

GHOSTS

I thought it would be timely to get this out just ahead of Halloween this year, 2025. The movies have taught most of us what to believe about ghosts but I want to teach you what they really are from a Biblical perspective.

Many people are just religious and attend church but do not understand spiritual things. The world is pursuing the supernatural and sad to say, not God's Kingdom but the kingdom of darkness. Our children especially have a fascination for supernatural things. We must teach them God's truth about these things and that there are consequences for dabbling in the things pertaining to satan's kingdom.

Interesting to note that they did not mention fallen angel here. They did mention demon and a demon is the same thing as a fallen angel. A familiar spirit, which is a demon should be in this list. A familiar spirit used to work in the life of a dead person and can even take on or mimic the image, voice and character of the dead person in order to be used in doing evil works. Many people accept them thinking it's the dead person but they are just mimicking them in order to be accepted.

For the most part I believe that all of these different words go back to the same thing, a fallen angel. But a few years ago Pastor Erustus and I were talking about how deep witchcraft has gone and that the witches are doing unimaginable things today. We were talking about how if the witch of Endor. Let's go read about what she did:

1 Samuel 28:3-25 – Now Samuel was dead, and all Israel had lamented him, and buried him in Ramah, even in his own city. And Saul had put away those that had familiar spirits, and the wizards, out of the land. And the Philistines gathered themselves together, and came and pitched in Shunem: and Saul gathered all Israel together, and they pitched in Gilboa. And when Saul saw the host of the Philistines, he was afraid, and his heart greatly trembled. And when Saul inquired of the LORD, the LORD answered him not, neither by dreams, nor by Urim, nor by prophets. Then said Saul unto his servants, Seek me a woman that hath a familiar spirit, that I may go to her, and inquire of her. And his servants said to him, Behold, *there is* a woman that hath a familiar spirit at Endor. And Saul disguised himself, and put on other raiment, and he went, and two men with him, and they came to the woman by night: and he said, I pray thee, divine unto me by the familiar spirit, and bring me *him* up, whom I shall name unto thee. And the woman said unto him, Behold, thou knowest what Saul hath done, how he hath cut off those that have familiar spirits, and the wizards, out of the land: wherefore then layest thou a snare for my life, to cause me to die? And Saul sware to her by the LORD, saying, As the LORD liveth, there shall no punishment happen to thee for this thing. Then said the woman, Whom shall I bring up unto thee? And he said, Bring me up Samuel. And when the woman saw Samuel, she cried with a loud voice: and the woman spake to Saul, saying, Why hast thou deceived me? for thou *art* Saul. And the king said unto her, Be not afraid: for what sawest thou?

And the woman said unto Saul, I saw gods ascending out of the earth. And he said unto her, What form *is* he of? And she said, An old man cometh up; and he *is* covered with a mantle. And Saul perceived that it *was* Samuel, and he stooped with *his* face to the ground, and bowed himself. And Samuel said to Saul, Why hast thou disquieted me, to bring me up? And Saul answered, I am sore distressed; for the Philistines make war against me, and God is departed from me, and answereth me no more, neither by prophets, nor by dreams: therefore I have called thee, that thou mayest make known unto me what I shall do. Then said Samuel, Wherefore then dost thou ask of me, seeing the LORD is departed from thee, and is become thine enemy? And the LORD hath done to him, as he spake by me: for the LORD hath rent the kingdom out of thine hand, and given it to thy neighbour, *even* to David: Because thou obeyedst not the voice of the LORD, nor executedst his fierce wrath upon Amalek, therefore hath the LORD done this thing unto thee this day. Moreover the LORD will also deliver Israel with thee into the hand of the Philistines: and to morrow *shalt* thou and thy sons *be* with me: the LORD also shall deliver the host of Israel into the hand of the Philistines. Then Saul fell straightway all along on the earth, and was sore afraid, because of the words of Samuel: and there was no strength in him; for he had eaten no bread all the day, nor all the night. And the woman came unto Saul, and saw that he was sore troubled, and said unto him, Behold, thine handmaid hath obeyed thy voice, and I have put my life in my hand, and have hearkened unto thy words which thou spakest unto me. Now therefore, I pray thee, hearken thou also unto the voice of thine handmaid, and let me set a morsel of bread before thee; and eat, that thou mayest have strength, when thou goest on thy way. But he refused, and said, I will not eat. But his servants, together with the woman, compelled him; and he hearkened unto their voice. So he arose from the earth, and sat upon the bed. And the woman had a fat calf in the house; and she hasted, and killed it, and took flour, and kneaded *it*, and did bake unleavened bread thereof: And she brought *it* before Saul, and before his servants; and they did eat. Then they rose up, and went away that night.

This is the best ghost story we have in Scripture. First we see that King Saul had banished all the witches also called mediums. They work with demons, that's

what a familiar spirit is. So this woman who they knew had a familiar spirit, meant that they knew she had a demon who gave her power to do things and know things spiritually. Banishing the witches was one righteous thing King Saul had done, however, he did not continue in serving God wholeheartedly. He had asked the Lord what he should do about this battle with the Philistines but God did not answer him. He had withdrawn from Saul because of his sin against God. Since God would not answer King Saul, in his desperation, he went to the witch of Endor who was able to call up the spirit of Samuel. She was shocked when she saw Samuel but King Saul and those with him could not see him but could hear him. This is a ghost, the soul of Samuel who was physically dead.

