

HAUNTED HOUSES Pt.2: DEALING with EVIL SPIRITS

****WARNING – Scary images****

Dear Heavenly Father I thank You for protecting everyone you have led to this teaching. We are not to be ignorant of the devils devices. I magnify You Father, You are Sovereign and hold all the power. I praise You. I plead the blood of Jesus over everyone that watches this teaching. I thank You for keeping Your hedge of protection and wall of fire around Your children. I cover this teaching in Jesus' blood. I cover all the pictures in Jesus' blood. I plead the blood of Jesus' over our eye gates and over our hearts, minds, souls and spirits. Thank You for protecting us as I expose the evil works of darkness for Your glory in Jesus name I pray.

Last week we were talking about all the paranormal activity that happened in the Amityville haunted house. Things like the walls bleeding, lights going on and off by themselves, sounds being made when no one is there, major shifts in temperature in the home like a very cold room for no apparent reason, voices speaking out of thin air, things moving on their own, things being knocked over, hearing footsteps, doors opening and closing etc.

HOW TO GET RID OF EVIL SPIRITS

The only way to deal with the presence and activity of ghosts is through the blood of Christ. You must be truly saved. Salvation is the greatest point of deliverance in a person's life. If you have opened the door to the kingdom of darkness, then you have to figure out what you did and get that door shut. Get rid of occult objects and things that glorify satan's kingdom. Repent of all known sin and ask God for forgiveness and cover yourself and family and all that you have in Jesus' blood. If you cannot break the evil activity off by binding and commanding the evil spirits out in Jesus' name, then you need to seek a real minister of God who will have more spiritual authority, anointing and power on their lives in order to deal with it. They will pray over and anoint the home etc. and command the demons out. If the head of the household is not saved then nothing can be done because

everything is on a satanic foundation. In His mercy, God will protect His children who live there.

Targeting isn't just being done with weapons, there is a spiritual aspect that plays into someone being targeted. Things moving in the home can be a demon or if the person is targeted it can be done with technology or it can be a mixture. It can also be someone coming in physically and doing things like they did with Kay Griggs. I believe most targeting is a mixture with the government beast system working with the demonic realm and mixing technology in too. If you have ghostly things going on in your home and you aren't sure if it is demonic or targeting, I always treat it as if it is spiritual first. You can also pray and seek God about what it is.

Every Christian has been given the authority to bind demons and command them out in the name of Jesus. **(Luke 10:17-19)** Be sure you are truly saved because if you aren't then you can really get beat up and even killed. Spiritual warfare is nothing to play around with. Be sure you cover yourself and your family in Jesus' blood before you ever attempt any spiritual warfare and that you are filled and sealed by The Holy Spirit. Otherwise you have no business doing anything because you'll just make it worse.

The movies love to show non-sense when it comes to spiritual warfare. This isn't going to do a thing. This is not even a Christian symbol. This was the symbol of a Roman / Babylonian false god, a sun god named Tammuz. Most Christians don't know that. We relate to it because Jesus willingly went to the cross for us. But God is not known by any symbol or image. **(Acts 17:29)**

Holding a Babylonian god's cross up against an evil spirit isn't going to help you. You must be born from above. Only Jesus saves.

Nowhere in Scripture do we read about anyone holding up a cross and banishing an evil spirit. If you are not truly a Christian, an evil spirit is not going to leave no matter what you hold up. And if there's an evil spirit making its presence known it is because you have opened a door to it. If the activity of the evil spirit is very aggressive it is because you have committed a strong sin against God, something deeply connected to the kingdom of darkness. The fastest way to have openly noticeable demonic activity in your life is to participate in occult things like séances, or play with a quija board or own occult objects like a pentagram or hexagram etc.

Paying money to go to a haunted house honors the kingdom of darkness. There is nothing holy about a haunted house. It completely lifts up satan's kingdom and not God's.

Haunted houses are always filled with ghosts, zombies and wicked evil monsters and things of this nature. These things point to satan's kingdom and death.

Jesus defeated death, hell and the grave. **(Rev.1:18)** He is our KING and Master and we have no business chasing after the very thing He overcame for us. All through Scripture death is clearly shown as the enemy of God and of Christians. **(1 Cor.15:26)**

These are typical things seen in a spook house. Haunted houses honor death. They are always filled with ghosts, skeletons, zombies and all sorts of variations of death and dead things.

This one has a skeleton of a horse, and a few zombie looking people. Depending on the type of zombie, they can portray a reanimated corpse, meaning they don't have a soul and have been brought back by black magic.

