

FREEMASONRY SYMBOLISM Pt. 4: CROSSED ARMS, X SYMBOL, OSIRIS RISEN, SINGERS, TELEVANGELISTS

Osiris Risen (x)

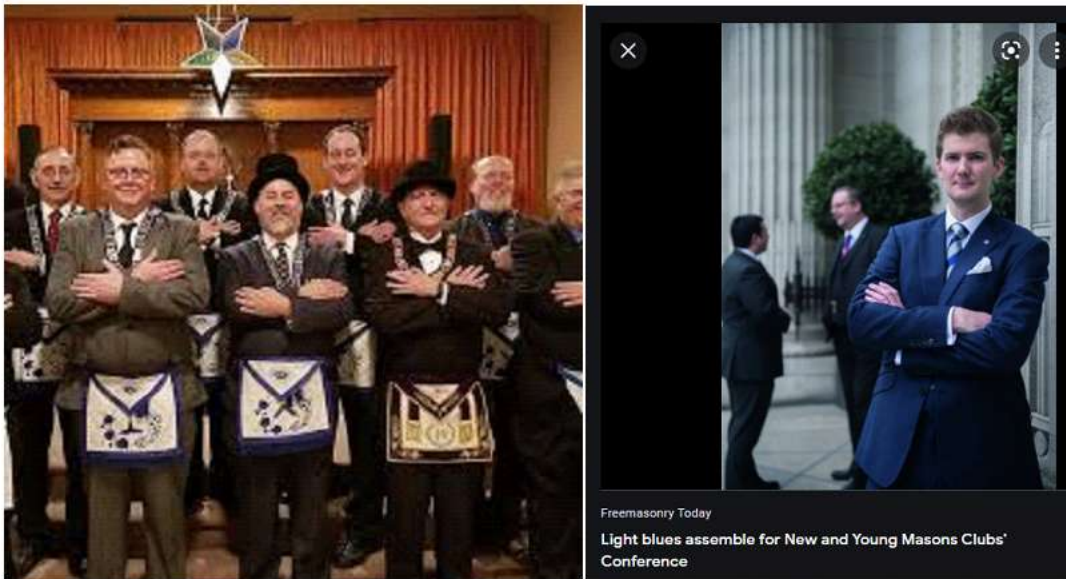

The arms on the shoulders making an X which stands for osiris risen is taught in the OTO, which is a freemasonic secret society which Aleister Crowley took over at one point.

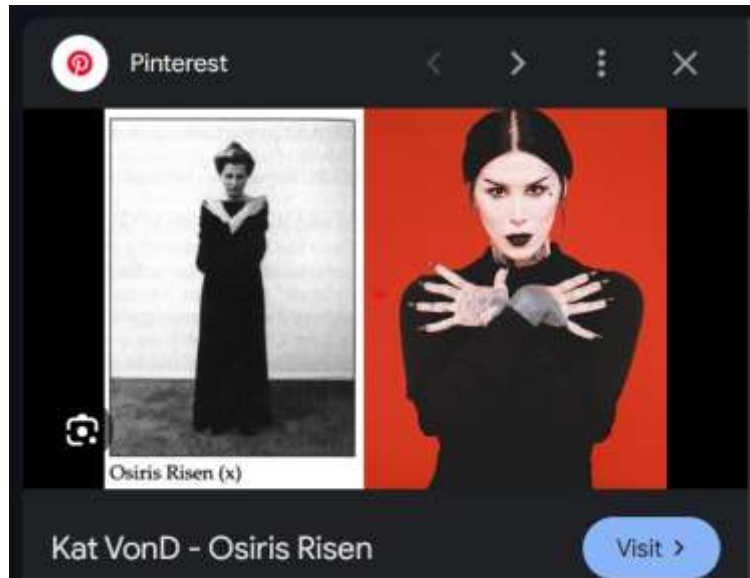

Someone who is awake about satan's servants the freemasons put this together. On the left you see regular old freemasons in a freemasonic regalia at a regular lodge doing the sign for Osiris risen. These don't look like high level freemasons to me, I don't these guys even know the true meaning of the ritual they are partaking in – but they might. This is part of the O.T.O. – osiris and the ancient Egyptian religion which freemasonry comes out of, is taught in the O.T.O. On the right is a huge collage of actors, comedians, musicians and straight up witches showing us who they serve and where they get their talent – they are all demonically talented.

Some people don't fit into a nice category so let's look at some...