"I see a god coming up out of the earth," the woman answered.

The term "god" here is translated from the Hebrew word "elohim," which can mean "god," "gods," or "spiritual being." The woman's description suggests a supernatural appearance, which she interprets as a divine or ghostly figure. This reflects the ancient Near Eastern belief in spirits and the afterlife, where the dead were often thought to reside in the underworld. The phrase "coming up out of the earth" indicates the belief that spirits could ascend from Sheol, the realm of the dead. This event is unique in Scripture, as it involves the appearance of the prophet Samuel after his death, highlighting the gravity of Saul's situation and the consequences of his disobedience.

"I see a god coming up out of the earth", the woman answered. The KJV says she saw gods ascending out of the earth. Since she was only summoning one spirit, it seems like it should be singular – god. Samuel was a righteous person and this witch conjured up his spirit. This was a special circumstance or event that God allowed. King Saul was lukewarm and not serving God obediently and God allowed this to show King Saul what His judgement against him was going to be and that no matter how he tried to rule over Israel as king, God's judgement was already set.

Pastor Erustus and I were in agreement discussing this, that in light of this whole event, the witches today can call up the spirits of dead illuminati, luciferians, freemasons - of wicked people and use them in their evil purposes. Pastor Erustus shared to me once that the witches there have spirits in bottles and they sell them to make money. Back in 2016 I did a sermon entitled CLONES, ALTERS, DID and SOUL: SNATCHING, CAPTURE, RECYCLING, TRANSFER and RESURRECTING. I brought out a lot of deep research indicating that the fallen angels working with the luciferians, already have the technology and capability to force someone's soul out of their body and capture it in a container and use it for their purposes. Usually the fallen angels want the body so they use it for their purposes, inhabiting it appearing as a regular human all the while the soul of the person has already been removed. Another way a human body is used by the kingdom of darkness is when a hi-level luciferian is about to die, they like to transfer their souls to another body so they can continue to live on. They are trying to live forever and avoid death. They have shown this in their movies and Donald Marshall has talked about this. I believe he is a skill, used to get truth out to us. He certainly is not awake spiritually.

Hebrews 9:27 - And as it is appointed unto men once to die, but after this the judgment:

These bodies that have been body snatched are filled with demons. Even if they are filled with a hi-level luciferian's soul, there are demons inhabiting that body because these people serve lucifer. They are empowered by demons to do what they do. These demonic beings are all around us and are ruling over us in this natural world, but spiritually, Christians have the power because we have The Holy Spirit in us, the Spirit of Christ Who is ALL POWERFUL!

This is Pastor Erustus, he heads up our outreach ministry in Africa. He has done a lot of deliverance in his churches. He shared some things he learned in some of those deliverance sessions. He said, I have heard demons speak that they are from the grave yards. Witches go to graveyards to do rituals. They leave full of demons which they use to afflict people. Remember a witch is powerless without at least one demon and they usually have many demons. Witches work through the power of demons whereas a Christian is empowered by The Holy Spirit.

We have been led to believe that ghosts are just lurking around in graveyards. But that is not true. Rituals must be done to activate the demons. Sacrifices are made, words are spoken so as to activate, that is to summon the demons. The rituals become points of contacts.

God required animal sacrifices, food and drink offerings in His system of worship in the Old Testament and satan mimics everything about God but in an unholy way. Those sacrifices and offerings were one way that God provided for the priestly line, His ministers. God wasn't eating the sacrifices and drinking the drink offerings but what wasn't burnt on His altar or poured out to Him as a drink offering was given to the priests and depending on the type of offering and the time of year, sometimes the people received a portion back so as to enjoy a feast at the Temple.

Today, we receive the sacrifice God made for us in Jesus Christ. Jesus shed His blood so that we could be set free from satan's bondage on our lives. Jesus fulfilled the law, the Old Covenant, and He is The New Covenant. Jesus is the final sacrifice and so we no longer have to keep bringing the animal sacrifices, food and drink offerings. satan, however, continues to mimic the law, and those who serve him, will bring continue to bring blood sacrifices in order to be empowered by him. The blood sacrifice that satan really wants is a human sacrifice.

Pastor Erustus cont'd: Like when a witch dies, people go to their grave side to do rituals to be empowered with the same demons the dead witch had. It's like an impartation.

We had a witness of this from Fiona Barnett who was raised in an illuminati family and groomed up to be the next priestess grande dame in Sydney Australia which was her luciferic network area. Reading from her book: **Eyes Wide Open** p. 279 – 281

The Ritualistic Transfer of Power

Fritz Springmeier described the Grande Dame position as follows:

*As a child of the Illuminati progressed through its programming, three people had oversight over its programming: its Grande Mother, its **Grande Dame**, and the Programmer... The Illuminati method for killing a **Grande Dame** and passing her spiritual power on is done with reverence. No blood is to be spilled out of respect for the elderly woman who gives up her life willingly. At death, the last breath is inhaled by the replacement to transfer the power... the **Grande Dames**, are often veiled in ritual and would wear robes with different coloured lining. The different colours of linings show the different grades.*

This was Fiona's grande dame, Veronica, and Fiona is laying down in this drawing.

