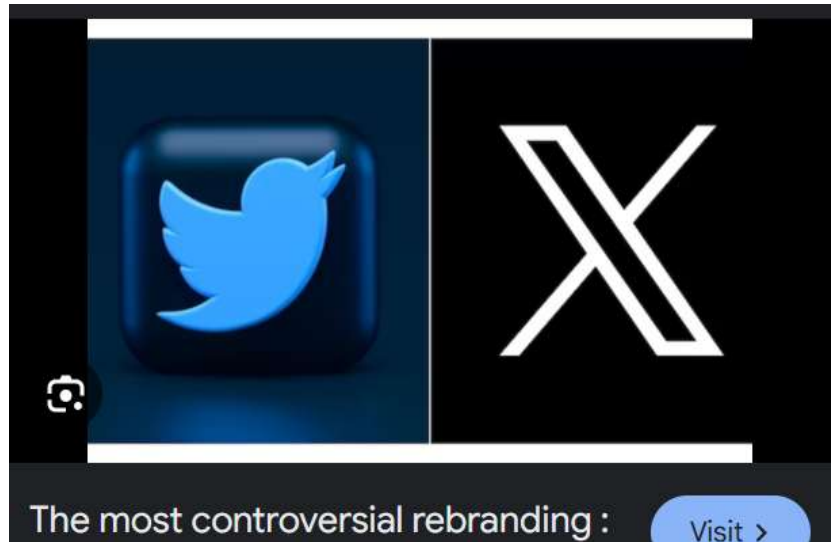

Freemasons doing the X for osiris risen

Here's another pose for osiris risen.

The U.S. Journal – Bad news for progressives, Elon Musk blocks Disney Pride content on X and says ‘Woke’ is not for kids. I agree with this. The role they have Elon playing is presented to us as good, pure wholesome things. He’s on our side and out to change things for the better. That’s the role Trump is playing too. They don’t just play bad guys, lucifer always place his servants on both sides to keep us blinded to his plans and agendas. And so we don’t suspect them of evil when they seem to be doing good. Facebook and social media is flooded with these type of meme’s that are usually just propaganda put out by our military. Elon is a luciferian. The woke agenda is a luciferian agenda. Ultimately they are on the same side.

The most controversial rebranding. What do you think Elon Musk was saying when he changed Twitter's logo and name to X? Bold move for his god – symbolic language of the brotherhood of osiris.

Here's Elon's company – SpaceX. The X is overly accentuated in honor of the god he serves and on the right he's standing in the freemasonic pose with the other freemasons doing the same thing behind him.

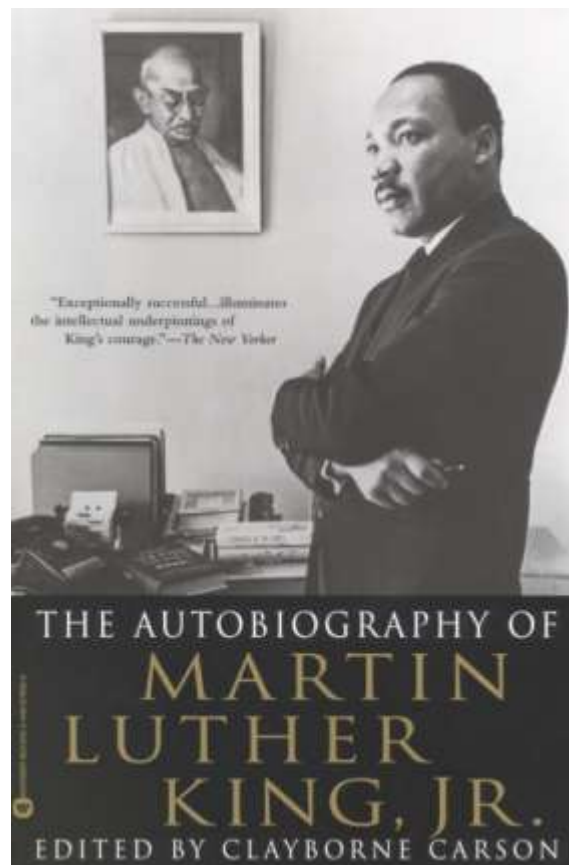

Elon Musk has something to say about who he serves and is paying tribute to the phallus in the background. Remember freemasonry is a sodomite sex cult as well.

