

FREEMASONRY SYMBOLISM Pt. 3: CROSSED ARMS, X SYMBOL, OSIRIS RISEN, HOLLYWOOD, MEGA BUSINESS MOGULS, SPORTS

I know that Kennedy has been a blessing to many of you over the years. She did some teachings and singing and quoting Scripture from 7 years old and up. I wanted to share her graduation with all of you!

She's just about to receive her diploma here.

Here we are right after her ceremony.

Her school is located in a beach city so we got to get some pics of her in her cap and gown on the beach.

We had a nice time in Florida for her gradation paired with a vacation. Thank you all so much for all the well wishes, prayers, congratulations and blessings that you have sent to Kennedy.

Someone else put this together. Top L: freemasons doing the crossed arm “X” symbolism for osiris risen. Symbolism will be their downfall. One day they will have their downfall but right now there are way too many that do not have eyes to see or ears to hear. Top R: Marina Abramovic – witch, M: Mohammed Ali, Bottom Row L – R: I don’t know the woman, next is Lenny Kravitz and then Robin Williams. They are all showing you who they serve.

HOLLYWOOD: ACTORS and COMEDIANS

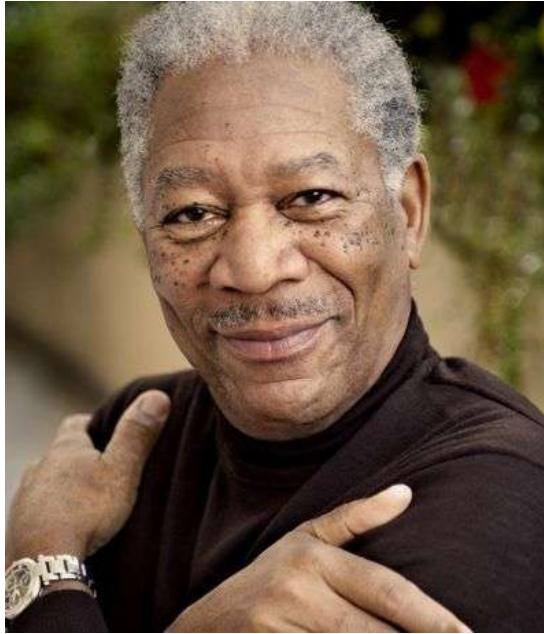

Jodie Foster – Osiris Risen

Richard Pryor – Osiris risen. Osiris is satan.

Joan Bennett

Morgan Freeman

Michael B. Jordan

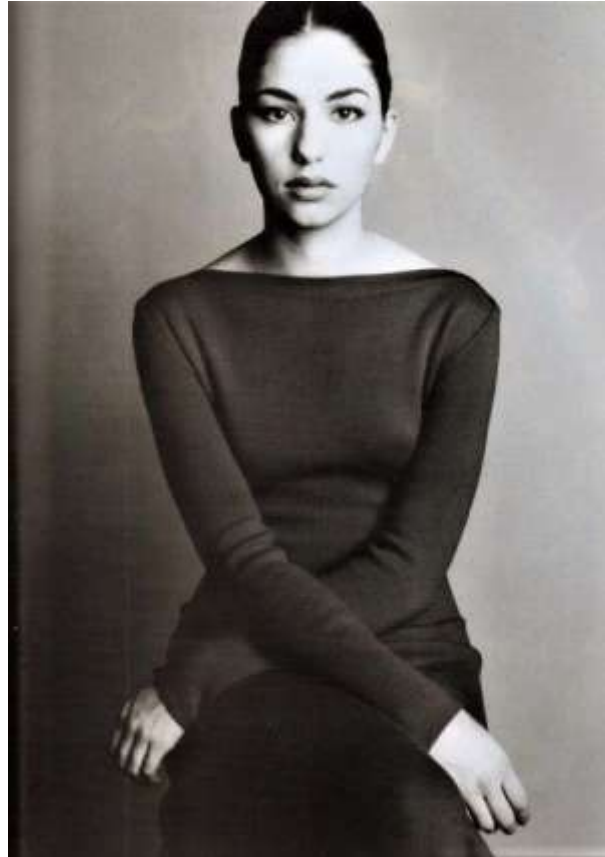

Vin Diesel

Vin Diesel – Crossed arms for osiris risen

Vin Diesel doing the #lookupchallenge. No Vin Diesel is not doing the look up challenge. Usually the online challenges that go viral are all linked to the occult in some way. They get people to do ritualistic things like the ice bucket challenge. This FB account is a shill account. FB is flooded with these type of accounts. They are used to spread propaganda and get a feel for how successful their tactics are. Remember in the teaching on Israel we learned that our military has a huge operation that does nothing but make memes and spread propaganda on social media.

