

THE BAPTISM of the HOLY SPIRIT – Part 4: FALSE FIRE, MY TESTIMONY, PRAYER

Someone's in jail.....Youtube banned Sister Linda Kirby until after the elections. Censorship is so heavy now. You can find her on UGEtube, Brighteon and Bitchute. You can also go to her youtube channel to find her information by looking at the info. on one of her videos.

I want to clear up something about tithing and giving to this ministry. I know that some of you are moved and want to support our outreach ministries and that is wonderful, praise God for that. However, when you give, you give to the ministry of Jesus Christ, for His Kingdom work and purposes and you give cheerfully and willingly.

At that point, you are to trust us that we will be good stewards of what has been entrusted to us. We don't need directions of where to send the money or how much to give to which outreach. I am in direct communication with the pastors all the time and I know the needs of each of our outreach ministries, as well as our needs here in America. We receive a portion of what is sown into this ministry as well. If you don't want us to receive anything, and yet you are being fed spiritually by this ministry, then something is wrong with your Christian walk. Either your heart is not right or you need to grow or you just need to go on. If you don't love me and my family as servants on the Lord's altar then you have no business giving to this ministry.

First you always want salvation through confession and repentance to Jesus Christ. And then break off all demonic attachments and generational curses. Then next is to be water baptized, laying back in the water is a picture of being buried with Jesus, that is your old sinful flesh man laying in the grave, and when you are raised out of the water that is you being raised as a new creation. Thirdly you want to seek the baptism into the Holy Spirit. You want to be filled and overflowing with the Holy Spirit. And continue to ask Him to fill you again and again as you walk with the Lord.

Salvation is always first –we can't put God in a box because the other things happen in different orders as He wills it to be.

We here at Three Hearts Church desire to see everyone saved that is listening to this message. If you have never prayed the prayer of salvation – it is recorded in the last 6 min's of this message.

Pastor Erustus shared: During prayer a times the Holy Spirit may come with great power pushing the person on the ground and others may break into speaking in tongues . In such cases give the Holy Spirit time to work in the person's life, I came to know later, at this moment, big deliverance takes place in a person's life. Not all may speak in tongues, let it not disturb you, it's all by faith. God bless you Pastor as you continue serving Him.

FALSE FIRE

I shared with Pastor Erustus about these false ministers of satan's and how they are pretending to command fire from the Holy Spirit onto people during deliverance.

He shared the following: John the Baptist said Jesus was to baptize us with fire.

Matt.3:11-12 - I indeed baptize you with water unto repentance: but He that cometh after me is mightier than I, whose shoes I am not worthy to bear: He shall baptize you with the Holy Ghost (Holy Spirit), and *with* fire: Whose fan *is* in His

hand, and He will thoroughly purge His floor, and gather His wheat into the garner; but He will burn up the chaff with unquenchable fire.

Once you are filled by the Holy Ghost we are full of power and fire and anointing all to help us again battling with satan and his demons.

The early disciples in Acts 2 on the day of Pentecost the Holy Ghost came on them with tongues which looked like fire. They never prayed the Holy Ghost fire to come down. He is our helper thus He knows when and how to come into our situations with or without our knowledge.

Many times when I cast out demons out of people, I hear them cry out that fire around me was burning them without my knowledge. And yet I had not commanded the Holy Ghost fire to come down. Pastor we are just vessels that God uses through the power of the Holy Ghost in the authority given to us by Jesus Christ.

Let's see an example of a false minister commanding false fire acting as though it is from the Holy Spirit.

*Please play from 7:11 to 8:31 False teacher Rodney Brown saying "fire" and releasing a false anointing on people. Or the people were just paid to fall down. This is not of God. *(1.5 min's)

<https://www.youtube.com/watch?v=kYe8qhiehzo>

Utter nonsense. The people sitting under these false teachers are having a satanic anointing released into their lives because they are willingly participating in this. They are in covenant and letting this man speak over them. Seeking signs and wonders and this is not of God.

Let's see another example of false fire:

Please play from 9:27 to 10:06 SCOAN Deliverance on Emmanuel TV. Here a supposed deliverance minister just repeating the words Holy Ghost fire! And makes a motion toward the person. Sometimes they just repeat fire, fire, fire! As if they are administering deliverance like this.(about .5 min's)

<https://www.youtube.com/watch?v=-EddZDCfF4Q>

I can assure you this is just a show. This is not how the Holy Spirit works. You don't just yell Holy Ghost and you don't just yell fire either. That is not even in the Bible at all. There is no deliverance taking place here and they have no relationship with God at all.