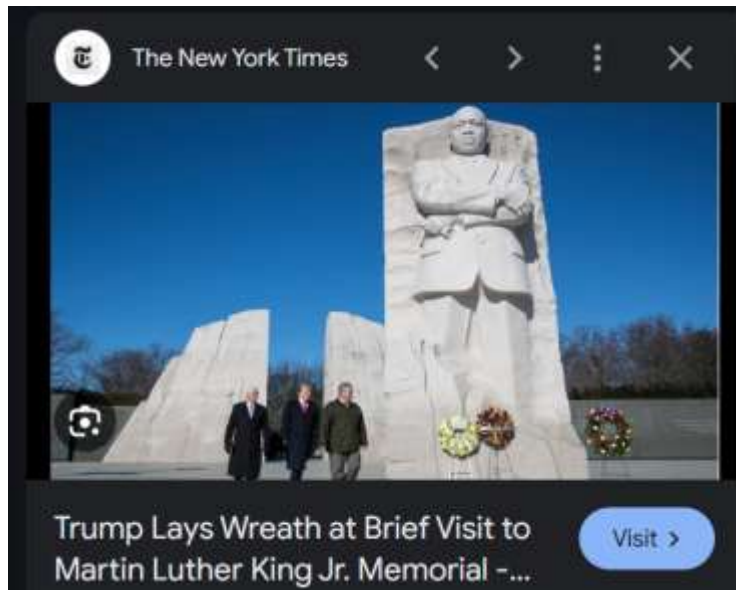

Here he is with crossed arms again on Fortune magazine. He is named for his god, el was the god of the Canaanites. And the last part of his name "on" is an epithet

for osiris - who is lucifer. Unscramble Elon's name and you get leon which means lion in Greek which would refer to satan walking about as a roaring lion seeking whom he may devour. **(1 Peter 5:8)** His initiated name speaks volumes.

He named one of his children X AE X-12 and calls him Lil' X. These people honor their god in all that they do.

Martin Luther King, Jr. crossed arms on his autobiography. In the background above his desk is a picture of Gandhi. If you were a Christian, why would you feature a Hindu on the cover of your own autobiography? All those in luciferianism have initiated names, names that mean something in their religion. His initials, MLK, stands for molech the god who required human sacrifice and that is satan.

Trump lays wreath at brief visit to Martin Luther King Jr. Memorial. Sad to say but they have been deceiving us for a very long time. Even Martin Luther King Jr. was one of them and used by them. They love duping us, even this statue has crossed arms or the x for osiris risen.

[Theodor Herzl](#) was the founder of the Modern Zionist movement. In his 1896 pamphlet *[Der Judenstaat](#)*, he envisioned the founding of a future independent Jewish state during the 20th century.

Theodor Herzl was the founder of the Modern Zionist movement. In his 1896 pamphlet *Der Judenstaat*, he envisioned the founding of a future independent Jewish state during the 20th century. He is speaking the same symbolic language of freemasonry here. Zionism is against God and those at the top of it are luciferians.

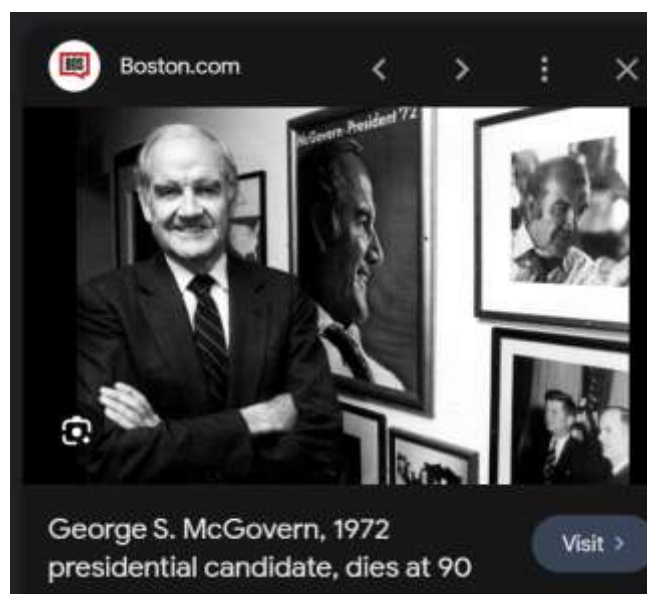

Thank you Vanessa for letting me know who this guy was that I showed doing the creepy symbolism with his fingers pictured here on the right. He is Keir Starmer, Prime Minister of the UK. He's sporting the crossed arms too. Every world leader is in the beast system and will show allegiance to satan.