Sofia Coppola – an alteration, a downward X

Emma Watson

Hugh Jackman. He has an easy excuse for making the X sign because he plays Wolverine on the X-Men.

L: He is showing the sign for super-excellent master mason. R: Hugh Jackman – showing osiris risen sign every way he can.

Jessica Chastain – osiris risen.

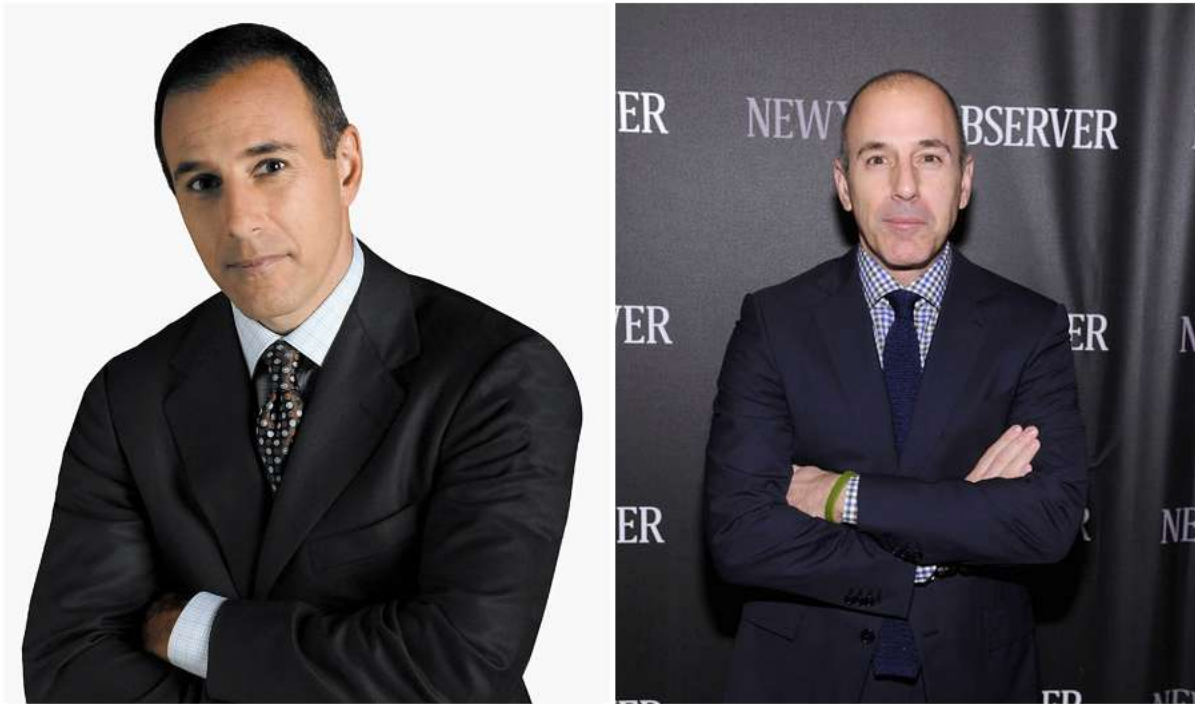

Sophie Marceau (mar-so), French actress

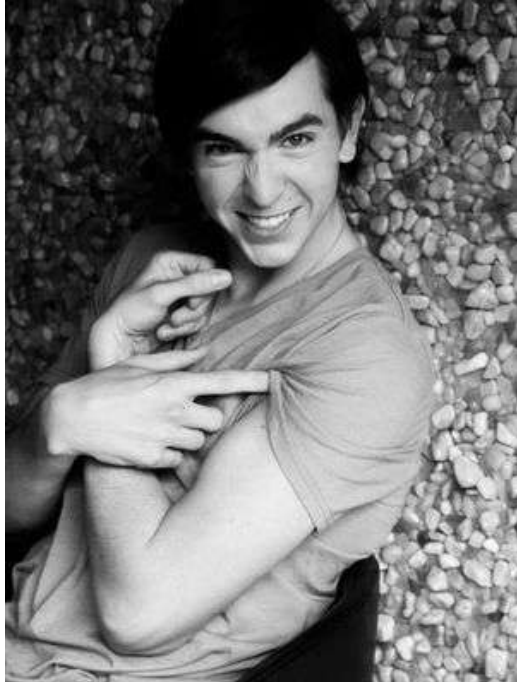

Tom Hiddleston – English actor – including the devil horns with his x.