ODDS and ENDS

L: These look like typical low level freemasons letting us know who they serve and notice the eastern star hanging above their heads. That star represents their counterpart, the women freemasons who are just as perverted and wicked as they are. That star is in the symbol of the baphomet, who is satan. They are probably clueless about all of this as most low level freemasons are but that is no excuse before God on judgement day. R: From the magazine, "Freemasonry Today" Light blues ensemble for New and Young Masons Clubs' Conference. Even this random guy supposedly just modeling clothes for freemasonry is posing with his arms crossed on purpose because he's a mason.

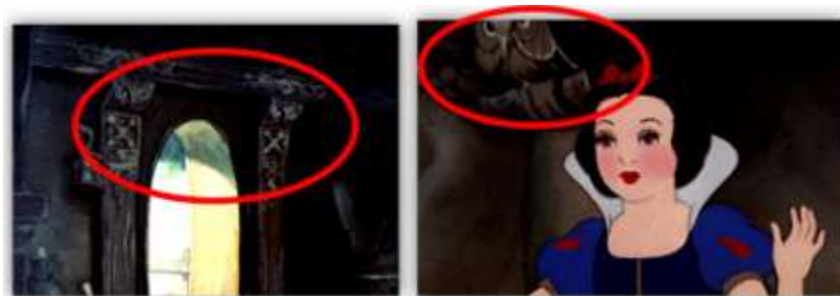

Kat Von D is a tattoo artist

George Floyd false flag, crossed arms and he's wearing an Egyptian t-shirt that looks like maybe has the false god horus on it and in freemasonry, horus is a reincarnated osiris. There is no such thing as reincarnation but freemasonry and the ancient Egyptian mystery religion are both false religions and these are the things they believe in. He is also pointing with the index finger and since this is a coded picture, I know that carries yet another meaning to the brotherhood of freemasons.

Hebrews 9:27 - It is appointed unto man once to die and then comes judgement.

There is no such thing as reincarnation.

Masonic owl in Disney's Snowwhite. L: Look just below the owl's and you will see a prominent X. The "X" is included in many tv shows and movies, I see them all the time purposely included in the scene.

They play both sides. They present themselves as the good guys but they are the bad guys too. An example is the democrats and the republicans in congress, both sides are the freemasons, the illuminati. We the people have been deceived believing our government is divided but in reality they are not.

This man seemed to be doing something good by releasing those papers and exposing what went on. However, he worked for RAND which is just an extension of the government itself. I would never pose for a picture like this unless I was

just goofing off and being silly. Even before I knew about their symbolism with crossed arms I never posed like that. People today are doing it to be like their idols and because they copy what Hollywood does.

Marina Abramovic – she openly teaches and practices witchcraft and is linked to Hollywood and the Rothschilds – she’s a freemason for sure. And she’s saying it loud right here.

SINGERS and MUSICIANS

Here is Robbie Williams, a singer songwriter making the sign of Osiris risen. The illuminati serve the god of the dead, that is satan and they say he is risen. satan and his servants mock Jesus by saying this, as Christians we know that our God, Christ is The One Who is risen!

Chris Brown

James Hetfield of Metallica – supposed Christian tattoos don't make you a Christian. His life and what he does is devoted to satan and tattoos open doors for demons to come in to your life.

Metallica

Bruno Mars – he’s speaking loud and clear to the brotherhood and paying homage to the god he serves. He’s doing the X symbolism for osiris risen, he’s covering one eye for the all seeing eye of lucifer, he’s flashing the 666 and he’s showing the hidden hand for master of the second veil while in a bathtub which alludes to the ritual cleansing of first degree freemasons. I’m sure these rituals are reserved for those that were born into luciferic families.

Barbara Streisand

Bon Jovi has put a little spin on it by lifting his middle finger on his right shoulder. Don't know what that means but I know what he's saying here – he's a freemason and luciferian signaling osiris risen which is satan.

Lionel Richey also putting a spin on osiris risen “x” symbolism. Looks like guns blazing.

Lenny Kravitz

Ozzy Osbourn

Anthony Keidis of The Red Hot Chili Peppers

No question about satanic Madonna's devotion to lucifer.