John Podesta, former campaign manager for Hillary Clinton. In 2022 he was the White House deputy Chief of Staff. Posing with the crossed arms for lucifer.

He was in Hillary's e-mails and the whole pizza gate scandal that uncovered hidden codes they were using for pedophilia and sex trafficking. He's bragging here that he has had 14 fish. Researchers cracked the code on pizza, hotdogs, walnuts etc. but I don't recall what fish was supposed to stand for. Pizza gate is real but the controlled opposition tried to divert everyone away from it by just publishing statements saying anyone who believes it is real is crazy. This is what they do and the public believes them because they're not going to lie to the citizens – right? I hope more people wake up about just how long they've been lying to us about everything.

George S. McGovern, 1972 presidential candidate, dies at 90. This man was part of the government beast system for at least 20 years or more. He was the leader of the ritual the night John Todd was being initiated up the ranks to become a grand druid priest. The ritual was human sacrifice. He is sporting the crossed arms showing us who he serves, lucifer.

HOLLYWOOD ACTORS

Let's take a look at some actors sporting the crossed arms and x symbolism. Showing us the osiris risen symbolism and showing us the super-excellent master freemason symbolism.

Perfect example, Ralph Fiennes an actor showing the sign of the super-excellent master freemason

Simon Cowell

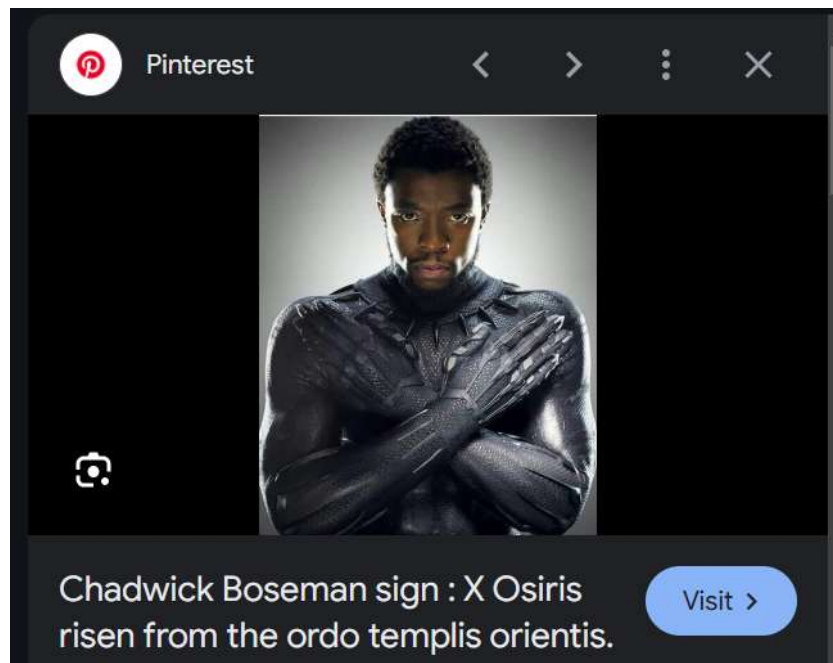

It's obvious who Simon Cowell serves. Big osiris risen sign on the left and he's on a jet sky sporting a freemason logo on the right.

Chadwick Boseman from the movie "Black Panther" doing what they have dubbed the Wakanda Salute, but in reality it is a salute to the god he serves, the god of the underworld who is satan. Notice the background at the Oscars is pyramids.