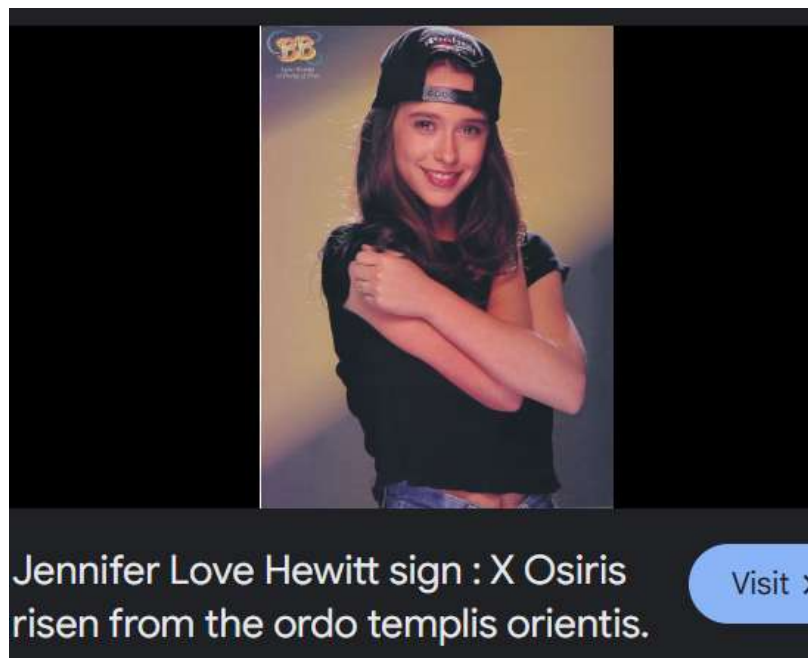

Jenna Ortega – adding the 2's and V's to her x for osiris risen.

Matt Lauer – osiris risen. He was a journalist for main stream media fake news. I thought it was interesting how he just disappeared into the sunset when the “Me Too Movement” came out. We didn’t hear too much about the abuse he committed. I also think it is interesting when the Hollywood luciferic branch of freemasonry seems to throw one of their own under the bus. I’m sure we don’t get the truth about their supposed punishment. Just like I don’t think Epstein killed himself.

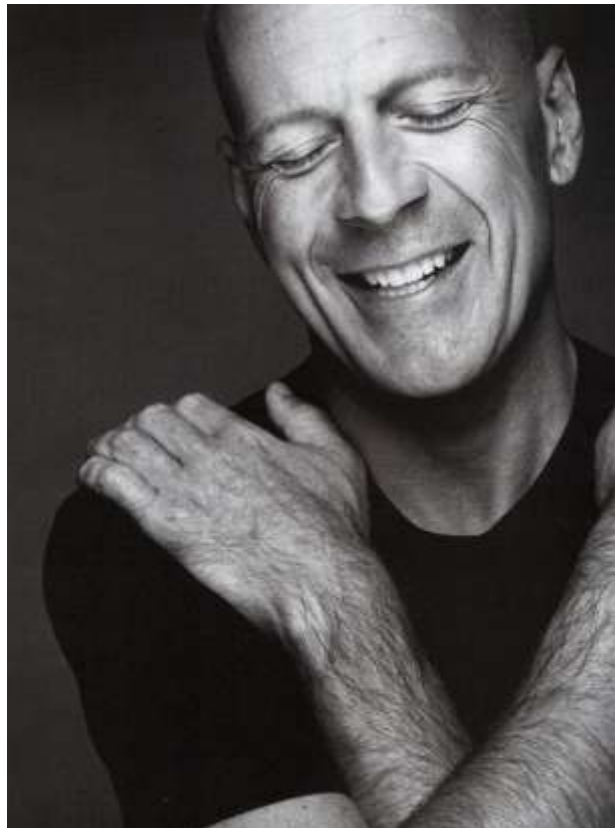

Nicholas Braun

Jennifer Love Hewitt

Jake Gyllenhall – variation with arms down making the x for osiris risen.