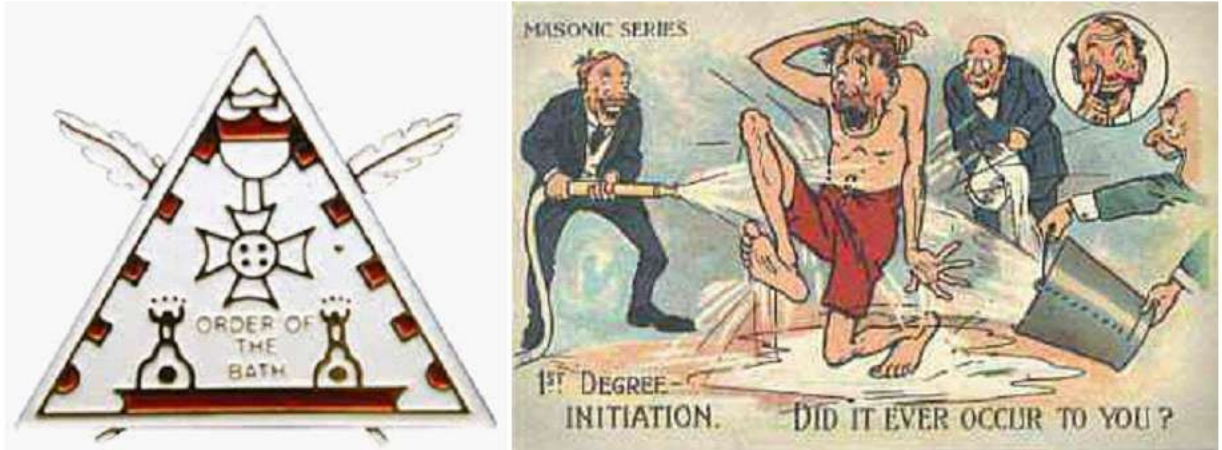

She's sporting an eye patch with X for osiris risen – osiris is satan, lucifer, baal.

Madonna – osiris risen

During covid, Madonna got in the bathtub and shared her thoughts about social distancing and quarantining. The freemasons know that this was just code for the ritual bath initiation of the first degree.

L: Order of the Bath, was an order of knights who are freemasons and the bath was part of a ritual they participated in that symbolized spiritual purification R: A cartoon about masons doing the same ritual in the first degree initiation. They show dowsing this guy with water. Think about the ice bucket challenges and the water challenges that you see go viral online, it's just part of their rituals.

Cher is certainly a luciferian / freemason. Same symbolism of the crossed arms "x" for osiris risen.

Jay-Z: A Master Of Occult Wisdom?

Fresh off the release of his new album *The Blackprint II*, Jay-Z performed in London. (Dana Hussey/Getty Images)

No surprise to see Jay-Z saluting his master with crossed arms.

Here he is paying homage to Aleister Crowley by wearing a sweatshirt with his "Do what thou wilt" occult law, that is from Crowley's Book of the Law for the occult.

Here's Beyonce with the crossed arm "x" symbolism and you see her daughter who has started performing with her mother in the middle. Someone else put that together saying – Did you notice the cross gesture made by Beyoncé's daughter? They groom their children into the same occult practices, they are little witches, little luciferians and they are taught what to do at very young ages.

Apparently Beyonce started crossing her hands above her head during her Renaissance tour. She's just doing another version of the crossed arms for osiris risen – lucifer is her master.

Here's Pink. On the far right you see a picture of a man being initiated into freemasonry and right next to him you Pink acting out the same thing onstage. I had to block her breast that she has bare and exposed just like the man on the right. She's wearing a blind fold just like the man on the right and on one leg of her leggings she has the black and white checker board floor symbolism of the freemasons. They put this stuff right out in the open but we have not understood these things.

TELEVANGELISTS

satan monopolizes every area in our world, he's got his thumb on every person in the lime light – even so called “Christian” televangelists.

Bernard Jordan – this guy is just another servant of satan's. First of all you see his coded symbolic language of the crossed arms for osiris risen. Osiris is satan, lucifer, amen and baal – all the same one. I've never heard of this guy but he came up in some of my research. The caption says: Jordan's own father, Bishop Bernard Jordan, is a “master prophet” known for inviting church members to litter church altars with dollar bills. They grab for titles and give themselves titles – they are not of God. They flaunt their greed, having people put money on church altars. Just like Creflo Dollar – what an initiated name right there – he would have people lay their money down on the steps leading up to the stage and trample on it acting like he was putting anointing on it. What a joke and mockery of God.

AUTHOR: PAT ROBERTSON
PHOTO CREDIT: KEITH LANPHER

Pat Robertson was a televangelist and author. Photo Credit: Keith Lanpher I did a teaching exposing Pat Robertson as a false teacher back in 2019 in a series titled “Pat Robertson, Joseph Prince, Mother Grace”. He was a freemason showing us the crossed arm symbolism here.

****Please play from 1:08:02 to 1:09:18** Kay Griggs mentions Pat Robertson as part of the power structure that does know about murders – a group that does these strategic/political murders. He was a 4th marine. ******(about 1.5 min’s)

((Video has been removed. This is from part 1 of the interview series that Kay G. did.))