Pastor Erustus continues: True pastor I agree with you there is a lot of hypocrisy in the body of Christ; some fall because others are falling, they think falling down is to look spiritual or to please the preacher. Here in Kenya is also worse, preachers hire and pay people to come to church or their meetings during prayer and preaching time to fall down , speak in false tongues, give false prophesys in pretense to show that God is using them powerfully. Pastor is really bad and no fear of God in the church. People have been misled and God's power is no longer in the church.

If they are paying for all of this stuff in Africa, what do you think they are doing here and on tv? Benni Hinn swinging his jacket at people and having them fall over as if the power of the Holy Spirit knocked them out. What a mockery.

MY TESTIMONY: As a baby Christian I knew nothing about the baptism of the Holy Spirit. Even though I read it in Scripture I still did not know what I was supposed to do. My pastor at the time, did not teach on this subject, not while I attended the church anyway. An older Christian friend of mine was talking to me about it. She suggested I watch a teaching on the subject by Derek Prince. I listened to that Derek Prince teaching before I knew he was a false teacher. This was back when I was a baby baby Christian. Now, one reason I know he's a false

teacher is that he promotes the Roman Catholic Church. No one that is a real and true Christian, or minister of the Lord's, is going to promote the Catholic church. In the teaching I watched, he taught about the Holy Spirit baptism. When the teaching was over, he encouraged everyone to relax their tongue and mind and just step out and begin to speak. The false teachers, witches and those that have been deceived in this area are teaching people to speak in tongues. You cannot teach this gift. Either the Holy Spirit gives you this gift or He doesn't. Just like the false teacher Derek Prince is teaching people to do this, this is what a lot of people are teaching here in America, and sadly to say, I bought into it.

Well, I did speak something and it wasn't English, and that phrase or whatever mumbo jumbo I had, never seemed to grow. I could repeat it at will anytime I wanted to. There was no feeling or power on me when I would say it. I always felt like it was just me, just stuff coming from my own mind.

When I was about to teach on this subject a few years ago I was still worried about this speaking in tongues business. I really did not have peace about it. One night Scott and I were praying to the Lord and I cried out to Him and said I will not be a hypocrite teaching on this subject and not having been baptized myself. The next day I did some more research and listened to another video and prayed the prayer at the end and my spiritual language just flowed or seemed to. However, I still wondered about that too. I think all of this was forced and trying to make it happen on my own. The whole time, God probably got the biggest laugh out of me not wanting to be a hypocrite and Him knowing all along I was already baptized into His Spirit.

We were going to Pastor Jerry's church for a while when Kennedy was very young and she could go around the house and mimic him speaking in tongues to a "T." Scott noticed that, and was always skeptical. It's not always a bad thing to sit back and watch what goes on and question things. Scott never spoke anything in tongues but yet I could see fruit in his life.

I was very worried about him not going to heaven because I had bought into the lie that you must speak in tongues to be truly saved. There was a lady at a

Women's Aglow meeting that spoke in tongues and listened to me speak in tongues and said yes, that it was Godly tongues that I was speaking.

She said it is like a baby learning to talk and that I must practice it all the time and then God would give me more. But we don't see that in the Bible do we? There is nothing in the Bible about practicing anything to do with speaking in tongues. Well meaning people are caught up into this lie and they keep it going because they want to seem spiritual or impress others and make them believe God's power is in them. They don't want to seem like a failure. They are just impressing and deceiving man.

I thought I was speaking in tongues but always questioned it. I never felt right about it. And I would only do it to keep in practice. Never felt moved by God to do it.

Now I can see clearly that God wanted me to experience all of that so that He could uncover those lies and deceptions and have me teach on it. I stopped speaking my mumbo jumbo a few years back. The next time I speak in tongues it will be by the power of the Holy Spirit.

So that was not the baptism into the Holy Spirit for me. But the ironic part of it all, is that I had already received the baptism of the Holy Spirit and didn't even know it because I had never been taught about the Holy Spirit. And I never realized there were other evidences of having received the baptism even though I had been reading my Bible. Sometimes you really have to do a study on a particular subject for God to really draw it out and make it clear to you.