Bruce Willis

This is bonus material that someone else put together online. Top Row L: freemasons doing the crossed arms “x” for osiris risen and on the right – Bruce Willis doing the same thing. Middle L: Bruce showing the freemason sign of silence. Middle row middle: The hidden hand in the shirt or jacket is the symbol for master of the second veil. Middle R: Bruce showing us the symbolism for master of the second veil. Bottom row L: Bruce Willis and Conan O’Brien in a bathtub Bottom row R: Cartoon portrayal of a freemasonic ritual – Are you a mason? The guy is practically naked. The other freemasons have their aprons on and they have soap and brushes and things to help cleanse this new mason. The caption says – preparing for the first degree. Freemasonry is a cult and they certainly perform rituals. The high level freemasons certainly do these things.

Not Dr. Phil. You better believe it! Oprah seems to be one of his handler / promoters. He's just another freemason luciferian.

All the world's a stage. Tucker Carlson is showing us who he serves with his arms crossed. Initially he played the role of liking Trump during his first term as president but then they rolled a story saying he hated Trump all along. They love to toy with us and walk stories back all the time. They play both sides. They have their man or woman who speaks the truth and is a freemason and they have their man or woman who lies and is a freemason. satan's house is not divided against itself.

Bill Gates showing us who his allegiance is to. The sign of Osiris risen. He does not have your best interest at heart.

Plenty of posed for crossed arms – x – for osiris risen.

Speaking of Epstein, here he is in the center and to his left is Bill Gates. This is a posed for picture. Epstein has the crossed arms for osiris risen. Bill Gates is purposely using the index finger to point down. He's saying something in Masonic code but I have no idea other than pointing to satan's dominion.

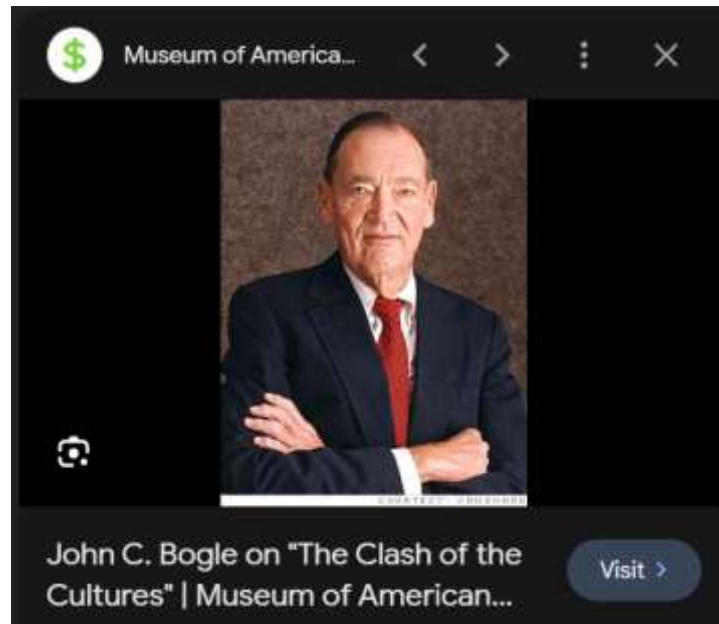

When you understand that Jeffrey Epstein, is one of them and they protect their own unless they try to get out or don't cooperate. I mean he was running a huge sex trafficking operation, so no I don't believe he's dead. I believe the geometry behind him is code for sacred geometry, another meaning of the G in the middle of the freemason compass and square. The occult - practice sacred geometry which is only sacred in satan's system of worship, I call it witchcraft math because that's what it is.

Picture of John C. Bogle late in his career 

This is John C. Bogle late in his career. He's doing the crossed arms "x" for osiris risen and he's speaking something to the brotherhood with the index finger being separate and extended. It seems petty to point these things out but this is what they do. Everything they do is coded and means something. They like to brag about their rank in the brotherhood. He is known for founding and leading The Vanguard Group (Investment Funds). His net worth was 80 million when he died. They are saying something when they put that one finger a little more forward than the others.

Here he is again with the crossed arms – x.

He was also called Jack, Jack Bogles rules of investing, again showing us the sign for osiris risen.

Thank you again for your continued trust and support.

Eliecer Viamontes

President & CEO

Entergy Texas, Inc.