Last week, I shared about how my life was at the time I went to spook houses in my 20's. I know what I'm talking about when I say you are opening spiritual doors by doing this kind of thing and the more wicked things you do and are drawn to, the more doors you are opening.

Something that happened to me as a result of how I was living is that at least twice in my life before truly being saved I had a presence enter my room while I was sleeping. The world calls this sleep paralysis but what this really is, is a demonic attack. I could not move, could not talk, could not open my eyes. But I knew just enough to think in my mind over and over "Jesus saves" "Jesus saves" and I repeated this thought over and over until the presence lifted and then I looked and did not see anything. You would think this would cause me to really get saved but it didn't because I thought I was saved. America has been so deceived about what real salvation is. Pastors have fallen down on the job of watching for spiritual fruit in someone's life and really guiding that person to Christ if their life doesn't change once they believe they are saved. I just went on and lived my life the same old way and this same thing happened again at some point. There are so many ways the demonic realm can begin tormenting you once you open that door.

HAUNTED HOUSES CELEBRATE EVERYTHING GOD CONDEMNS:

Witches

Exodus 22:18 – Thou shalt not suffer a witch to live.

Witches are always associated with haunted houses. Look at how strongly God is against witches and witchcraft. The New Testament condemns witchcraft, magic and sorcery (**Gal.5:19-21, Rev.21:8, Rev.9:21**).

Modern day haunted attractions often include vampires.

Leviticus 7:26-27 – Moreover ye shall eat no manner of blood, *whether it be* of fowl or of beast, in any of your dwellings. Whatsoever soul *it be* that eateth any manner of blood, even that soul shall be cut off from his people.

Ghosts

Leviticus 19:31 - Regard not them that have familiar spirits, neither seek after wizards, to be defiled by them: I *am* the LORD your God.

Familiar spirits is speaking of the spirits of the dead. Usually a familiar spirit is a demon taking on the personality of a dead person. We are not to mix in with activities that include ghosts. It isn't cute or just innocent fun in God's eyes. Remember when the disciples saw Jesus walking on the water, they didn't recognize Him at first and thought it was a ghost and they were scared. Jesus reassured them He wasn't a ghost. When I was a kid there was a cartoon, Casper the Friendly Ghost. That is what satan does, he spins it and tries to "cute it up" so that we will fall for it. He calls good evil and evil good. **(Isaiah 5:20)**

God condemns witchcraft and having anything to do with the dead. **(Deut.18:10-15)**

As children of God, we need to heed God's Word. God tells us to avoid even the appearance of evil. **(1 Thess.5:22)**

A spook house or a haunted house certainly does have the appearance of evil and is evil to the core.

USA Today just released its "10 Best Haunted Attractions" in the country, and Cutting Edge Haunted House in Fort Worth took the top spot. This one truly says it all. The image looks like satan himself. It is a portal drawing the demons into that place. In fact, every haunted house attraction is used as a portal for the demons to freely come and interact in this realm. That's how it works.

House of Torment - I think this one is in Austin, Texas.

Remember the story of the man who the king forgave all his debt (**Matt.18:23-35**) but then the man went out and harassed someone who owed him a small amount of money? So when the king found out about it, he threw the man in prison, turned him over to the jailers who were referred to as tormentors. Demons are tormenters of unbelievers and those that open spiritual doors to them. You are

making a spiritual decision when you go into a place that says it is a house of torment.

Dark Hour Haunted House

Just listen to some of the words in the names of these haunted houses: screams, nightmares, delirium, terror, torment, fear, massacre, purgatory, séance sisters, terror dome, asylum, netherworld, monsters, hells gate, dark hour etc.

Jesus warned us about the darkness that was coming when no man could work.

(John 9:4) That time is here now, very few souls are being truly saved anymore. Christians today have very little discernment and are embracing the darkness. In fact, they get mad if you put your finger on their sin.

CLOSING

Rev.18:4 - And I heard another voice from heaven, saying, Come out of her, My people, that ye be not partakers of her sins, and that ye receive not of her plagues.

God is giving those that serve Him a warning not to be partakers of the sins of the kingdom of darkness; He is plainly saying not to be part of the sins of the world so that we don't receive the same punishment that they will get.

Don't perish for lack of knowledge of God and His Word. **(Hosea 4:6)**

Most people attending haunted houses and working in them are young people. Please share this with your children and grandchildren. Warn them about the spiritual ramifications of their actions.