****Please play from 51:30 to 57:21** Kay talks about how Pat Robertson has taken psychic classes at Yale and is a powerful man you don’t want to mess with because he is in this group that has power. She talks about how pastors are told what to do by those in power. ******(about 6 min’s)

((Video has been removed. This is from part 3 of the interview series that Kay G. did.))

Now Kay was giving Pat benefit of the doubt not wanting to cross him. He was alive at the time she gave that interview but he has died since then. I don't believe he was a good guy at all. But notice she did speak of the programming and that they train them psychiatrically and she mentioned a prominent "pastor" that is a handler or was a handler/programmer of her husband. Pat Robertson was involved in this mind control programming. She speaks specifically about Phil Holwager being a "pastor"/programmer for those type of military or high up guys in that area. When she talks about these men being naked and hanging out together she is talking about the freemasons because this is the perverted things they do. They do perverted things like sodomy to those of the low ranks when they are initiating them into their organization so that they have something to blackmail them with as well. That so called "pastor" was arranging time with her husband so that he could check or tweak his programming.

This guy was on tv purporting to be a Christian for at least 55 years. Yet all the while he was a servant of satan's.

All freemasons. Top Row L-R: Perry Stone – Signs of the Times. He's using symbolism with his crossed arms here. Then there is Joel Olsteen / Osteen now after the Mandela Effect. The God Who Crosses His Arms. Look at the mockery in

the title of his book. Deceived Christians believe this teaching is about God but it isn't, it is about his god. Osiris is the Egyptian god that crossed his arms. Joel looks like a major clone to me, he doesn't even look the same anymore even with aging. Bottom row L-R: Joel again, crossed arms. Then there is Joyce Meyer and looks like an old release and then a newer release of the same book. She doesn't look the same on her book covers even in spite of aging. They really don't get major plastic surgery as they have led us to believe that all of Hollywood and those in the lime light do. I believe it is really that they roll out a cloned version of them that looks so different. Who knows if they killed them off or what. Remember with the MK Ultra program some of these people are programmed to believe they are Christians and they have a Christian altar that is cued in order to do their tv programs and present as a Christian to fool the public. But they also have satanic altars inside them that participate in the rituals.

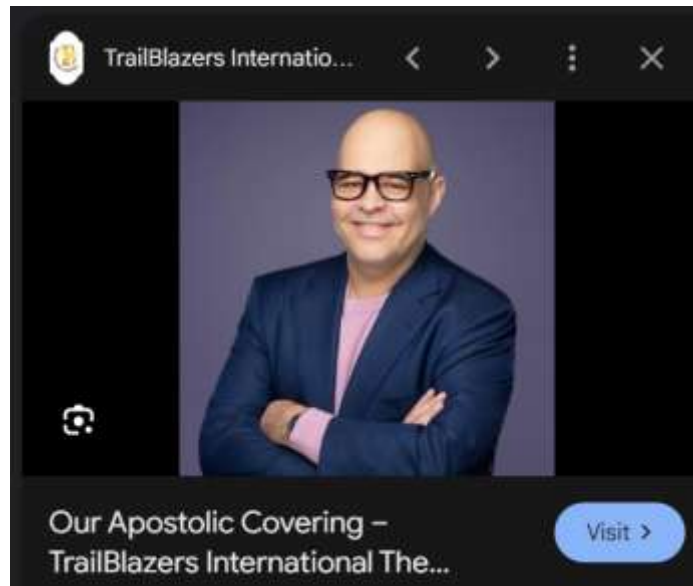

Here is Joyce again, with the crossed arms speaking to the brotherhood. Don't you ever wonder how these people like her are in their 70's but look this good. It's cloning.

These are all supposed to be ministers, but they are only fronting as ministers of light. They are freemasons. I've never heard of John Hannah and Danilo Montero but I can read the symbolism here and know that they serve on satan's altar.

Stephen Furtick and Joyce making sure we know what god they serve. They even have the X symbolism on the backdrop behind them.