Eliecer Viamontes, President & CEO Entergy Texas, Inc. Entergy sent out a letter after hurricane Beryl saying what a great job they did and how they are working on the energy grid to keep improving things. You don't get to the top of a major power company without being a freemason for sure. He's speaking the same symbolic language of the ancient Egyptians showing the crossed arms of osiris or osiris risen,

Owners of the Blackhawks – all sports team owners and players have bowed to satan.

Mark Mobius – market fund manager and involved in international policy for emerging markets. Crossed arms – part of the brotherhood.

John Marks Templeton – one of the wealthiest men in the world at one point before he died. He was affiliated with Mark Mobius and knighted by Queen Elizabeth II which means no doubt that he was a freemason. You don't get knighted unless you are a freemason. Hi-level investment fund managers certainly are freemasons. That old saying "follow the money" – will lead you to the freemasons and luciferians every time. I pulled several pics of this guy because some of them looked like green screen.

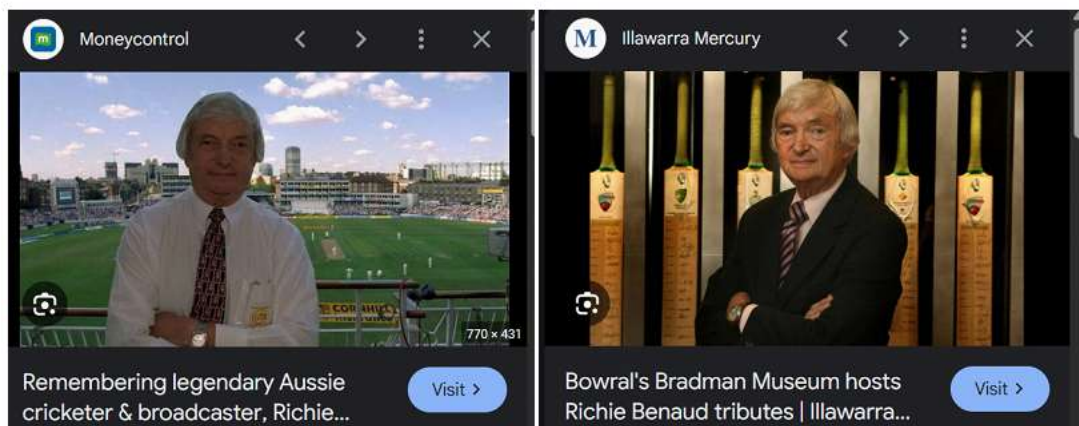

Rupert Murdoch, media mogul, owner of the NIV. This should tell you what you need to know about the NIV translation. The new translations started out corrupt and all of our translations have been in the hands of the freemasons. I still hold with the KJV what it says will still give you enough knowledge to truly be saved and stand against the devil and be intimate with Christ. There is power in the

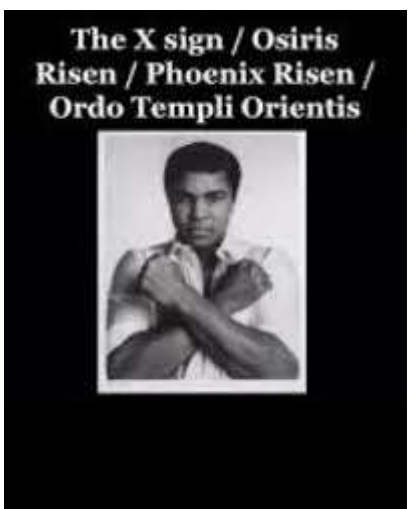

blood of Christ and in His name and no matter what they do to our translations they cannot change that. He is above all and holds all the power.

SPORTS

Just like all of Hollywood, professional sports players are also demonically talented. They have chosen to serve the god of this world and they show us with the symbolism they use. satan promotes his own and those are the ones you see on the world's stage.

This is Richie Benaud whom Fiona Barnett shared participated in the gruesome ritual she was forced to attend at the age of 15 where humans were sacrificed and he was willingly participating in all of it and in fact he held the ritual dagger and he himself killed the pregnant woman that night. He is dead now. Notice on the left it says remembering legendary Aussie cricketer and broadcaster. On the right it mentions tributes in his honor. He was lifted up on satan's stage of professional sports because he bowed to satan's will and he is showing us that very thing with his crossed arms for osiris risen who is lucifer. If you knew all the wicked things these people you watch on tv have done, you might begin to feel differently about them. We are not to idolize these people or anyone for that matter.