The last church we were going to, where I received my call to ministry, is where I got serious about the Lord and prayed the prayer of salvation every week and several times throughout the week. I finally got peace and stopped doing that. I developed such a hunger for God's Word. I could not get enough of His Word. It was so interesting and still is. I knew that the original language of the Bible was Hebrew and I wanted to go and learn to speak Hebrew. I have an interlinear Bible with Hebrew in it and I really wanted to learn all I could. I was asking my pastor so many questions.

I even thought I wanted to go to seminary because I wanted to learn so bad. I am so glad I did not go into that filth. Seminaries have been completely taken over by satan and his ministers. I remember Mr. Ken sharing that he went to seminary and on the first day one of his professors told the whole class not to read the Bible more than an hour a day or you will go crazy. How's that for our fine seminaries? If anyone makes it out of seminary still being humble and sincere and seeking the Lord Jesus Christ, then it is a true miracle.

I kept having so many confirmations with a lady in my Sunday School class. I didn't even know what that was. We would have what I thought were coincidences all the time except these had to do with God and the Bible and faith and salvation. She would tell me that's God talking to me.

Then there came a time when supernatural things were happening so much I thought I was psychic. I'm sure God was ready for me to get a clue because I was not thinking right. He's not about that type of stuff. That is an abomination to Him. Praise God for His patience with us as we grow. Remember, I was a baby baby Christian.

I remember Scott had jammed both of his thumbs doing Soo Bahk Do (which we have learned about those martial arts and he doesn't practice it anymore). I laid hands on him thinking I had the gift of healing and that his thumbs would be healed but nothing happened. I knew something very powerful was happening to me but I didn't know what it was. I did not understand it.

God's power was at work all around and in me so much that I was exhausted. I was writing all of the things that were happening down too and keeping a log. I was so tired and He would take my mind and show me all the things He had done and answered prayers, so many things. Finally I was asking Him to let me get some rest.

I remember one day supernatural things were happening so much I called my mom from the car crying, and told her there was no way I'd ever turn away from God because there was no way of denying He is real. I was so moved and could not believe people even argue or don't believe. My friend from Sunday School

told me maybe I had been baptized into the Holy Spirit and just didn't know it. I still didn't know what all that meant. But that is exactly what happened to me.

The Word of God opened up to me and I understood it, it came alive. I could explain it and was going around preaching and teaching to Scott and Kennedy. I was always posting and ministering on facebook. It wasn't long after that, that I realized I had a call on my life and stepped out into ministry.

CLOSING

PRAYER TO RECEIVE THE BAPTISM of the HOLY SPIRIT

Luke 11:13 - If ye then, being evil (sinful), know how to give good gifts unto your children: how much more shall *your* heavenly Father give the Holy Spirit to them that ask Him?

So we see that we should seek this baptism.

If you are saved but have not sought the baptism of the Holy Spirit then you can do that in two ways:

If you have a true Christian Pastor, you can let them know you want this baptism and they will anoint you and lay hands on you and pray for you to receive it. Be careful about who you allow to lay hands on you, be sure they are a true Christian with God's anointing because you do not want to receive a false anointing from satan.

Or you can pray the following prayer with me now and believe you are filled and baptized into the Holy Spirit and have received it by faith. Just because you may not speak in tongues right away or at all does, not mean you are not baptized into the Holy Spirit. And if you believe you are filled, but question it or are not sure and want to be sure, then pray this prayer with me.

Follow after me in praying the following prayer:

Dear Lord Jesus, I thank you so much for You promised you will not leave us alone as orphans when You ascended to heaven. But You promised You will ask God to send us the Holy Spirit Who will give us power who believe in You to be Your

witnesses in this world. I praise You Lord Jesus, You are King of kings and Lord of lords. Lord Jesus I ask you now to fill and baptize me with the Holy Spirit that may enable me to be a powerful witness of the gospel all over the world - in my neighborhood, cities, states, nation and all over the world. Holy Spirit thank you for filling me. You are welcome in my life. I pray that you work in my life for God's glory in Jesus name.

Praise Him for what He has done. I praise You Lord Jesus. You are faithful and true to Your Word. You are the God who walks on water. I love You and I magnify You. Thank you for the gift of Your Holy Spirit.

If you were truly saved and prayed that prayer with a sincere heart truly seeking all that God has for you then you did receive the baptism. It is based on your sincerity and faith.

Begin to ask the Holy Spirit to release the best gifts into your life. Wait on Him as He teaches and grows you up in Christ. He will show you how to use your gift once it manifest but first there is a training and learning and growing period.