Anne Conlon and I rode in mournful silence to St Mary's Cathedral in Sydney City. The Cathedral was packed full of dignitaries, politicians, entertainers and priests including Cardinal George Pell. The cathedral doors were heavily guarded by NSW police. The opulent evening ritual featured Bach organ music and a full choir. There I drew in Anne's last breath and collapsed to the floor behind the altar, devastated. It was acceptable for me to show emotion on this special occasion because my grief proved the 'good bond' between a Grande Dame and her apprentice. I quickly composed myself and strode numbly down the cathedral aisle to eerie Baroque music I now hate.

Her grand dame, Veronica's real name was Anne Conlon. Fiona described the transfer of power here: Anne Conlon and I rode in mournful silence to St. Mary's Cathedral in Sydney City. Notice all the hi-level freemasonic luciferians she said were in attendance – dignitaries, politicians, entertainers and priests including Cardinal George Pell. These are the very ones I expose in this ministry for what they are and who they serve. They are satan's puppets and they are being used to do his will in this world and to deceive the masses to keep them away from Jesus.

I wanted to lay this all out for you to see that demons are ghosts and the luciferians will do anything to get more of them and so will regular lower level witches. A ghost can be a demon but it can also be the soul of a dead wicked person.

Just this week, Pastor Erustus and I had another discussion about what the witches and luciferians do in summoning demons and capturing souls as well.

Pastor Erustus said: These people I think they are able to summon the actual spirit of the wicked and can use also a familiar spirit to mimic the person who died to carry out their agendas. From the deliverance experience I have had, I hear the spirit of the actual wicked dead person saying he/she was brought back by witches to be used in dark evil activities and other times demons say they are using the voice, face or image of the dead wicked person to torment those still alive.

I had told Pastor that I did not believe God would allow them to do these things to the righteous dead. He said: But Pastor I have never encountered the spirit of a person who was serving God faithfully being brought back. The demons say once the person serving God dies the grave site is protected by fire or angels so that witches or demons cannot access the person's body to take back the spirit or soul for their own evil uses. Yes, I also believe God protects His children from this type of spiritual activity.

They were saying depending on what you want to do like seeking leadership positions , doing business , the witches will give you these spirits and tell you how you can be using them to attract customers, influence, favour, confuse people, companies or organizations to give you tenders, do projects of big money, be powerful influential politicians etc. This demands for lots of giving sacrifices or offerings like money, killing people for blood to the altars of those who gave you these evil spirits.

These people have gone so deep in satanism doing unthinkable things Pastor. But our God remains sovereign protecting his saints and revealing every scheme of the devil. We will overcome in Christ Jesus.

I responded: Pastor, what you have learned through deliverance is matching my deep research and the testimony of those who have dared to speak out and share these things.

That's right Pastor. The hi-level freemasons - those that are at the top levels - they have given blood sacrifices and been used sexually in all sorts of ways. They have given the devil his due and paid the price and to stay on top or at the high levels they will continue to do so. They are so depraved and wicked Pastor. The ones who really impact this world have high level demons and satan did not just give them over to them for nothing in return.

The people that serve satan by themselves are low level, they have low level demons. Not much power. The luciferians network and are organized and work together all around this world. They believe they can fight against God and win - they are disillusioned. Christ holds all the power!

A ghost is always from the kingdom of darkness whether it's a demon or the spirit of a wicked dead person. There is always fear associated with ghosts. Remember when the disciples were out in the boat on the water and Jesus was walking toward them and they were scared it was a ghost. God does not allow the witches to tamper with the souls of a righteous person. A ghost can be the spirit of a dead animal as well, witches use animals in their witchcraft.

The world is craving the kingdom of darkness so much that when you travel and look for things to do there are haunted ghost tours.

This is local here in Houston, TX – ghost tours every night in October

San Antonio haunted ghost buss tour 2025 – book now.

Being scared is a big money making business. The demons feed on this kind of fear.

CLOSING

When you participate in things like this, haunted ghost tours, or séances trying to contact the dead or things that deal with ghosts, you are showing God you have a desire for the things of the kingdom of darkness. You are making a spiritual

decision to pursue things that are not of God. When you participate in these things and spend money on this stuff you open a spiritual door in your life to the fallen angels to come in and begin wreaking havoc in your life.

What the witch of Endor did is called necromancy which God forbids His children to participate in. **(Deut.18:10-11, Lev. 19:31)** If you have played with a Ouija board, attended a séance, went on a ghost tour or tried to contact the dead in any way – repent – do not do it ever again. Ask God for forgiveness and to break off all demonic influence out of your life from opening the spiritual door to the kingdom of darkness. Plead the blood of Jesus over your life and all that you have and go on and live a righteous obedient life in Christ.