The X sign, osiris risen, phoenix risen, OTO – Mohammed Ali

Tiger Woods

I'm so sick of Travis Kelce. They did a media blitz of him and Taylor Swift all over fb, social media and main stream tv. In fact his mother and both of her sons along with Taylor were plastered all over everything. That tells me that they are super wicked and doing very evil things to be in the lime light like that. He's telling us who his master is along with Patrick Mahomes flashing the devil horns and pointing down. They are both speaking to the brotherhood here and showing their allegiance to satan.

Michael Jordan – say it isn't soooo...

He is showing us the crossed arm "X" symbolism of osiris risen. He is a freemason just like all the rest. he is considered to be a goat. Which stands for greatest of all time.

Serena Williams

This is not just posing, it is speaking to the brotherhood, posing this way on purpose. Who would put you in evening wear and get you all glammed up and then tell you to cross your big muscular arms over the front of your outfit? No regular woman would pose like this when she's all dressed up. No one. This is purposely done. They consider her to be a goat.

Tom Brady. He even made a joke saying his wife was a witch when he was married to Gisele Bundchen and nobody took him seriously. They are able to speak the truth because most people are not spiritually discerning who these people really are and who they serve. Tom is referred to as a g.o.a.t. (goat) which stands for greatest of all time but really it stands for the god he serves who satan.

satan likes to be called the god of all things which spells out goat which he is. In his man / goat form he is baphomet. And the “g” in the middle of the compass and square also stands for goat, which is satan.

Matthew 25:31-34 - When the Son of man shall come in his glory, and all the holy angels with him, then shall he sit upon the throne of His glory: And before Him shall be gathered all nations: and He shall separate them one from another, as a shepherd divideth *his* sheep from the goats: And He shall set the sheep on His right hand, but the goats on the left. Then shall the King say unto them on His right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world:

It goes on from there to talk about those on the right hand, the sheep, and the good deeds they did and the goats and how they did not do anything for God’s glory.

They are trying to condition the world to believe being called a goat is considered cool and a good thing but it really isn’t. If you know Scripture then you would never want to be called a goat.

Lebron James, they say this is the Wakanda salute in honor of Chad Boswick, an actor who died. But the brotherhood knows that is just a cover story, this is really a salute to satan, the X symbol is one of his defining symbols or marks.

Crossed arms for osiris risen. Remember osiris is baal, amen, satan and lucifer – all the same one. The god of this world.

They are all servants of satan and he uses them however it pleases him. Just like God is using me to expose their wickedness. Here he was being used to promote hate and stir up division between citizens and the police and get everyone to fighting about it. I have already shown you previously that George Floyd was a freemason himself used for the agenda of satan.

CLOSING

Col.2:4, 18 - And this I say, lest any man should beguile you with enticing words.
V. 18 - Let no man beguile you of your reward in a voluntary humility and worshipping of angels, intruding into those things which he hath not seen, vainly puffed up by his fleshly mind, And not holding the Head, from which all the body by joints and bands having nourishment ministered, and knit together, increaseth with the increase of God.

Many of these people promote angel worship with the false religions they practice. Most of Hollywood and those in the lime light are New Agers and that is completely built on angel worship and interaction. Those in kabala, scientology, Hinduism etc. all of that is false religions and the gods they worship are fallen angels. The thing that is not openly understood when they give credit to god for something is that it is not the God of the Bible, it is the god of this world that they

are speaking of. Even when they say Jesus, it is not the Jesus of Scripture but a false Jesus. They are worshipping satan and his fallen angels.

When this pass of Scripture spoke of not holding the Head it means they are not even connected to Christ, they don't honor Him or know Him. The elevation of angels to a status of worship detracts from the supremacy of Christ, who is the head of all principality and power.

We are not to be deceived by these freemasons / luciferians who have rejected Christ so that they could excel in this world. They are furthering the plans of their master satan and in return for their sacrifices and worship they are given demons to equip and empower them with talent, they are set up in business, taken care of, if they get in trouble they get off Scott free, they are given fame and fortune, sex, money, power, material things etc. as long as they ultimately do what satan requires. He uses them to deceive people, to change and sway opinions, to lie and lead people astray. Their ultimate goal is in line with their master, to lead as many people away from Christ that they can.
