

OUTREACH UPDATE AFRICA: APR – JUN 2023

Here's a small teaching from Pastor Erustus:

If you are really a Christian it will show itself in the way you live.

Choose to glorify God in everything, choices have consequences!

"So whether you eat or drink, or whatever you do, do it all for the glory of God."

1 Corinthians 10:31 NLT

Whatever you do daily in your life, the deep desire in your heart as a child of God should be to love God and love others, and every decision you make should exemplify that love. Ask yourself today: Do my daily decisions honor and glorify God? Are my choices full of integrity? Can others see God's character shining through my life? Will my decisions draw people closer to God, or pull them away from Him?

Whatever situation we find ourselves in, God has given His Word, His Spirit, and His people to help us discern our next right thing to do. Therefore when making decisions, let's learn to honor and glorify God to the best of our ability, and then trust Him with our choices.

With love, Bishop Erustus and Sarah

We thank God for these Bibles which will be a big blessing to some brethren who don't have Bibles. 2 Timothy 3:16-17 "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works."

God is so faithful. Our Annual General conference ended yesterday successfully. We give glory to God for moving so powerfully; edifying, saving, healing and delivering many from demonic powers. Thank you Jesus! We appreciate your continued support and prayers. God reward you all. With love; Bishop Erustus and Sarah.

Pastor Erustus ministering in the conference

Here he is laying hands on and praying for some of the people

Bishop David praying over some of the people who came forward.

The people on the floor are being delivered from satanic power in their life.

A picture of one of the meetings and the people who came.

Another meeting time

Look at all the people who came to hear God's Word

So many people come to these annual conferences. You can see the late brother John in attendance here.

Reverend Susan ministering. Shame on those who cannot rightly divide God's Word and have fought against women in ministry.

One last picture of some of those who attended.

Our dear friends and family, we are in the process of starting a children's school here on our Bungoma Town church land as from next week this month of May. Our big vision and desire is to help and support the orphans, poor and vulnerable children in this community.

There is a lot needed ; paying teachers & workers salaries, buying furniture, more children's plastic chairs, desks, utensils, food stuffs, stationary, school uniforms, shoes and building more classrooms. Just bought a few items for the start. We request for your prayers and support to enable us to achieve this vision. No giving is small to us.

With love, Bishop Erustus and Sarah

What an honor and glory to God for this great work. There's Pastor at the new school which he named Three Hearts education Centre after our ministry here.

Here is a picture of the newly painted school building. Before anyone gives me grief over any of the symbols, they do not know about pedophile symbolism. What a cute paint job and how exciting to have a school named for us there.

The school is right beside the church kitchen.

In this picture you can see the church water well up front, the school, the kitchen, next is the Sunday school building and behind that is the church office.

In this picture you can see where the restrooms are at the front of the old plot of church land before the church was moved to the other side of the road. So all of the church land is being utilized.

Here are a few supplies to get started with.

We are now done working on the basic requirements for our Three Hearts Education Centre now the school is on going. We give glory to God!

We continue to trust God to provide to enable us pay teachers & workers salaries, buy food stuffs, more stationary, plastic chairs, school uniforms, shoes ,build more classrooms etc.

Pray with us we achieve our vision of specially supporting the education of the orphans and poor children among others in this community. No giving is small to us.

With love, Bishop Erustus and Sarah

Look how sweet these little students are standing at the chalk board.

Here is the classroom and the teacher.

Here are some of the teaching materials.

Pictured here are three young students with their teacher. How exciting!

PRAISE TESTIMONY!!!

Praise the Lord with us for the fruitful Open-Air Crusade today at Muyayi market - Bungoma Town which we will finish tomorrow. We thank God many souls surrendered and accepted Christ Jesus as their Savior. Thank you Jesus!!

Please continue praying and supporting us to reach more remote villages with the gospel. As always we appreciate you. God bless your Sunday Services.
With love Bishop Erustus and Sarah.

Here's Pastor Erustus ministering

You can see some of the people that came to listen to God's Word

Here's another view of the crusade

Here you can see the people gathering along the street as Pastor ministers.

Another view of those who came to listen.

They are doing some kind of dance line in praise and worship here.

This is another picture of them dancing before The Lord.

THE WISE WIN SOULS!!!

We cannot thank God enough for the powerful 2 days Open- Air Crusade that ended yesterday at Muyayi-market Centre, Bungoma County. Heaven is rejoicing for more souls that got saved. Indeed it was great!!

Our dear friends and family your support and prayers is helping us achieve all this in our ministry work. Our good God reward you. No giving is small towards God's work. Blessed week.

With love, Bishop Erustus and Sarah

These are more pictures of the crusade

So many come out to hear God's Word

Just look at the turn out of people

I believe this is another dance line during worship of The Lord.

Our dear friends and family during our last Open -Air Crusade 2 of our Box speakers blew up and we were forced to hire others to help us finish up the crusade. We know this is the scheme of the devil.

We are now trusting God to provide \$830 to enable us buy 2 Box speakers to help us continue with our monthly scheduled Open-Air Crusade meetings in the remote villages. We request for your support in this noble task of reaching the lost. No giving is small to us. We love you in Christ Jesus.

Bishop Erustus & Sarah

When you speak God's Word you will be fought against. When you work to win souls, you will be fought against. Those speakers blowing up was spiritual warfare leveled against God's work going forward.

It was a great Sunday Service yesterday for our Holy Trinity Living Water Ministry Annual Assembly meeting at Nasusi market - Kimilili Town. Praise God we pitched tents on the recently purchased church land for this branch church. We have about \$1,000 balance to pay for this land then we raise a church building on this land. God is faithful!

Your continued prayers and support enables us always fulfill our ministry mandate. May you all enjoy your week.

With love, Bishop Erustus and Sarah.

So many people in attendance

Look how many people came out to have church

Here they are lifting holy hands to The Lord

Here's a picture of all the tents they put up to hold services

By standing with our ministry and giving your tithes and offerings and standing with us in prayer you are helping to win souls for God's glory. You are helping in the work of our ministry here in America and Pastor Erustus' ministry in Africa and Pastor Dalbeer's ministry in India. So many good works are being accomplished and we appreciate you and thank God for those who are part of these good works.

God bless you!