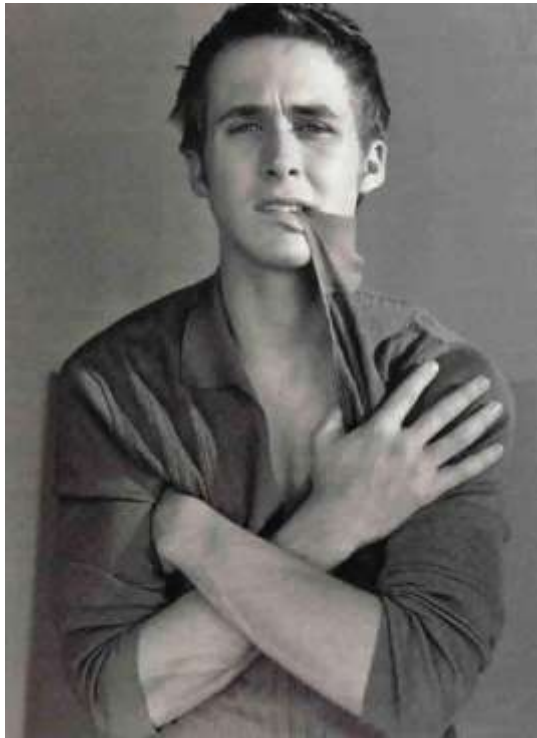

Chadwick Boseman, Deceased Actor. It isn't just a one-time pose, you can see them doing this time and again. This is clearly a posed for picture.

Chadwick again.

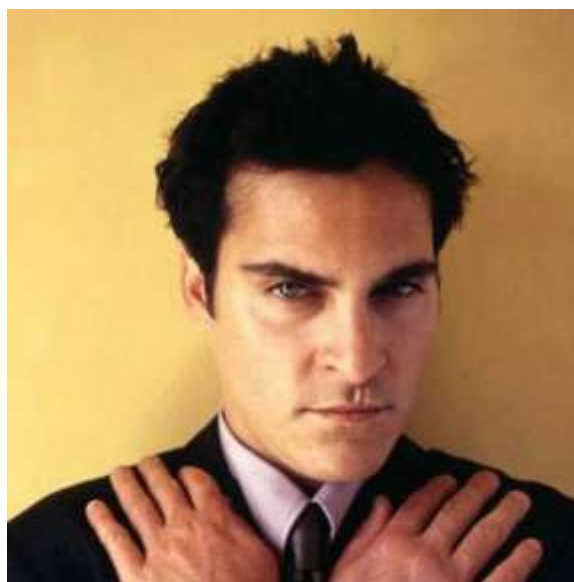

Leonardo DiCaprio

Ryan Gosling

Corey Feldman putting the 666 spin on the osiris risen symbolism. He is someone who acted like he wanted to expose Hollywood pedophilia that had been done to him and Corey Haim. However, he's one of them too. Because he spoke out with some truth, he's a shill or controlled opposition because they do use their own to get truth out to us. When you hear me say they play both sides, that's what I mean, the ones they use to get truth out to us usually are still them just playing a good guy role like Trump is doing right now.

Joaquin Phoenix

Jared Leto, Actor

Actor / comedian, Robin Williams, he's doing a weird crossed arm double symbolism with the all seeing eye also being accentuated here.

Young Angelina Jolie

Jennifer Lopez

Julia Roberts

Julia Roberts variation, X down low.

Adam Sandler

Please play this video – This video from Red Pill Monkey shows so many that are making the X for osiris risen. (about 2 min's)

<https://www.youtube.com/watch?v=BNQyy1YATm4>

These kind of videos really help us to see it so clearly.

The ones they use the most in front of the cameras and on the radio are used to keep us blinded and dumbed down to what they are doing and who they serve. They condition us and sway us to argue and fight with each other or to hold the same opinion that they influence us to have in different agendas to achieve the goals of the luciferic brotherhood. Their ultimate goal is new world order or one world government – they are globalists no matter which side they are playing. Everything they do is scripted and coded. They practice symbol magic, sacred geometry which I call number magic, color magic etc.

To the average person like you and I, freemasonic symbolism doesn't apply to us. I am not speaking of the low level initiates who are part of the local lodge. They don't know the truth about all the symbolism. They are in sin against God for joining such an ungodly and wicked organization but they are usually just pawns that lend credibility to freemasonry until they get high enough in rank to begin to learn the esoteric freemasonic information, eventually they learn that they are serving lucifer.

Why are they using this symbolic language?

The world had already been so wicked that God flooded it as a type of cleansing and fresh start. After Noah and his family exited the arc it wasn't but two chapters later that we see the first real concentrated rebellion against God and that took place at The Tower of Babel and was led by Nimrod.