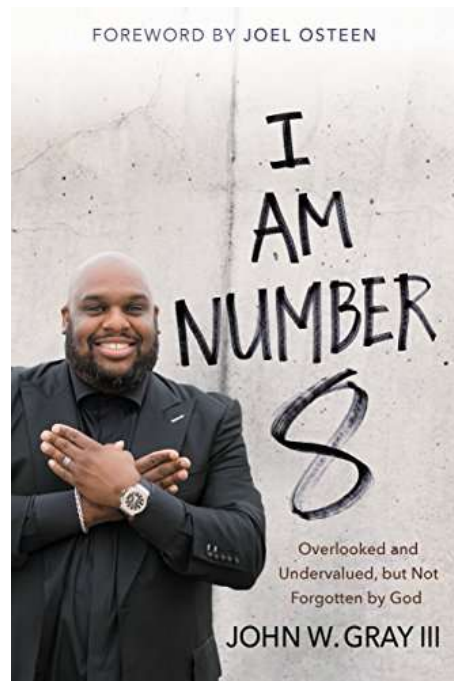

One of satan's ministers, Apostle John Eckhardt. He teaches false spiritual warfare. When you listen to these false ministers, they will get you off track and you can get beat up and even killed by demons if your walk is not right and you do the crazy things they teach.

John C. Maxwell is in the false church system of satan's and has written many books on leadership. He's a pastor and author. He's speaking here without saying a word.

T.D. Jakes. He's lifted up on satan's platform and you don't get there without having bowed to satan. He is a freemason masquerading as a minister of light. I have shown many of his false teachings in the past. He should be ashamed for ever trying to put a stamp of approval on being gay and saying King David and Jonathan were gay. Shame on him. Same crossed arms making the x for osiris.

John W. Gray III doing osiris risen crossed arms. Joel Osteen wrote the forward and this man was an associate pastor at Joel's church in Houston. That should tell

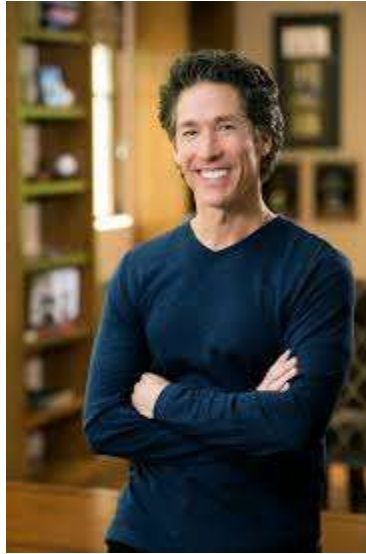

you something about how wicked he is. Those that are close to Joel are wicked to the core because Joel is wicked. He's highlighting the number 8, luciferians love the number 8 because of this next passage of Scripture:

Revelation 17:11 – And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.

They long for the time that this 8th beast will reign. He is the antichrist and will be possessed and empowered by satan.

Here's a reminder about who the god is that crosses his arms. It is not The Lord God Almighty, but he is referring to osiris who ruled in Egypt and in the series on Freemasonry I have shown that he is the same as baal, lucifer, amen and satan. This is the god Joel serves.

Joel Osteen / Osteen

Rick Warren

I never would have heard of this guy but someone approached me and said they are following him to learn how to plant a house church. You don't even have to be a famous pastor in the limelight to be a freemason. Here is one, and he has an initiated name as they all do. Deer – man after his lord Lucifer in the form of cernunnos. I find it interesting how many men in suits are crossing their arms, that's not a comfortable pose in a suit jacket. It is symbolism and now God has shown us the mystery of it all.

CLOSING

Let's read about these supposed Christian televangelists in Scripture. In this next passage of Scripture, Apostle Paul is dealing with false apostles who were trying to undermine his authority and teaching in the church.

2 Cor.11:12-15 - But what I do, that I will do, that I may cut off occasion from them which desire occasion; that wherein they glory, they may be found even as we. For such *are* false apostles, deceitful workers, transforming themselves into the apostles of Christ. And no marvel; for satan himself is transformed into an angel of light. Therefore *it is* no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their works.

The term "deceitful workers" highlights the intentional and cunning nature of these individuals. They were not merely mistaken or misguided; they actively

sought to deceive the believers. This deception often involved mixing truth with falsehood, making it difficult for the early Christians to discern. The cultural context of Corinth, a city known for its diverse philosophies and religious practices, provided fertile ground for such deceit. Paul's emphasis on deceitful workers serves as a warning to the church to remain vigilant and discerning, as seen in his exhortation in Ephesians 5:6-7 to not be deceived by empty words.

It's the very same thing we have going on today with all the televangelists and mega church pastors except since the luciferians have had thousands of years to perfect their deceptive practices and teachings they are more crafty and cunning than ever. Their witchcraft has gone deeper than we can even imagine. They do not serve on God's altar. We should not be surprised that satan disguises himself as an angel of light. His servants disguise themselves as ministers of God. Pray for more godly discernment and stay in God's Word so that you will be able to recognize false teachers.