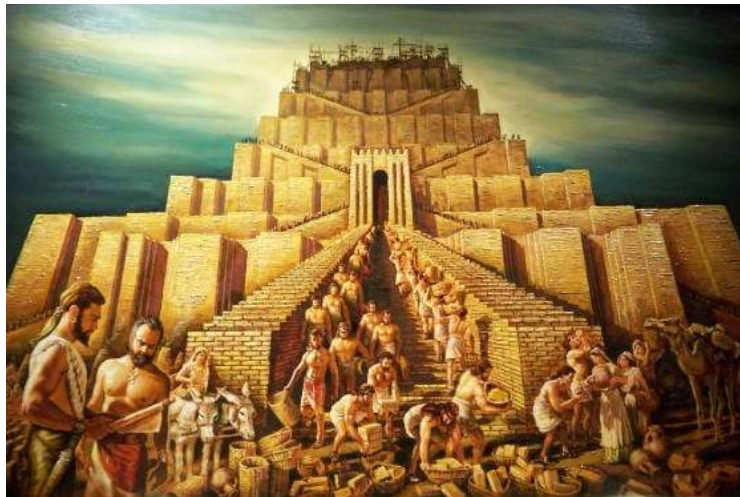

Babel is what we call Babylon. The whole area of Mesopotamia seems to be where Nimrod was building cities, building his empire against God.

Genesis 11:1-9 - And the whole earth was of one language, and of one speech. And it came to pass, as they journeyed from the east, that they found a plain in the land of Shinar; and they dwelt there. And they said one to another, Go to (come), let us make brick, and burn them thoroughly. And they had brick for stone, and slime had they for mortar. And they said, Go to (come), let us build us a city and a tower, whose top *may reach* unto heaven; and let us make us a name, lest we be scattered abroad upon the face of the whole earth. And the LORD came down to see the city and the tower, which the children of men builded. And the LORD said, Behold, the people *is* one, and they have all one language; and this they begin to do: and now nothing will be restrained from them, which they have imagined to do. Go to (Come), let us go down, and there confound their language, that they may not understand one another's speech. So the LORD scattered them abroad from thence upon the face of all the earth: and they left off to build the city. Therefore is the name of it called Babel; because the LORD did there confound the language of all the earth: and from thence did the LORD scatter them abroad upon the face of all the earth.

The land of Shinar is Babylon. They used bricks instead of stones and they had tar for mortar. KJV says God confounded their language, it means He confused it, He supernaturally caused them to begin to speak different languages so they could not understand each other and this put an end to their sinful project. When that happened, they split up and grouped up by language. Everyone who spoke this language went here together and those that spoke that language went over there etc.

Let us make us a name. This was in rebellion against God. God's name was to be honored and here we see they wanted to have honor and be considered great.

They were working together under the leadership of Nimrod to build the first One World Government. God put a stop to it.

When God confused the languages then Nimrod and Asherah (his wife and mother) began to be worshipped in all the nations under different names. In Egypt for example they were known as Osiris, and Isis. In Rome they were Sol Invictus or Jupiter and she was Luna or Juno. Nimrod and Tammuz usually are represented as one since Tammuz is said to be the reincarnated sun god. But Tammuz was known as Horus in Egypt. So there is a blending of many different names that applies to Nimrod and his wife and the baby they had that was said to be supernaturally conceived since Nimrod was murdered. I believe the truth of all of this is that all these names are just satan himself.

CLOSING

The rebellion against God actually started with satan when he caused 1/3 of the angels to rebel against God. He then got busy causing mankind to sin against God and to rebel against Him. The Tower of Babel was a spiritual rebellion, refusing to worship and love God. The rebellion was also a refusal of God's political rule in their lives as their King. They did not want to obey, worship or serve Him in any way. Those that I'm revealing in this series have the same spirit against God that Nimrod had. They have a different god, the god of this world is who they serve.

(2 Cor.4:4)

When God confused their languages they found another way to speak and understand each other. This is what I'm revealing, the ancient language of symbolism in the occult – in freemasonry. It came out of the ancient mystery religions of Egypt and Babylon and this is where all secret societies of today have their roots in mysticism.
